

3 dimmer outputs 1/10V

TX211A

Technical Properties

Number of outputs	3
type of connection	with screw
Connection cross-sect. flexible cable	1 / 6mm ²
Connection cross-sect. rigid cable	1,5 / 10mm ²
Number of modules	4
System supply voltage	30V DC via bus
Operating temperature	0 to 45 °C
Storage temperature	-20 to 70 °C
Protection index IP	IP20
