Then take you to **Art In Paradise** is

Thailand's first and largest 3D painting museum. In the world with its location in Pattaya, Chonburi Province, this museum is a fun interactive art museum where viewers can participate in pictures. Each of them represents the ability to create stunning 3D paintings or optical illusions. As if those pictures. It is a real-

life image. On an area of over 5,800 square meters of Art in Paradise, which used to be this old nightclub. There is a South Korean who has moved his family to settle down in Thailand, namely Mr. Shin Jae Yeoul (Shin Jae Yeoul) and 11 other partners from the same nation have raised more than 50 million baht. Convert this abandoned building into an art space where people can get involved or interact with art.

Museum. Several years ago, he and his friends had a project will come to open Pattaya Love Land, but not consider when the intention to This is a fun sculpture that tells the story of Sex, folded away. So, he returned to Pattaya again times with new ideas by having 6 artist partners return to persuade 6 other artists in South Korea to join together to help paint on the wall. But what will you choose to paint?

Every artist has been searching for information before. Thai people and foreign tourists visiting Thailand. I will be happy when I take pictures with paintings of any famous artist or are there any other drawings that should be added? All the paintings that were drawn were scattered into ten different rooms, namely the first room of illusion, the underwater room, the room of wild beasts. World-class artist painting room. Civilization, surreal art room Dinosaur room, bathroom falls, view room, and art exhibition room which this last part is set aside as an art exhibition area. Rotating for artists interested in exhibiting their works. Mr. Shin provided information that the 3D paintings drawn at Art in Paradise. It is a style influenced by French artists. But the artistic space is presented in this way. It has happened before in Korea, Japan, and China, but in Thailand it's different. The paintings presented are larger in size and contain a more diverse story while I want to make this place more than just a commercial art space. because I want to encourage people to do art have also presented their own work otherwise, He probably wouldn't have chosen Thailand as his second home and had a nickname in Thai as "Thai people".

In the evening You will have dinner at the restaurant.
