

Topic 2: Clothes (www.angelkaybabygirl.com)

After the God had finished creating the world, the God gave “clothes” in order to “close” the body of the first man and the body of the first woman. I am shy about showing my body, so I seriously believe that the God really wants to see you be careful about revealing your bodies too. I really think that clothes protect us from sunshine, wind, cold, diseases, sexual harassment, and rape.

If you show your body, and somebody cannot control themselves, and later sexually harasses an innocent person, such as a girl, a boy, or an elderly person, how will you feel? If you are the main reason to make somebody sexually harass an innocent person, do you still feel indifferently?

I sincerely believe that the God really wants to see you keep your body from other’s eyes, and reveal your body to only your husband or your wife because your husband or your wife is an extraordinary one in your life. Showing your body again and again will decrease your self-respect, and finally, you will become aggressive.

At the beginning of the world, the God gave us “clothes” in order to “close” our bodies. Please think, if the God did not give us “clothes” in order to “close” our bodies, why is “c-l-o-t-h-e-s” spelled and pronounced similar to “c-l-o-s-e”? I seriously believe that letter “t” in “c-l-o-t-h-e-s” is “Tidy” and letter “h” in “c-l-o-t-h-e-s” is “Human”. It means “make humans tidy”.

At present, “c-l-o-t-h-e-s” “c-o-v-e-r” or “c-l-o-t-h-e” our bodies. I really think that letter “e” in “c-l-o-t-h-e-s” is “Ethics” and letter “s” in “c-l-o-t-h-e-s” is “Sins” and “Show”. You have to choose between “Ethics” and “Sins”. The truth is the letter “e” comes before the letter “s”, and the word “c-l-o-t-h-e” is spelled without the letter “s”. As a result, you should choose to clothe by ethics. However, I strongly believe that in the word “c-o-v-e-r” in this case, “co” is “Company”, letter “v” is “Virtue” and “er” is “comparative degree”. It means, “You must have more virtue together”. “You must have more virtue together” means you have to cover with “Ethics” together the same as you have to “c-l-o-t-h-e” without “s”. It’s because “c-l-o-t-h-e-s” make us tidy for humanity ☺ ☺.

Please do not reveal your body in public. You can learn how to dress by observing me, but please observe when I finished putting on my clothes.

I am asking everything, which you would like to know, from the God, Buddha, Jesus Christ, and Mohammad. We are ready to lead you to the Land of the God. Are you ready? ☺ ☺.
