08.15 Continue on a plane to John F. Kennedy airport with Qatar Airways, flight number QR701. This flight would take around 14.00 hours.

15.15 Arrive at John F. Kennedy Airport within the same day (New York is 11 hours slower than Thailand), get pass the immigration at the airport. In the past, John F. Kennedy airport was Idlewild airport, an international airport situated in Jamaica, Queens in the southeastern area of New York City. The airport is 19 kilometers away from Manhattan. In the evening, we would take you to the hotel.

Evening **Dinner at your own choice**

Night Check-in at a four-star hotel **Double Tree New Jersey** or equivalent for leisure time.

DAY 2 Grand Central Train Station – Empire State Tower – Rockefeller Center – Saint Patrick Cathedral (B /-/-

Morning Breakfast at hotel’s dining room, after that, we would take you **to Grand Central Train Station** which one of the oldest hubs for trains, subways and buses in New York, USA. The building is built into Beaux-Arts architectural style, which is a mixture of Neo-classical, Gothic and Renaissance arts that is popular in France from 1830 until the end of the 19th century. Moreover, the clock at the reception counter is a popular meet-up point. Then, we would take you to **Empire State Tower**, which was once the highest tower in the world from 1931-

1970. Nowadays, it is still a popular place for tourist due to its distinctive design which makes it beautiful both day and night time. At this tower, you can go up to 38th and 102nd floors to take the full 360 degree view of New York city, both with bare eyes and telescope.

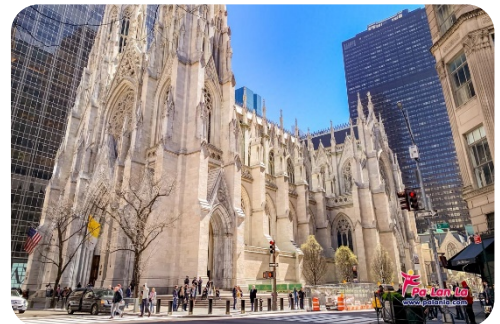

Noon

Lunch at your own choice

On the way to **Rockefeller Center**, the mall that is designed into Art Deco style which is developed from Classical art to be more modern by using trigonometrical shapes which are simple but strong. In this building, you can go up to 70th floor to take the full 360-degree view of New

York city. Moreover, in front of the building, there is an ice skate rink which would be decorated into Christmas theme during Christmas, on the top of the Christmas tree, there is a Swarovsky Star, and the tree would be decorated with LED lights. After that, we would go to **Saint Patrick Cathedral**, a white cathedral in the middle of New York, situated on 5th avenue street and between 50th and 51st streets. It is built in 1858 and officially opened in 1879

or about 140 years by Father John Hughes who receive a donation from around a thousand poor immigrants and around 103 celebrities to build this cathedral.

The Father has the will to build the most beautiful Gothic cathedral in New York city. Inside, the passage to the crucifix altar is about 100 meters in distance, along the passage there is a curved roof called Baldacchino and marbles pillars. Another

signature of this place is the huge rose-shaped mosaic window and the organ above the entrance door.

Evening [Dinner at your own choice](#), after the dinner, we would take you back to the 4-star hotel [Double Tree New Jersey](#) or equivalent for leisure time.

DAY 3 Time Square – Central Park – Statue of Liberty - Museum of Modern Art - Brooklyn Bridge (B/-/-)

Morning [Breakfast at hotel’s dining room](#)

On the way to **Times Square** which is a center of New York, it is situated in Manhattan. This square is named accordingly to the [New York Times](#) headquarter that is built nearby the square in 1904. This place is always crowded, full of people which gives the color to New York city. There are theatres, local shops, brand name shops, billboards. This place is also a place which events are held for the whole year. After that, we would take you to **Central Park**, it is a park in the

middle of New York which is considered the lung of New York, and also one of the important landmarks of New York. In each season, there will be certain events held to keep New York colorful, such as duck-shaped water cycle, outdoor theatre in the summer. In autumn, the temperature would be chilly around 10-18 Celsius, the leaves would change their colors into red and orange especially in Central Park. Tourist attraction in Central Park

consist of museum, playground, zoo, cinema, tennis court for people to relax in leisure time.

Noon

[Lunch at your own choice](#)

On the way to **Museum of Modern Art or MoMA**, a leading level museum of USA, the one and only museum in Manhattan which exhibit both modern and contemporary altogether. It is opened for people to visit since 7 November 1929. There are many types of art exhibit here such as architecture, sculpture, painting, photograph of many new-gen artists as well as the old-gen artists.

Moreover, there is a library which holds many masterpiece books around 300,000 books. Then, we would take you to **Brooklyn Bridge**, the first

suspension bridge in USA. The bridge is made out of stone and steel and hold by wire. It is 1,825 meters in length and 133 feet in height lies across East River. Previously, this bridge is called New York and Brooklyn bridge and East River bridge as it connects Manhattan and Brooklyn. In the past, this bridge is used for carriages and trains, then is restructured many times over and over.

Nowadays, only non-commercial

vehicles are allowed to use the bridge such as bicycle, personal cars. This bridge is considered the historical landmark of USA in 1964.

Evening

[Dinner at your own choice](#). After the dinner, we would take you back to the 4-star hotel **Double Tree New Jersey** or equivalent for leisure time.
