Haier Laboratory Refrigerator

Wide Range Temperature Adjustment Precise Temperature Stabilization Control

Designed specifically for labs

- Wide Range Temperature Adjustment:
- $3-16\,^{\circ}$ C wide temperature range designed to adjust with one key for better storing suitability.
- Precise Temperature Stabilization Control:
- Internal temperature variation is within 3°C to professionally keep temperature uniformity. • Energy Saving and Environmentally Friendly:
- Hydro carbon cooling system and energy saving fan motor provide environment friendliness and energy saving.

Include high and low temperature alarms, door open alarm, etc. The refrigerator can be remotely monitored and will alert users rapidly.

Haier Laboratory Refrigerator

Main Uses

To store chemical and experiment reagents and consumables for institutional laboratories, research facilities, etc.

Product Advantages

3-16°C wide temperature range with precise control to prevent freezing

One Key Search for Convenient Checking

Historical temperature data can be saved and checked by pressing only one key for convenient laboratory inspection.

Dual Lock Design with Multiple Alarm System

The door comes with a mortise lock. A padlock can also be installed. The system has high and low temperature, open door, and sensor error alerting functions for better safety.

Ergonomic Design

HC Cooling Saves Half Energy

The hydro carbon cooling system has twice the cooling efficiency and saves half the energy.

Glass Shelves

Tempered glass shelves can storeover 40kg of various sized reagent bottle.

Low Noise

Ultra quiet fan motor with noise cancelling technology makes the entire refrigerator's noise lower than 40 decibels for a quiet and comfortable lab environment.

Automatic Door Closing Function

Provides small angle automatic door closing function.

Cabinet Structure

Glass Shelve

Fan/Interior Light

Display Board

Product Specifications

Model	Voltage	Power	Internal Temperature Range	Exterior Dimensions (W*D*H)	Interior Dimensions (W*D*H)	Capacity	Shelves	Net Weight
HLR-198F	220V/50Hz	195W	3℃~16℃	530*570*1565	455*445*900	198L	4	54kg
HLR-310F	220V/50Hz	270W	3℃~16℃	605*600*1870	560*500*1290	310L	4	77kg
