**In the evening** Take you to dinner at the restaurant .

**18:00** Then take you for a walk Phayao Walking Street, or as the locals call it, " Phayao

Him Kwan Walking Street " is located in front of Kwan on Friday nights, Saturdays and Sundays. On weekdays, it is located at the City Pillar Shrine. walking street with clothes Lots of snacks, such as meatballs, instant noodles, mango salad, and sushi. Walking street is another place for shopaholics who need to find opportunities to walk around and buy things. And there are also souvenirs from Phayao, such as pork caps, Nam Prik Num, Nam Prik Ong, and the walking street in Him Kwan Phayao. It is the

third must-see market in Phayao Province. This is to develop and enhance the distribution of community agricultural products. Local handicrafts, OTOP products and other community products such as organic vegetables, fruits, food, local food snacks wicker and consumer products in order to achieve the distribution of income at the foundation level to the people in the area and to strengthen, Increase the purchasing power of the local economy as well as to

promote tourism in another way by this market is considered  
 Anyone who travels to Phayao province and misses it. because  
 in addition to having a variety of items to choose from You will  
 also be able to experience the comfortable atmosphere with  
 the cool breeze at Kwan Phayao.

**19.00** It's time to take you back to your hotel. Free to invite  
 you to relax at your leisure.

**Day 2** Wat Sri Khom Kham Temple – King Ngam Mueang Monument – Kwan Phayao –  
 Tilok Aram Temple

(-/-/-)

**In the morning** **Have breakfast at the hotel restaurant.** After the meal, take you to **Sri Khom Kham Temple**, located on the bank of Kwan Phayao, Muang District, Phayao Province. Built around the 20th Buddhist century to enshrine Phra Chao Ton Luang biggest buddha and the oldest in Lanna land " Sri Khom Kham Temple " is the name used government, but the

villagers in general still referred to by the original name Phra Chao Ton Luang Temple or Thung lang Temple. Because there is a large Buddha image presiding over the temple which has a history that appears according to legends related to His Majesty the coming of the Buddha including the performance The Buddha made a prophecy about the creation of Lord Ton Luang. in the area of Nong lang It is assumed that Sri Khom Kham Temple was built around 1524

after the construction of a large Buddha image, which is now known by the mouth as " Phao Ton Luang ". It is a bronze Buddha image in the attitude of subduing Mara the 14x16 meter-wide lap face is now presumed to be the president of the royal temple. It is presumed to have been built

around 1491 during the Phraya Muang Yi Rong Phayao period (the 13th king of Chiang Mai's Mang Rai Dynasty). Later in the reign of Phraya Viceroy Chao Burirat made Construction of the temple, various seats, and later was set up as The temple was built in the reign of Phraya Tu. rule the city of Phayao Phayao people are The sacred Buddha image in Thailand In the sixth month of every year, there will be a worship event for Phra Chao Ton Luang. then take you to [King Ngam Mueang Monument](#) It is a landmark and monument.

Former King who ruled the city of Phu Kam Yao 9th during the around 1258 -1298 it was a very prosperous era.

Enshrined at Phayao Municipal Park (Suan Somdet Ya 90) in front of Kwan Phayao He was a monk who took an oath with King Mengrai of Chiang Rai. A monument that will make you remember the great kings of the past. and is an important person that Phayao people will never forget Pho Khun Ngam Muang was the 9th ruling monarch of Phu Kam Yao during the around 1258 -1298 which was a very prosperous era Most importantly, he was a monk who took the

oath of water with King Mengrai of Chiang Rai and King Ramkhamhaeng of Sukhothai The three kings were faithful to each other at the Ing River, which is the area of the present Phayao Inland Fishery Station. It is also believed that Pho Khun Ngam Muang is a powerful person. It is said that when he goes which way "The sun is hot, the rain is hot, let the sun be sunny will have to grind and grind" hence the name " Ngam Muang " and on March 5th

of every year there will be a ceremony to pay respect to King Ngam Mueang.

Noon **dine at the restaurant.**

In the afternoon, take you to [Kwan Phayao](#), located in Mueang Phayao District, Phayao Province. It is the 1st largest freshwater lake in the North and the 4th largest in Thailand. The word " Kwan " in the local language means " bung ". sight Surrounded by mountains, Doi Mae Jai which stands majestically on the west side In the evening and early morning, the colors of the sky and the beautiful river that fascinates like a painting It is an impressive picture of the atmosphere that is seen when visiting this Phayao city. Along Chai Kwan Road in Phayao City which one side is open to Kwan Phayao lined with coconut trees create an atmosphere like a seaside town People come to relax, sit and eat. Some go for a walk and enjoy the view exercise bike along with watching the atmosphere of the sunset over the calm water If visiting on weekends. Along the Rim Kwan restaurants were booked with tourists who came to eat and drink. Taste local food such as grilled fish, grilled shrimp, and dancing shrimp, which are lined up in many shops. Early in the morning at Rim Kwan Pier There will be people sitting in rows preparing to form small glutinous rice to wait for the daily offerings. For tourists, you can buy a deck of dishes. including glutinous rice in a bowl to put food offerings here at about 7 o'clock in the morning, monks will walk to receive alms in a line. before sitting in a place prepared to offer blessings to those who come to do it Merit for auspiciousness After making merit Tourists can take a rowboat to worship Luang Pho Sila in the middle of Kwan Phayao. There are life jackets for tourists to wear for safety. It takes about 20 minutes to travel back and forth " Luang Por Sila " is a sandstone Buddha image in the attitude

of subduing Mara, more than 500 years old, discovered in 1983 in the area of Tilok Aram Temple that was submerged under water. Therefore, the villagers were summoned to be enshrined at Sri Umong Kham Temple until 2007, so Luang Por Sila was brought back to enshrine at the site of Tilok Aram Temple, a monastery in the middle of Kwan Phayao. For tourists to take a boat to

worship and promote water tourism in Phayao After seeing the view of Kwan Phayao, take a boat ride. **Tilok Aram Temple** It is a temple that is submerged in water. There for had to travel

by boat one evidence confirming that Kwan Phayao area in the past used to be an ancient community is this archaeological site that is more than 500 years old, and from the inscriptions excavated around Wat Tilok Aram, it is stated that this temple is a temple that King Tilok is a temple. Royal The Lanna Kingdom of Chiang Mai graciously to Phraya Yuthishthira Mayor of Phayao It was built around the around 1476 - 1486, which should have

formed an ancient community at that time. Later in the year 1939. The Department of Fisheries has built a water gate in Kwan Phayao. in order to store water and cause many temples to eventually drown Including this Tilok Aram Temple that had to be immersed in Kwan Phayao

for more than 68 years, so the province of Phayao has summoned Luang Pho Sila. Tilok Aram Temple to be enshrined at the same point in the middle of Kwan Phayao so that people and tourists can take a boat to worship this Buddha image while enjoying the beautiful scenery.

Especially on important Buddhist days such as Makha Bucha Day, Visakha Bucha Day and Asanha Bucha Day.

Tourists who visit here will be able to watch the candle-

lighting procession around Phra That Chedi Wat Tilok Monastery in the middle of Kwan Phayao.

Which is regarded as the only water candlelight activity in the world

**In the evening, take you to eat at the restaurant.** After the meal, take you back to rest at the Aurora House Hotel.

**Day 3** Phu Nang National Park – Bangkok

**In the morning** Have breakfast at the hotel restaurant. After food, you can store your luggage for check out from the hotel and then take you to Phu Nang National Park It is located in Dok Kham Tai District, Pong District and Chiang Muan District. With a total area of 462,775 acres, the area consists of a complex mountain range. The fertile forests of Doi Phu Nang National Park It covers an area of 3 districts, namely Dok Kham Tai District, Pong District and Chiang Muan District. Which accounted for a total area of approximately 462,775 acres and with most of the terrain is complex mountains in addition to the general forest condition, there are dry evergreen forests, mixed deciduous forests and deciduous dipterocarp forests within the park. It is the habitat of various wildlife species such as sea turtles, monitor lizards and various types of birds, etc. Attractions within the park, believe it or not, the park. This has the most peacocks in the north, which is up to 265. This is the habitat of the last Thai peacock breed. The peacock found is a green peacock or a Thai peacock, a subspecies of Indochina. The breeding season of peacocks is in January - March and the most suitable time to travel is October – January because nature will be very beautiful during this time, soaked with Than Sawan Waterfall. Which is 300 meters away from the National Park. This is a medium - sized waterfall, 20 meters high, 40 meters wide, a 2 - tiered waterfall with water all year round. This Than Sawan Waterfall originates from Huai Song Sop, Huai Pong, Huai Un or Nam Bo Bia, which flows together to form Huai Mae Pang and fell into a pool of water bottom like a swimming pool the area of the waterfall is shady with colorful ornamental plants. Looks fresh and quaint, and nearby there is also a walkway to study the nature of Than Sawan Waterfall, a distance of 2 kilometers, takes 3 hours to walk to see the beauty of Huai Ton Phueng Waterfall Which is 11 kilometers from the national park looks like a small limestone waterfall. flowing down from a high

cliff 80 meters. The important thing is that there is water flowing all year round. Although the path to the waterfall requires walking for about 1 kilometer, it is a comfortable slope. Both sides

of the waterfall are shady and complete forests. Relax in Kaeng Luang, located above Kaeng Suea Ten in the Ban Pong Sanuk area It is about 30 kilometers from the office.

You can do white water rafting activities in the rainy season and when the drought water decreases. Will see the rocks in the middle of the river is a very beautiful scenery soaking up the view over Huai Yua Reservoir which creates a beautiful

picture that is perfect between the forest and the water You can watch the sunrise here. In winter, there will be fog in the morning, dazzled with Ta Fang, a natural phenomenon similar to the Phae Mueang Phi of Phrae Province. caused by the corrosion of water and wind power for a long time A strange sculpture was born. This is located at Village Moo. 4, Ban Chaisathan, Yuan Subdistrict, where the park has a house. Places to pitch tents and tents to serve tourists as well

11.00 Return to Bangkok in about 10 hours

21.00 Arrive in Bangkok safely...
