Road Barrier

สินค้าและผลิตภัณฑ์ไม้กั้นประตูเข้าออก

FEATURE

- A professional road barrier for light-medium traffic situations
- Constructed with an aluminum alloy chassis
- Can be mounted either left or right hand side roadway
- electronic limit switch
- Fast and easy manual release
- The support fork is provided

SPECIFICATIONS

RB02A Low speed barrier gate operator
Barrier arm length L≤6 meters
Rise/ fall time of barrier arm 6 seconds

TECHENICAL DATA

Voltage (V)	220VAC
Power (W)	370W
Insulation level	E
Motor working temperature	-30°C~+70°C
Operator weight	45KG
Barrier arm central height	80CM

HV-BR01

HV-BR02
