Net Weight	18.0kg/box						
Performance	Wear Resistance (EN649) Group T						
Recommended Adhesive from TOLI	dried mortar and concrete	Eco AR600					
	humid mortar and concrete	Epo Gray ST, US Cement, US Cement (less-smelly), US200, US300T					
Notes on Installation	<ul style="list-style-type: none"> Before installation, make sure the arrow marks on the back of each tile, which show the direction of the pattern. For one week after installation, direct sunlight, sudden change of temperature due to air conditioning, and water washing should be avoided. The color shading differs on a tile-by-tile basis, which will make the floor look very natural when the tiles are installed. 						
Recommended Maintenance Wax from TOLI	New FB Wax, U Wax, T Wax (Non-shiny & Antibacterial)						
Custom Order	If you ask for a different size or wear layer, please contact TOLI sales rep.						
Others	<ul style="list-style-type: none"> When you use 2 sides beveled tiles where you take off your shoes (e.g. in the residence), beveled parts may cause damages on your clothing and so forth. Putting on slippers or indoor shoes is recommendable. Please be aware that some rubber casters might cause color-contamination. Please note that the product has the indigenous odor from its materials. Occasionally a very slight size difference could be seen between different production lots. For designed installation of 4-sides-beveled tiles, or installation of tiles with the shape of hexagon, trapezium and 900mm square, please adjust the size of a tile as needed. Otherwise joints should be finished with caulking compound. 						

MADE IN JAPAN

Based on intensive research on authentic texture of natural stones and wood-grains, realistic natural tones have been reproduced.

ROYAL STONE NONS (450mm square)

category: solid vinyl tile

LVT with excellent non-slippery performance.
Green product with "ECO Mark"-certified.

Specification	overall thickness others	3.0mm Surface Clear Wear Layer 0.3mm	size 450mm×450mm
---------------	-----------------------------	---	---------------------

Packing	14pcs/box = 2.83m ² /box	Dimension	W 462mm × L 473mm × H 51mm
Net Weight		15.0kg/box	
Recommended Adhesive from TOLI	Wear Resistance dried mortar and concrete humid mortar and concrete	(EN649) Group T Eco AR600 Epo Gray ST, US Cement, US Cement (less-smelly), US200, US300T	
Notes on Installation	◆ Before installation, make sure the arrow marks on the back of each tile, which show the direction of the pattern. ◆ For one week after installation, direct sunlight, sudden change of temperature due to air conditioning, and water washing should be avoided. ◆ The color shading differs on a tile-by-tile basis, which will make the floor look very natural when the tiles are installed.		
Recommended Maintenance Wax from TOLI		New FB Wax, U Wax, T Wax (Non-shiny & Antibacterial)	
Others	◆ Please be aware that some rubber casters might cause color-contamination. ◆ Please note that the product has the indigenous odor from its materials. ◆ For the dirt and stains stuck on the surface, apply the neutral detergent and remove them by the brush with thin bristles. Afterwards clean with a vacuum cleaner, a wet rag wrung out tightly, or a mop. ◆ Before applying the wax for maintenance, buff the floor surface sufficiently with a blue pad. Please bear in mind that thick coating of wax will lessen non-slippery performance. If the slip-retardant effect to oil should be required, do not apply the wax on the surface. ◆ ROYAL STONE NONS is for the place where you walk with your shoes on. Do not walk on it without your shoes on. ◆ The gloss levels on the 4 sides are not always even. ◆ Due to non-slippery finish of a tile, the surface of the furniture and fixtures facing the floor may be abraded faster. That depends on their materials. ◆ In the environment where oils always adhere to shoe soles, non-slip finish on the surface cannot perform well.
