**Day 1** Suvarnabhumi Airport (Bangkok)– Chiang Mai International Airport – Ban Den Temple – Hinoki land – Thanathorn Orchard – Fang Hot Spring

**04.00** Assemble at the meeting point. The staff will welcome and facilitate you.

**06.25** Depart from Suvarnabhumi Airport (Bangkok) to Chiang Mai by Thai Vietjet Air, flight VZ100. The flight would take around 1 hour 15 minutes.

**07.40** Arrive at [Chiang Mai International Airport](#) and pick up luggage.

**Morning** **Breakfast at the restaurant.** Then take you to [Ban Den Temple](#) or “Wat Den Sari Si Mueang Kaen” It is located in Mae Taeng District, Chiang Mai Province. It is a temple located on a hill surrounded by beautiful landscapes. The temple is spacious. It comprises the Ubosot, the Trai Hall, the Drum Tower, the Viharn Sao Inthakhin, Lanna style golden teak cubicle, vihara, stupa, chedi, and Phra Buddha Billionaire Nawakoti. There is a pavilion that enshrines a replica of famous monks of Thailand. It is beautiful with the art of Thai Lanna architecture. Every detail of the building is as beautiful as a copy of literature. If anyone visits Chiang Mai, we recommend you to visit this temple.

Then take you to [Hinoki land](#) or Theme park. It is the first and only Hinoki myrrh kingdom in Thailand on an area of 83 rai, located in Chai Prakan District Chiang Mai Province. The surrounding area is surrounded by mountains and agricultural areas of the villagers. The main highlight of Hinoki Land is that the front is a ryebu-style torii gate that is replicated from the water torii pillar of Itsukushima Shrine.

The front is a large red lantern arch that is a replica of the Kaminarimon or Furajjin-mon arch from Asakusa Temple, which there is a dragon sculpture carved under it. This arch is an auspicious arch when walking under the red lantern to create prosperity for that person.

**Noon**      **Lunch at the restaurant.**

**Afternoon**      Take you to [Thanathorn Orchard](#). It is a large orange orchard known for its accepted quality, and it is the pride of the Fang people. The city that is the origin of this Sai Phueng orange variety is “Thanathorn Orange Orchard”, which now was developed into a tourist attraction, Thanatorm Orange Orchard 2 (Ban Lan) and Thanatorm Park 8 (Thaton Garden) for tourists to see and taste at their

convenience. Because of the beauty of the orange fruit at the time of fruiting, the distinctive color of the orange contrasts with the

green leaves alternating with the color of various flowers, making the planting area look beautiful. It has become a popular tourist destination for tourists who travel to experience the cold wind in Chiang Mai.

After that, take you to [Fang Hot Spring](#). It is located in Doi Fa Hom Pok National Park, Ban Pin Subdistrict, Fang District, Chiang Mai Province, which is an area of about 10 rai of hot springs. There are more than 50 hot springs, each with different temperatures. The average temperature is around 30-80 degrees Celsius. The highlight here is erupting hot springs. The highest in the Fang Hot

Springs, it ejaculates for 30 minutes per time, above 30-50 meters, and it is an area where the water temperature is very high. There are many activities here, such as boiling eggs, taking a hot spring nature trail, viewing large hot springs, baking, mineral bathing, foot bathing, etc.

**Evening** Dinner at the restaurant.

**19.00** Take you to check-in at **Fang Modern Hotel** or a hotel of the same level.

**Day 2 Doi Ang Khang – Royal Agricultural Station Angkhang – Ban No lae Strawberry Farms – To See Cherry blossom (late Dec. - early Jan.) - Warorot Market - Thapae Walking Street**

**Morning** Breakfast at the hotel’s dining room. Then take you to [Doi Ang Khang](#). It is a land of romance that you can travel to without boredom and once in a lifetime must find an opportunity to visit. It is another popular Doi, even after a long time has passed, the trend of Doi Ang Khang tourism will not decrease at all. Doi Ang Khang responds to tourists who want to experience the cold weather, see the beautiful winter flower and vegetable beds, see the sunrise and the

sea of mist, experience the way of life of the hill tribe people with a variety of ethnicities. If you

travel in the beginning-mid-January, you will also get a gift to see real cherry blossoms in the agricultural station, including Phaya Suea Krong flowers that bloom all over the mountain, adding to the romance. After that, take you to [Royal Agricultural Station Angkhang](#). The first royal project of King Rama IX

was established to serve as a research station and plant a variety of temperate plants instead of the opium cultivation of various tribes. Later, it has developed into an important tourist attraction in winter every year and is open to tourists to come and see the beauty of winter gardening and vegetable and fruit plots. Whoever likes the beauty of flowers must not miss it because the winter flowers here are planted in rotation every year and vary according to the season. Other

sightseeing spots within the station are interesting, and you can stop and take pictures at every point. However, the main attraction is Suan Somdet which is located in front of the entrance. Adjacent is a rose breeding house and a flower house located opposite Suan Somdet. Next to the center of the station is Garden 80, the English Rose Garden, and Ang Khang Club, which is a restaurant and coffee shop.

Moreover, there is still the beauty of the palace amidst the scenery of the Royal Project. When the cold wind comes, everyone will want to check in at Ang Khang.

**Noon**      **Lunch at the restaurant.**

**Afternoon**      Take you to [Ban No lae Strawberry Farms](#). This farm belongs to the Royal Project

located in Nor Lae Village. The specialty of this strawberry farm that is different from other farms is a wide terraced farm, similar to A tea plantation that many people are familiar with. Although this farm is forbidden to pick strawberries, the view of strawberry fields, mountains, and the sea of mist in the morning makes this

place like heaven. Then take you to take photos with [Wild Himalayan Cherry](#) or [Thai Cherry blossom](#). It is famous for being a place for viewing various types of winter flowers. In addition, here is another beautiful cherry blossom viewing area. Besides having Thai cherry blossoms like Nang Phaya

Sua Krong, which can be seen from the road that goes up to Doi Ang Khan because it was planted along both sides of the road. There are also real cherry blossom trees from Japan planted for tourists to see and take pictures inside the Royal Agricultural Station Angkhang.

*\* The blooming of Phaya Sua Krong flowers depends on the weather conditions \**

Then take you to buy souvenirs at [Warorot Market](#) for everyone to buy local souvenirs from Chiang Mai such as Sai Oua, Nam Prik Num, Nam Prik Ong, Pork Kham, etc.

Then travel to [Tha Phae Walking Street](#) (open only on Sunday). There are many items for sale here, such as clothes, accessories, local products such as silverware. Moreover, it is also full of delicious food such as water, snacks, snack shops. (If Tha Phae Road is closed, we would like to take you to shop elsewhere instead).

**Evening**      **Dinner as you like at Tha Phae Walking Street.**

**Day 3** Chedi Luang Worawihan Temple – Phra Singh Temple - Doi Mon Jam – Rai Dok Lom Nao Farm - SKY WALK Moncham - Chiangmai International Airport – Suvarnabhumi Airport (Bangkok)

**Morning** Breakfast at hotel's dining room. Pack your bags to check out from the hotel.

Then take you to [Chedi Luang Worawihan Temple](#). It is an old temple in Chiang Mai. Wat Chedi Luang is an ancient royal temple. It has been renovated many times, especially the chedi that is currently 60 meters wide and one of the most important chedi in Chiang Mai. Wat Chedi Luang is the administrative center of the

Lanna Kingdom. At present, the area of Chedi Luang Temple in the middle of Chiang Mai has interesting things such as Chedi Luang, Inthakhil, Yang trees, Kumphan, Hermit, which reflect the development of the universe that has changed according to the circumstances surrounding the city of life. After that, take you to

[Phra Singh Temple](#) or the full name is Wat Phra Singh Woramahawihan. It is one of the important temples in Chiang Mai. It is a temple that enshrines Phra Singh (Phra Phuttha Sihing), the sacred Buddha image of Chiang Mai and Lanna. Buddha image is a Chiang Saen art known as “Chiang Saen Sing Nueng, Wat Phra Sing has beautiful Lanna architecture that is well known and well known.

Every year when it comes to the Songkran festival or New Year's festival, the government has brought Buddha Sihing to be enshrined on a Busabok and paraded around the city to

give faith. People come to bathe on the occasion of the New Year's festival according to Lanna traditions. People born in the Year of the Dragon must come to pay respect to Phra Singh at least once in their lives.

**Noon**            **Lunch at the restaurant.**

**Afternoon**      Then take you to [Doi Mon Jam](#). The main viewpoints of Doi Mon Chaem are on two sides. One side is a mountain range. On the other side are the various farms of the Royal Project, which will change the vegetation according to the season.

After that, take you to [Rai Dok Lom Nao Farm](#). It is a viewpoint where you can go up to feel the cold wind, see the panoramic view of nature, take pictures of various kinds of flowers, see strawberry farms. You can shop for mountain products such as traditional clothes, winter vegetables, and fruits, and there are also hill tribe rally rides. Now, Mon Chaem has a new look with tourist spots

such as flower fields, flower fields, winter flowers, strawberry farms, Plai Fa, Skywalk

Mon Jam, shops, small restaurants of the villagers serving. After that, take you to

**SKYWALK Moncham.** It is a bamboo bridge that stretches along the foothills for more than 200 meters. Both sides of the road are decorated with bright red cockscomb necklaces along the way. At the bottom of the bridge was a

field of pink and white cosmos in full bloom and other flowers, which will gradually bloom in winter, such as amaranth flowers, hydrangeas, Margarets, etc. We can go down to take pictures in the flower field.
