Day 1 Travel from Bangkok - Chumphon - Cera Cafe'garden - Thung Wua Laen Beach - Mai Kiam Bridge

(-/-/-)

06.00 am. Take you out of Bangkok to Chumphon. The travel time is approximately 6 hours.

At noon Have lunch at a restaurant

In the afternoon Arrive at **Chumphon**, take you to **Cera Cafe'garden**, a coffee shop with a good atmosphere. The origin of the shop's name is chic. The word Cera stands for

ceramic. The Garden is a decoration style that looks like a small garden filled with large, shady trees, very suitable for sipping coffee during the time of rest. The inside corner of the seat is organized into a soft sofa. An outside coffee zone that feels like sitting in the garden next to the house. There is a natural canal beside the shop. As a

result, drinking coffee and snacking here You will be able to experience the atmosphere in many ways, even if you come several times, you can choose to sit in a unique corner. This shop is not far from the new Chumphon Government Center. Making it a meeting place for teenagers to working age is not difficult. Take you to **Thung Wua Laen Beach**. It is a beautiful beach known as Pathio District. Located in Saphli Subdistrict 16 kilometers from the city, suitable for swimming in the sea Probably the most famous and beautiful beach of Chumphon. For this Thung Wua Laen beach with soft white sand,

fine, soft feet that stretch as far as the eye can see.

Thung Wua Laen Beach has always been one of Chumphon's top seaside attractions. The water at this beach is quite shallow and the beach sloping towards the sea little by little making this place suitable for swimming in the southern part of the mountain beach. It will look like a beach with many rocks. In addition, Thung Wua Laen Beach is also the starting point for diving in various islands in the Chumphon Sea, with many resorts

on the beach offering diving activities. And lead you to **Mai Kiam Bridge** located in Nong Yai Area Development Project, Bang Luek Sub-district, Mueang Chumphon District, Chumphon Province, is a bridge located within a large pond that is the monkey cheek of the project. It is made from chimney wood Hardwood that is abundant in the south, sure enough. This makes it both tough and resistant to both freshwater and saltwater. It is more than 291 meters long. The bridge connects to a small island in the middle of the pond. It has an

arc that looks very strange from the original bridge. It is considered a photo-shooting corner that must not be missed. Highlights of the Mai Khiam Bridge are the time of the morning. The sun rises and during the evening when the sun is about to go down. It will be a period with the most beautiful view. It can be said that there are ten pictures of each other. It's a picture by that evening We will see the golden light reflecting on the water surface. It is a magnificent picture that is very difficult to find.

6:30 p.m. **Have dinner at a restaurant**

7:30 p.m. Take you on a journey to stay at **Nana Buri Hotel** for Check In or equivalent, invite you to store your luggage. and rest at leisure.
