- 9.40 A.M. Take you on a journey **Have breakfast at Khao Tom Kosut restaurant (1st meal)**
- It's time to take you to the Phraya Ratsadanupradit Mahisorn Phakdi Museum. We'll start with a visit to **Phraya Ratsadanupradit Mahisorn Phakdi Museum (Kho Simbe Na Ranong)**. Phraya Ratsadanupradit Mahisorn Phakdi Museum is a historical landmark. This is the old house of the governor of Trang. or the residence of the former governor of Trang "**Phraya Ratsadanupradit Mahisorn Phakdi**". It looks like an old two-story wooden house, hippo-shaped, gloomy blue, hidden amongst shady trees. This is a house in the style of a governor or governor in the old days. The house is divided into clear proportions. Including a living room, office room, spacious kitchen, and there is also a bedroom located upstairs. In the middle of the ground floor house, there is a wax statue of Phraya Ratsadanupradit Mahisorn Phakdi for visitors to pay homage. In addition, each corner of the house has a complete set of tools and appliances in your daily life by the heirs of the Na Ranong family as a caretaker. Invite you to take photos at your convenience with **the first rubber tree in Thailand**. When Phraya Ratsada was the governor of Trang. In those days, rubber planting was promoted throughout the city. The villagers in Trang were given rubber seed distribution, so they called it "Yang Thesa", thus Phraya Ratsada became a "**Father of Thai rubber**". Nowadays, Kantang Municipality has declared that Kantang is the birthplace of rubber plantation occupation in Thailand. Nowadays, there is a rubber tree that is a memorial for future generations to learn and study the great history through this first rubber

tree in Thailand. It's time to bring you to see the old train station, and vintage beauty "**Kantang Railway Station**". This is the last railway station of the Southern Railway in the Andaman Sea. It is located on Na Khai Road, Kantang Subdistrict, Kantang District, Trang Province. It was officially opened on April 1, 1913. The station is a single-story wooden building, hip-shaped, painted in mustard yellow and brown, divided into two parts: the building and the platform to the front of the building has a cantilevered porch decorated with openwork patterns on the corners of the pillars. The old folding door retains its original identity since the reign of King Rama VI. It is especially beautiful. Kantang Railway Station is now registered as a historical site by the Fine Arts Department and Kantang Station, there is also a famous coffee shop called "**LOVE STATION**". The shop is decorated in yellow. Similar to Kantang Station, vintage style. On the side of the road, there is a small flower garden. The wall hanging a whole old bicycle. There are seats in the front for chilling. Inside, there are a lot of antique decorations. Suitable for shooting the drink menu here is not to be missed. It is a light mango smoothie that is the most commonly grown and most prominent variety of Trang Province or chooses to taste delicious coffee in a chill atmosphere. Give you freedom as you wish.

At noon

Have lunch at Lor Kung restaurant (meal 2), very tasty, full of flavor, topped with super, a giant plate. "**Lor Kung Shop**", a famous **Rad Na restaurant in the district, opened more than 50 years**. It is a shophouse with 2 booths located along the road, looks normal. But the deliciousness of this place is extraordinary. There is also an "open kitchen" in front of the shop. Showcasing the freshest ingredients and skillful cooking style of the chef. Therefore, ensuring that each dish is delicious and clean. If you come to this shop, you must not miss tasting. "Pep Phitsadan" which is a famous dish that the restaurant has to say is "**Rad Na Ya Yak**". It is a large rice topping with kale. packed full of big shrimp tender squid Fishballs. Special recipe of the shop. and crunchy chewy fish maw as for the toppings at the restaurant, it's delicious and intense like no other. Delicious and mellow without cooking. After enjoying a giant plate of topping takes you back to Mueang Trang District to check-in to the hotel. Along the way, take you to see **street artworks** hidden in the alleys of Kantang Municipality. which has many points under the concept Kantang Colorway through popular spots.

Passing visit point 1: Bride Yaya Baba, old wooden shophouse on Ratsada Road near Pakistan mosque.

Pass by visit point 2: Here Kantang, the painting on the wall of Ice Café Kantang, located on Ratsada 1 Road.

After entering Mueang Trang District along the way. You will experience the atmosphere, lifestyle, and lifestyle of the Trang people. Which is an old building of Sino, Portuguese, and ancient Chinese architecture. Visit the beauty of **Trang Church**, an old Christian church almost a hundred years old that has been registered as a national historic site. Its appearance resembles an ancient military fort. The building is a non-structural reinforced concrete structure. except for the later addition of the bell tower. The walls and columns were made of bricks. The roof is an applied kite tile. The distinctive feature of this church is the distinctive yellow color of the stucco, adding a classic look to this beautiful church, and has a vintage. In 2009, this Christian Cathedral building won outstanding preservation of art and architecture types of sanctuaries, and culture as well. Free for you to take photos at your leisure. Bring you to stay at **Thamrin Thana Hotel or equivalent**, and your free time.

In the evening **Have dinner at a famous restaurant. "Pu Ma Seafood Party" (3rd meal)**

Seafood restaurant in town modern atmosphere like sitting by the sea. The menu features only seafood, which is sourced directly from the Trang Sea. This shop doesn't use MSG. Spicy seafood sauce, fragrant, chili, pounded by hand, put soy sauce (lamb brand), condiments, a good thing of Trang for you to taste food from the sea of Trang. Bring you back to the hotel invite you to relax at your leisure.

Day 2: Khuan Tung Ku Pier – Koh Kradan – Emerald Cave – Koh Mook – Ao Nang Fa

In the morning **Have breakfast at the hotel restaurant (4th meal)**

Check out from the hotel. The van is waiting to pick you up and head to **Khuan Tung Ku Pier**.

Arrive at Khuan Tung Ku Pier. Take you on a private long-tail boat. Heading to the Andaman Sea, Koh Kradan. Take you to check-in and store luggage at **The Seven Seas Resort**. Koh Kradan is free for you to relax and change the mood. as well as a change of clothes for a diving trip

Note: Due to the area of The Seven Seas Resort, there is no pier. (May need to be slightly wet) in case of high water Long-tail boats can be docked directly in front of the resort's beachfront. In the event of low tide, the boat will not be able to land. Long-tail boats must be parked about 200 meters from the resort. You will have to walk down to the resort with the resort staff to assist you. In the case of a reserved room, the customer hasn't checked out yet. for you to store your luggage and change the outfit in the allocated area.

Everyone gathered in front of the beach of the hotel. Take you on a long-tail boat to the **Emerald Cave, Unseen in Thailand**. The highlight of this emerald cave is mouth of the cave we will see the sunlight reflecting the water onto the cave wall, it will be seen as an amazingly beautiful emerald color inside the emerald cave. There will be a crescent-shaped beach. It looks like a crater on top. can look up to see the sky and this is the charm of the Andaman Sea. for you to keep the picture as a souvenir and playing in the water at leisure (Items are subject to change. depending on the tide level each day)

It's the right time to bring you to **Koh Mook**, the 3rd largest island in the Trang Sea, white sandy beach, clean and quiet for you to enjoy swimming on the beach. With lunch box at the beach.

At noon

Lunch box at the beach (5th meal)

Take you to Ao Nang Fao or Ao Niang, a spot for snorkeling and clear water. Spot many fish especially tiger fish, butterflyfish, parrotfish, and many intact corals. It's time to take you to **Koh Kradan**, which is known as the most beautiful. Also, the island of love. Because it was chosen as the venue for the underwater wedding ceremony on February 14 every year. You can relax and sunbathe in the resort area or whether a walk in the water, which has a white sandy beach The water is so clear that you can see coral reefs, shallow water, as well as a variety of fish species. Which is rich in natural environment let you feel full and feel the real nature.

In the afternoon **Have dinner at the resort's restaurant (meal 6)**

Rest **Stay at The Seven Seas Resort or equivalent.**

Day 3: World Geopark Museum – Urai Thong Cave – Time Zone – Time Bridge Viewpoint

In the morning **Have breakfast at the resort's restaurant (meal 7)**

Check out from The Sevenses Resort and take a memorable photo.

Take you ashore at the Kuan Tung Ku jetty, an air-conditioned van is waiting to pick you up, heading to the World Geopark at Satun Province.

Take you to find the answer **World Geopark Museum after Satun Geopark**. It has been declared by UNESCO. It is the first global geopark of Thailand (Satun UNESCO Global Geopark), the 36th in the world, and the 5th in the ASEAN region. which is a study center to learn about the natural evolution of rocks, aquatic animals, fossils geological changes including antiques and archeology, which are collected on display within the museum. There is a story that connects the value of the land with the way of life. That is important to the nation.

At noon

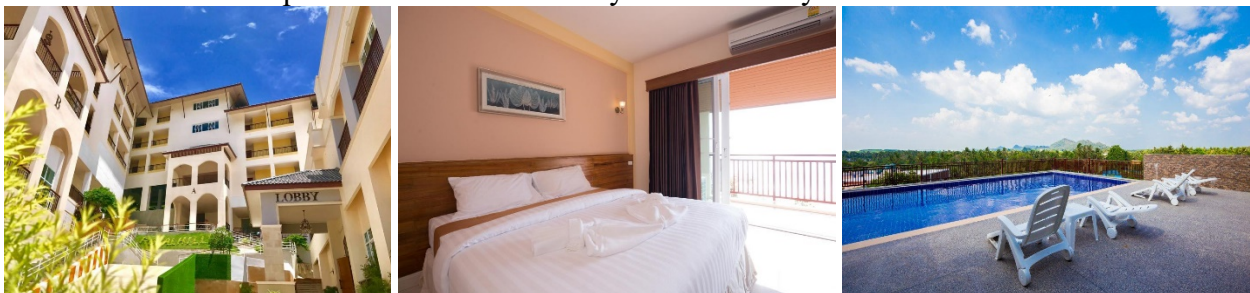

Have lunch at Somtum BY POOPU (meal 8)

After eating, we will take you to see the beauty of stalagmites and stalactites. One of the tourist attractions is the **Urai Thong Cave**. It is a cave with biological wonders. It is a limestone mountain range, causing the inside of the cave to have a cool breeze blowing all the time. Guide you along the bridge of stairs. Entering the area inside the cave is filled with stalactites and stalagmites. The bottom part of the cave is a long tunnel through the cave. They can reach each other. This area is where many ancient human and animal bones were discovered. From small to large animals and aquatic animals such as elephants, rhinos, zebras, which are about 4-5

thousand years old, including shells that have been deposited for a long time which still have traces for us to see along the way.

Take you to check-in at **Royal Hill Satun Hotel**. It is a hotel located on the mountain and next to the sea. The decor gives a warm feeling that blends with the Thai aura and sits and enjoys the view of the Andaman Sea and the nature of the national park. Petra Islands invite you to relax at your leisure.

Everyone is gathered in the hotel lobby. Take you on a journey to the time-lapse coffee shop **“Petra Cafe”**. Experience the long natural paths along the coast. The time zone area and watch the most beautiful sunset at the time bridge viewpoint. Take you to check-in **Timeless coffee shop at Petra Cafe** decorated in natural style with atmosphere. Focusing on the conservation of nature using eco-friendly containers. Coffee beans come from the Royal Project. Give you free time to relax.

You can sit and drink coffee or sit and relax or admire the beautiful sea view. You can see the way of life of fishermen sailing past **Timeless**. This is one place to visit. World geopark Due to its outstanding geology, it is the area where rocks of different ages are found in two eras: Cambrian red sandstone 541-485 million years old and Ordovician pun stone. Approximately 485-444 million years old. The touch of such rocks is caused by the sliding of the earth's crust. That is clear and hard to find. It is as though we are only one step forward from the Cambrian to the Ordovician. Free time to take a walk on the nature trail bridge that stretches along the coast. And have a lot of fun scouring for fossils or fossils of marine animals such as ancient sea squids (nautiloids), sea scallops (crinoids), and lamp shells. (Brachiopods) and take a photo check-in at the time bridge viewpoint. Indulge in the setting sun is preparing to go down the horizon into the sea at the horizon. Ready to take a picture as a souvenir.

In the evening **Have dinner at Krua Pak Nam Sea & Coffee Paradise (meal 9)**

Bring you back to the hotel and your free time.

Day 4: Visit Bo Chet Luk archaeological site – Thale Waek – Prasat Hin Phan Yod – Ao Fossis

Viewpoint – Heart at the Tip of the Cliff – 18 million Viewpoint

In the morning **Have breakfast at the hotel restaurant (10th meal).**

Take you to Bo Chet Luk Community Pier to visit the magnificent castle in the middle of the Andaman Sea. Arrive at Bo Chet Luk Pier with check-in and change of clothes on your luggage at the Bo Chet Luk Community Office. Before taking you to board the boat to visit the archaeological site of **Bo Chet Luk**. It is well made of concrete interlocking bricks. The villagers who migrated to live here dug 7 wells for drinking and had to dig up to 7 wells before the water came out. The origin of this

village nowadays, all 7 ponds are still in perfect condition and are preserved as ancient sites.

Long-tailed boats sail from shore heading to the beach in the middle of the sea at **Thale Waek or Dragon's spine**. The wonders of the Satun Sea caused by the deposition of millions of shells remains the distance of the route is more than 4 km. During low tide, red pebbles will rise above the water, you will see the beauty of the red pebble hills rising above the water in the middle of the Andaman Sea. The specialty of the dragon's spine is that the dunes are filled with various types of shells that have been deposited in a glittering way. It is a fascinating and wonderful thing in Thailand that should be visited.

It's time to take you on a long-tail boat to head to Khao Yai Island. When we arrive in front of the Khao Yai islands, take you to kayak on the crystal-clear water to **Lod Phop Rak Cave**, which used to be the filming location for Mom Chao Chatree Chalerm Yukol's movie "Blue Sky". It is the scene where the heroine and heroine meet. It is the story of the fishermen who insert local wisdom and conservation of natural resources as well.

When passing through Lod Phap Rak cave, you will find the only unseen wonders in Thailand. The hidden gem of beauty in the middle of the sea is **Castle Hin Phan Yot** that nature is created by the erosion of rocks by rainwater until it turned into a strangely beautiful, pointed stone bar, similar to the top of a fairy-tale castle. Which are the highlight and must-see points of visiting the World Geopark give you time to be free and take photos while enjoying the view.

Take you to Ao To Ba by long-tail boat.

At noon Arrive at **Ao To Ba**, have lunch box (meal 11)

After having a full meal, we will take you to **Fossils Bay Viewpoint**. With a glimpse of the cemetery of nautiloids straight and coiled in a circle More than 450 million years old, which are found in abundance in the limestone. both the ancient sea waves nautiloid fossils and Ordovician limestone All are evidence that Satun land used to be an ancient sea aged 495-470 million years ago, and another that should not be missed. It is to travel up to see and take beautiful pictures at the heart at the end of the cliff or the Andaman heart.

It's time to take you on a journey to **Talokara Bay** Let you be free and relax and swim freely. Take you through the **grandfather and Grandmother's Rocks** and listen to the legend of Samphao Petra. by local guide on the way, see the scenery of the Andaman Sea.

Arrive at the seven wells pier You can wash and change your linens here and then return to your accommodation.

Depart from the accommodation, take you to taste and buy local **snacks at Pak Bara Pier from Pak Bara**

housewives group, which has a variety of local sweets, but they are famous. It is a snack that is crunchy with fish filling. and potpourri dessert It is an ancient dessert that is hard to find and has beautiful colors that invite you to try it for you to buy as a souvenir.

Stop by and have a cup of tea Come to Satun, you must not miss it at **Cha Chak Pak Bara**. (Able to buy and choose food tasting products) The origin of Cha Chak originated in Satun Province. The brewer will put the ingredients in the tea cylinder mixed with the tea style show from high to low uninterruptedly. Make the tea ingredients go together well. It has a mellow sweetness. Fragrant and has soft bubbles, ready to serve with roti. Take you to check-in at Pak Bara viewpoint. Also known as the **18 million viewpoints**, stop by to take a commemorative photo with the giant umbrella lagoon. With the word **PAKBARA VIEWPOINT** and letting you stroll and wait to watch the sunset at Pak Bara Beach, the charm lies in the beauty of the golden scenery overlooking Koh Tarutao on the Thai side and Langkawi on the Malaysian side.

In the evening **Have dinner at Krua Rimlay Pakbara Restaurant Krua Rimlay Pakbara (meal 12).**

Bring you back to your accommodation and your free time.

Day 5: Buy famous souvenirs of Trang Province – Tantaiyapirom Temple – Trang Airport – Bangkok

In the morning **Have breakfast at the hotel restaurant (meal 13)**

Check out from the hotel and bring him back to Muang District, Trang Province.

Stop by and buy a famous **Rucci cake of Trang at a Loet Rot shop**, an old cake shop that lives with the people of Trang.

Take you to pay homage to monks for good fortune before returning to **Tantaiyapirom Temple**. It is the priceless temple of Trang Province. It was built in the reign of King Rama V, as well as being a place for the Pipat Sattaya water ceremony in 1918. The Ubosot is a brick building with cement in Thai style according to the Department of Fine Arts' style. And the outstanding feature of this temple is the white chedi with alms bowl with gold-trimmed stacked 5 layers, similar to the shell, the only chedi in Thailand that was built according to the wishes of His Majesty King Bhumibol Adulyadej Adulyadej.

Take you to buy souvenirs that are famous in Trang Province. **Khanom Pia Soi 9 is a shophouse** that has been open for over 20 years and is the most famous shop in Trang Province with its original thin crispy dough recipe.

The most famous filling is Taro, and Salted Egg Yolk and grilled pork patties, the restaurant's special recipe

Received admiration from almost every voice of Trang people.

At noon **Bring you lunch at Mee Hokkian Che Ju (meal 14).**

2.30 P.M. When it's time, take you to **Trang Airport.**

3.00 P.M. Arrive at Trang Airport to take a plane back to Bangkok.

5.35 P.M. Depart from Trang Airport to Bangkok by **Thai Air Asia flight FD 3246** (approximately 1 hour 20 minutes)
