

2 of the reasons
why all good foreign creative people
have to find a way to speak the truths out

(I wrote these truths from 21 April 2022 to 25 April 2022,
and posted them on My website on 25 April 2022)

2 of the reasons why all good foreign creative people have to find a way to speak the truths out;

1) To help My words to have enough weight for Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy to believe.

The God told Me “The Satans have let some foreign creative people who join the devil’s dirty plan have a chance to talk to Will to deceive Will into waiting”

The God told Me “Taylor Swift has participated in the devil’s dirty plan since she was a girl as she was **“born to be”** a devil. Because she has joined the devil’s dirty plan, so she became “a super star” She sings the song “Fearless” and “Love Story” because she **knows** “Kay knew the solution” But because of her thought “How the best Kay is!” and she has had an evil ambition to be a princess, so she strongly wants to see You **pass over**. Thus, she tricked Will into waiting at a charity night by the lie “The God told us to wait”. And because her lie matched to Will’s beliefs, so Will immediately believes her lie.”

The God told Me “Will has still had full of confidence “I’m right” because he actually believes that he is a Prophet the same as You. **He interprets the song “She Will Be Loved” sung by Maroon 5 “She (and) Will be Lord” not “She will be Lord”**. And he was tricked into strong believing “I am a Prophet the same as Kay” as the song “Greatest Love of All” sung by Whitney Houston starts by pronunciations “I believe the children are our future. Teach them well and let them lead the way. Show the mhor the built did they both sent inside”” (“Mhor” is the pronunciation of a Thai word which means “doctor”)

And do you know The God told Me “Will has thought “Kay was fooled” because **“If Kay tells us the truths, why no good foreign creative person says anything?”**”?

2) To save yourselves from conviction of the felonies and the genocides that have been occurred since the end of November 1999.

I told you;

“What pimp king Bhumibol and the satanic Chakri dynasty have suggested Joe Biden, Biden family, the former US. presidents, and all evil government officers in the US. Government to alibi. And the government of your country can follow suggestion of pimp king Bhumibol and the satanic Chakri dynasty by creating false evidence to incriminate you who are innocent.”

“I will proceed my cases against some creative people such as Taylor Swift, Mariah Carey, and Sarah McLachlan to ***Muslim court***”

“What the questions of Muslim judges will be”

and

“What My guidance is”

Another guidance is that if you send an email to tell the truths to Max Foster, you should request Max in the email “If you get my email, please reply my email to help me to know that my email is received”

You knew that ***I am The Only One Latest Prophet of the current millennium***. And The God told Me “Prince William won’t definitely call You on Your birthday 2022” to tell you inasmuch as The God truly wants you all to know how excellence in deception of almost all Thai is, and ***you all will learn to listen to Me***. ... Have you ever listened to the song “Save the Best for Last” sung by Vanessa Williams? Some pronunciations of the song are “Some “silly girl” have set you free”, right? (Vanessa does not pronounce “silly girls” ☺☺) So, ***is it your time to follow Me?*** ☺☺
