**Day 1** Travel from Bangkok - Khao Yai Sheep Farm - Khao Yai Mushroom Farm - Khao Yai Zoo -  
Master the Labyrinth (-/-/-)

**06:00 am.** Travel from Bangkok to Khao Yai in approximately 3 hours.

**09:00 am.** Arrive at **Khao Yai**, take you to **Khao Yai Sheep Farm** (Sheep Land

Khaoyai) tourist attraction amid the good atmosphere of Khao Yai, visit a sheep farm. Experience the cuteness of sheep of various breeds. with sheep milk feeding activities very closely "We have more than 50 of us now, with about 20 small sheep that we can carry and photograph and feed, and the rest are large ones that we cannot carry and photograph." In addition to having a sheep farm, SHEEPLAND also has a ZONE SHOPPING project, which will have more than 30 shops, focusing on shops selling handmade products/fashion products/home decorations/souvenirs / (small) restaurants,

Sheep Square. And lead you

to **Khao Yai Mushroom Farm** is an agro-tourism attraction.

It is located on Thanarat Road, Km 10.5, which is another attraction. That can be enjoyed by the whole family because in addition to learning about mushroom cultivation. There are also various activities. Let's do it together as well. The atmosphere around there is a cute corner to take pictures

together. There is a giant mushroom sculpture. That makes the atmosphere like entering the

world of giants. Makes walking around the mushroom farm fun. Interesting things in Panorama Farm There are many mushroom farms. The zone together with the part that is a mushroom plant, a mushroom production plant, a resort, a food shop, and various products derived from mushrooms. We can walk to see various kinds of mushroom breeding grounds, touch and learn about mushrooms in a chill atmosphere. The mushroom farm here has been transformed

into a small house. Each house will have a host of different types of mushrooms. Let us have a visit there in the mushroom nursery. Many kinds of mushrooms the mushrooms that we know each other very well to exotic mushrooms from abroad, such as Bhutanese angel mushrooms, lingzhi mushrooms, monkey head mushrooms, and many more. You can also pack mushroom food in the Mushroom Cube Factory, so kids can learn by doing it themselves. There are also delicious food and snacks made from organic mushrooms for you to taste.

**At noon**      **Have lunch at a restaurant**

**In the afternoon** Take you to **Khao Yai Zoo** a small zoo with an area of about 100 rai, let us walk to see the animals, big and small, and feed the children up close. We will walk in circles around a small mountain. The distance is about 700 meters.

Let us walk and see more than 50 kinds of cute and exotic animals along the way. It's fun and not boring. The first point that we will see is dwarf horses of various breeds. There are many stalls here. We can feed the children and take pictures. But don't use flash to take photos of the younger siblings to hurt their eyes, each dwarf pony is very tame, and we can rub the little ones on the head. Next, we can see aviaries, pygmy pigs, gibbons, lemurs, raccoons,

wallabies, foxes, wild cats, lions, and so much more, if at any point, do not write that Able to feed animals. We just stop by to meet the kids but don't feed them. The first highlight is the Aviary birdcage. Here, we can go inside and get close to the flamingos. The youngsters are standing in the water. They are very professional models to take pictures of. And you can't be missed in this zone is feeding all the parrots just pour the sunflower seeds into your hand. The sister flew over to hold on to our arms. And can eat food on our hands take pictures and enjoy ourselves. Get out of here and keep walking. We will meet many more species of birds. Some of them came out of the cage to greet us, but here, don't feed them because some siblings It is only necessary to eat food provided by the zoo. For strength and the safety of the younger ones. From the Nong Nok zone, keep coming straight, we will meet the highlight point 2 is the zone of African animals. We will meet giraffes, zebras and

ostrich. Who still has carrots in hand now? You can go to feed the children and take beautiful photos together. There is also a point that sells pet food. I'd say I enjoyed it a lot. Taking a photo with the giraffe is not bored at all. It is very cute. Allowed to hold a little bit as we continued walking. In a moment, we will return to the dwarf stable. You will encounter mountain goats, rabbits, meerkats, turtles, etc. along the way. And lead you to **Pitch Labyrinth**, a place to

visit in Khao Yai that will allow you to walk around the green wall enjoy finding the exit within the spacious Pete Maze area, with photo stops along the way. There are 4 bridges in the maze, see the path from a high angle. It's a good place to come with friends or family bringing children to travel. It will be fun because they help each other find a solution and help each other remember the route. Let's start walking to find a way out. Walking around. Along the way, there are puppets, dolls, fountain circles that are hidden at various points for taking photos. Halfway through the walk, you will come across 2 stairs leading up to a view of the labyrinth from a high angle. Not far away is Luang Pu Thuat Park.

When approaching the exit, it will be difficult and a little complicated. They walked in circles for a very long time. If you come out and find a Doraemon doll and a car sculpture, it means it's near the exit of the Pete Maze Labyrinth.

**In the evening**      **Have dinner at the restaurant.** After dinner, you will be taken to The Peri Hotel Khao Yai for Check In or equivalent as you can store your luggage and invite you to relax at your leisure.

**Day 2 The Bloom by TV Pool - Hidden Art Garden - Supattra Vineyard - Bangkok**

(-/-)

**In the morning** Have breakfast at the hotel restaurant. After eating, let you store your luggage for Check Out and will take you to **The Bloom By TV Pool**. The largest flower garden in Thailand. On an area of over 100 rai, a new recreational place in Pak Chong District, Nakhon Ratchasima Province. The area with the best ozone number 7 in the world, waiting to welcome both Thai and foreign tourists who love the beauty of nature, sky, lakes, mountains, and trees.

Especially in winter, cool breeze. Blowing through the sea of mist, beautiful views of the winter flower field, hundreds of millions of trees, including forgetting me not flower fields, daisies fields, tulip-lily fields, petunia gardens. etc., embraced by beautiful mountains beyond description. This place is considered to be the flower garden with the most flowers in full bloom and blooming, waiting for the arrival of tourists all year round. Take you to **the Secret Art Garden**. It is a beautiful place for art lovers who like art because here. There will be a perfect blend of art and nature. And of course, there are many photo angles. It is another attraction suitable for Sai Chae Loei. The

concept here is to hide various forms of art for people to find, which works of art that is displayed There will be many forms together. It can be said that you can walk all over the garden. When we walk into the garden, we will find the first gondola pier, which this pier. It was modeled for tourists to absorb the romantic atmosphere of the gondola harbor in Venice,

Italy itself. Then we saw many different zones, including the Writer's Zone, where there is a replica of the writer's house. Artist's house Land of tiny people, mosaic gardens, million-year stone gardens, English gardens, Japanese gardens, etc. Activities in the hidden art garden include restaurants, cafes, souvenir shops, and accommodation at Baan Suan Sin. In addition to

various zones that are many. There are also activities here to choose from, such as teaching Folk Art, painting clay dolls, watercolor painting, or even painting. Pre-wedding photoshoots, etc., is a perfect place to relax. And it's complete. It's a place to visit in Korat. Where you can watch art, breathe oxygen, be surrounded by trees Eat delicious food, sit and chill and relax with the cool breeze. There would be nothing better than a vacation like this.

**At noon**      **Have lunch at a restaurant**

**In the afternoon**      Take you to **Supattra Vineyard**. It is considered one of the agricultural plantations in Klang Dong Subdistrict, Pak Chong District, Nakhon Ratchasima Province. Supattra Vineyard is divided into 50 hectares of the seedless grape growing area by producing fresh seedless grapes. for eating fresh called this kingdom both

production and distribution of fresh grapes

Processed products from grapes and is also a new attraction of Pak Chong District. Plant up to 5 grape varieties, yielding alternately. Tourists who visit Supattra Vineyards can See the beautiful scenery interspersed with the mountains that can be seen up close, especially at sunrise and at dawn, is a very impressive sight. It is another important place to watch the sunrise. In addition, Supattra vineyards also have shops. For tourists who want to visit and taste Snacks and farm products. Supattra Farm has unlimited free tasting promotions all the time. In addition, tourists should not miss buying fresh grapes. And products made from grapes such as grape juice, grape pie, curry puff with grapes, grape ice cream, white grapes, etc. All of which are fresh and new products of good quality. These products are available at

the shop in front of the garden. And in addition, Supattra Vineyards also offer ATV rentals to visit the garden for tourists who are interested in Supattra Vineyards on both sides of the road, can visit both sides, but for ATV, there is a sign on the left side only. And most importantly, Supattra Vineyard offers advice on grape growing from more than 20 years of experience.

Interested parties can contact Khun Anannaphan (Sanit) Kamphithak, the grape planting at this plantation is to make beams on pillars arranged in rows of hundreds of meters in length. There are several rows, each row having gaps as wide as Under the vines, about 1.5 meters above the ground, can walk under it, an ATV might also be able to survive.
