

Siam Arts and Crafts Co., Ltd.

Art Supplies Manufacturer

We are a Thailand based manufacturer specializing in affordable Art Supplies.

About Us

Siam Arts and Crafts is an Art Supply manufacturer established in Thailand to leverage the developing productive capacity of SEA. We currently operate two factories in the Bangkok area, our DC factory and our STC factory.

Our main products are paints, brushes, glue guns, pencils, canvas frames, sketchpads, and wood plaques. We can also assemble art sets and PDQs as well as source other items at a competitive price point through our highly developed supply chain.

As a testament to our capacity, our products can be found in major retailers throughout the US including Walmart, Costco, Target, and Dollar General.

DC Factory

Our First Location

Our 2,400 square meter DC factory is our first established factory in Thailand. Located in the DC Industrial Complex opposite of TATA Motors, this factory acts as our base for plastics, paints, and packaging. The equipment located here includes injection machines, paintbrush machines, automatic packing machines, die cutting machines, paint mixers, and many more.

STC Factory

Our Second Location

Our 6,600 square meter STC Factory is our second factory in Thailand. Located in the STC Industrial Complex near Siam Capital Wharf, this newly established factory acts as our base for our wood products, canvas frames, and our glue guns. The equipment located here includes wood surfacing/planing/cutting/vacuumping machines, automatic frame assembly and packaging machines and many more.
