**Day 1 Travel from Bangkok - Sa Kaeo - Khao Chakan Arboretum - Wood house Khao Chakan
Mae Ya Som Temple – Phet Pho Thong Cave – Nakhon Tham Temple (-/-/-)**

06.00 Depart from Bangkok to Sa Kaeo Province Travel time is around 3 hours 30 minutes.

09.30 Take you arrive at [Sa Kaeo](#), and take you on a

journey to [Khao Chakan Arboretum](#). Welcome before walking up 300 steps to go up to the viewpoint of Khao Talu, which is the main point the principle of visiting here. Above is enshrined a large Buddha image. General tourists have gone up to pay respect to the auspiciousness of life when exploring the inner hill. These are full of little caves.

There are 72 large caves with different names, as follows: Tham Dam, Tham Hanuman, Tham Khao Talu, Tham Mahahing, Tham Nam Thip, and Tham Kaew Plai Chumphon, etc. Anyone who wants to visit a place that has a green atmosphere to add freshness to the body must definitely come here

and led everyone to continue their journey to [Wood House Khao Chakan](#), a famous coffee shop with a chill atmosphere in Sa Kaeo. The view behind him is of a capable mountain. Eye-catching limestone mountains The highlight of the restaurant is the bamboo walkway that stretches to the end of the mountain view. Among the fields of yellow starbursts and a variety of flower varieties that change rotation, where is the best angle to photograph? as well as to

decorate the place beautifully. Multiple photo angles both the tower for viewing from a high vantage point and the bamboo hut chairs with hanging legs, sipping cold drinks while looking at the view in front of them. In addition, in the evening, from 5:00 PM to 6:00 PM, millions of bats will fly out of Khao Chakan Cave to look for food sorted into a black line, tens of kilometers long. You can sit and watch in the shop in an amazing way. On the drink menu, there are bubble tea, Thai tea, green tea, cocoa, iced milk, Taiwanese tea, latte, cappuccino, and many other teas savory dishes such as papaya salad, Larb, fried chicken, and noodles are available to satisfy your stomach.

Noon Lunch at the restaurant

Afternoon Take you to [Mae Ya Som Temple](#) to pay respects to the holy things. For the

prosperity in the monastery, Ya Som, when arriving at the monastery, Mae Ya Som, pay respect to the statue of Mother Ya Som a Cambodian princess who married a Thai in Thailand and settled down at this place, and pay homage to many sacred things that are built large and beautiful, such as the 5 Buddhas, Phra Upakut, Ganesha, Thep Tanjai, the largest Rahu in the world, the great emperor Goddess Guan Yin, Brahma (Erawan), etc.

It is the center of faith in this monastery. Then they take you to [Phet Pho Thong Cave](#). It is located at the foot of Khao Lueam, Khlong Hat Subdistrict, Khlong Hat District, and has to walk up to the cave, a distance of about 700 meters, shady with forests and sandalwood trees that the community helps to conserve and plant more of the former that are about to become extinct. It was a medium-sized cave in a mountain that stretched

parallel to the ground. At the mouth of the cave, there is a cool wind blowing through the gorge into the cave, making it ventilated all the time. As a result, the cave is cool all year round. Inside the cave, the area is divided into 4 parts, namely: Point 1: A wide oval courtyard with soft white stones laid out like an elaborate natural point 2: A large tunnel that is always ventilated point 3: The room: pearl is decorated with diamonds The interior is dazzled with stalagmites and stalactites as a pagoda-shaped porch or a white oval shape that is glittering with sand flakes in the light of light point 4: Prasat Tham Phet Pho Thong Gate, which has a

smooth white stone at the entrance of the door and there are stalactites and stalagmites that look like Buddha images. This point is the highlight of Tham Phet Pho Thong and everyone must visit it to see the beauty and take you to [Wat Nakhon Tham](#), located in Tambon Watthana Nakhon District. The interesting thing about this Angkor Tham temple is "Luang Por

Khao" or "Luang Pho Poon", an ancient Buddha image in the posture of meditation, made of cement, sitting cross-legged, with a lap width of 130.9 centimeters and a height of 199 centimeters. It was discovered around B.E. 1925. There is no information about who created it and when. But there is a legend that when he was summoned by Luang Por Khao from the abandoned temple of Ban Chik in the year 1925, while being summoned, a monk saw in his eyes water flowing out. At the same time, it was raining heavily. In addition, within the viharn

Luang Por Khao is also enshrined a replica of the Buddha's footprint and relics brought from Wat Pamadulla Rajamahaviharn Ratnapura Sri Lanka.

new province of Thailand on December 1, 1993 to be the center of the people's minds. Therefore, it was decided to build a prang-style City Pillar Shrine in the perimeter of Kanchanaphisek Park, Tha Kasem Sub-district, Muang District, as well as to create a city pillar from the Chaiyapruet tree that has the

characteristics of ancient traditions with a circumference at the base of the tree of 120 inches, and a height of 229 inches, This is, therefore, the center of the minds of the Sa Kaeo people and take you to continue shopping at **Rong Kluea Market**. It is known as a shopping center for second-hand and second-hand products, including the largest cheap products one in Thailand, which will have products A variety of types

to go shopping. Whether it's clothes, shoes, jewelry, bags, electrical appliances, electronic devices, etc., there will be more than 3,000 shops to sell products in a dazzling way. This

means that the price will be lower at the general store. There are also some stores selling second-hand branded products at low prices. It is also reasonably priced.

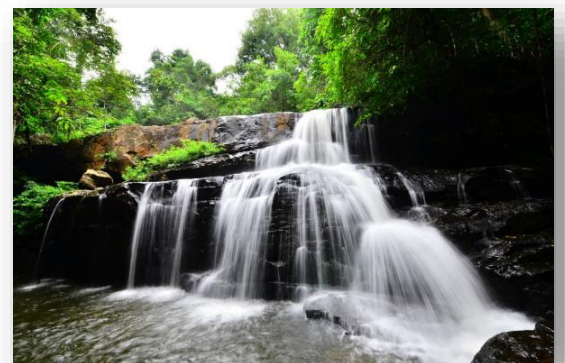

Noon **Lunch at the restaurant**

Afternoon Takes you to the next place **Sdok Kok Thom Castle**. The big and important archaeological site of Sa Kaeo Province It is also the largest Khmer archaeological site in the eastern region, located at Ban Nong Samet, Khok Sung Sub-district, Ta Phraya District. It is assumed that it was built in the 14th

century to enshrine idols and perform rituals according to cult beliefs. Hinduism the archaeological site consists of 3 castles facing east, surrounded by moats on 4 sides, with 2 glass walls, the outer layer made of laterite. The inner layer is made of sandstone. The castle is made of sandstone. In addition, what is considered an important discovery is the discovery of two

stone inscriptions inscribed with ancient Khmer characters. This is important evidence indicating the age of the construction of this castle, Sdok Kok Thom. It also tells us about the purpose of creating the second main inscription. Currently, both inscriptions are kept at the National Library of the Fine Arts Department.

Take you to [Pang Sida Waterfall](#). It is a waterfall that flows down from a 3-tiered rock about 10 meters high. During the rainy season, the water flows down into the ground, spreading its courtyard. It is very beautiful. Below is a pool of water. and a wide stone courtyard. The shady atmosphere is suitable for recreation. It has the most water during the rainy season, taking you to see the view [Tha Krabak Reservoir](#) will be used as a water source for farmers to consume here, it is still considered a recreational place where tourists come uninterruptedly. And there are many activities, whether it is playing water, riding a swan boat, or just chilling at the waterfront arch, looking at beautiful views of the mountains and reservoirs, for anyone who likes to take pictures, it is very suitable for taking a photo and changing your profile picture. Let me tell you that have stock for a long time. What makes many people fall in love with this place is probably the view of the setting sun that must not be missed. Sit and chill by the water and look at the sun. It would be a time to feel that we are relaxing.
