

AWAC®

OL20-270NR

Dehumidifier

Full Water Quantity
5.5L

Product Name	Model No.
Home Dehumidifier	OL20-270NR
Technical Parameters	
Power Supply	220V-240V/50Hz
Power Supply	220V-240V/50Hz
Power Consumption	380W
Rated Current	2.1A
Dehumidify Capacity	20L / Day(30°C,80%)
Full Water Quantity	5.5L
Noise	≤45dB(A)
Air Circulation	180m ³ /hr
Refrigerant /Charge	R134a/160g
Working Temp.	5°C-35°C
Recommend Room Size	20~30m ²
Control Type	Electronic
Status Indicator	Buker full signal light
Timer	1-24hr
Auto Defrost	Yes
Ionizer	Yes
Body Size(mm)	335*240*587mm
Package Size(mm)	385*286*625mm
Net Weight	15kg
Gross Weight	16kg
Functions and Features	
1, Rolling Piston Compressor	2, Three-Minute Automatic Delay Protection of Compressor
3, With 5.5L big water tank	4, Humidity Control(40%-80%)
5, With autol restart function	6, Auto stop and warn with indicator light when water tank is full
7, With 1-24 hours timing function to set time when to turn on and turn off	8, Remind to clean the air filter with indicator light when the running time reach 600 hours
