

Products name : Trigger Coil

Using high quality wires and sealing techniques, the trigger coil provides a stable and high trigger power source for normal operation of the flash tube. There are various models to meet different customer needs.

Type.No	C-3A
Specification	
Input Voltage (V)	200
Output Voltage(V)	4K
Capacitor(uF)	0.047
Bobbin(mm) Φ mm h mm	8
	10
Color	green
Remark	Three legs
