ROYAL WOOD NONS (150mm×900mm plank)

category: solid vinyl tile

LVT with excellent non-slippery performance.
Green product with “ECO Mark”-certified.

Recycle

Specification	overall thickness	3.0mm	size	150mm×900mm
	others Surface Clear Wear Layer 0.3mm / Round-Beveled			
Packing	20pcs/box = 2.70m ² /box		Dimension	W 162mm × L 920mm × H 68mm
Net Weight	15.5kg/box			
Recommended Adhesive from TOLI	dried mortar and concrete	Eco AR600		
	humid mortar and concrete	Epo Gray ST, US Cement, US Cement (less-smelly), US200, US300T		
Notes on Installation	♦For one week after installation, direct sunlight, sudden change of temperature due to air conditioning, and water washing should be avoided. ♦The color shading differs on a tile-by-tile basis, which will make the floor look very natural when the tiles are installed.			
Recommended Maintenance Wax from TOLI	New FB Wax, U Wax, T Wax (Non-shiny & Antibacterial)			
Others	♦Please be aware that some rubber casters might cause color-contamination. ♦Please note that the product has the indigenous odor from its materials. ♦For the dirt and stains stuck on the surface, apply the neutral detergent and remove them by the brush with thin bristles. Afterwards clean with a vacuum cleaner, a wet rag wrung out tightly, or a mop. ♦Before applying the wax for maintenance, buff the floor surface sufficiently with a blue pad. Please bear in mind that thick coating of wax will lessen non-slippery performance. If the slip-retardant effect to oil should be required, do not apply the wax on the surface. ♦ROYAL WOOD NONS is for the place where you walk with your shoes on. Do not walk on it without your shoes on. ♦The gloss levels on the 4 sides are not always even. ♦Due to non-slippery finish of a tile, the surface of the furniture and fixtures facing the floor may be abraded faster. That depends on their materials. ♦In the environment where oils always adhere to shoe soles, non-slip finish on the surface cannot perform well.			

MADE IN JAPAN

PWT3324

Based on intensive research on authentic texture of natural stones and wood-grains, realistic natural tones have been reproduced.
The color number marked with ♦ has a Natural Tone pattern.
