

## What is “karma”?

([www.angelkaybabygirl.com](http://www.angelkaybabygirl.com))

I would like to emphasize it again. One of the reasons why I and Will came is that the God actually wants to help everyone to see “Bearing of fruits *in this life*”, or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”), or Buddha called “Karma”. “Karma” is not a tale, a dream, or something imagined, but “karma” can be proved by scientific principles about humans’ sub-conscious. The voices, which I heard, tell me “A lot of foreigners, especially numerous Christians, still don’t understand about “karma”. All evils have joined together to clarify fool them “All evils have done bad karmas, so they should be judged by Jesus””.

I would like to explain this to you. Please listen to me carefully. A dentist who got master degree in psychology and has studied hard in Buddhism with many famous Thai monks tells me in a book “*All humans absorb everything in their lives in their sub-conscious. If a man loves to think evil, or loves to feel pleased, feel good, feel ecstatic, or feel something like that when he sees others suffer, or are tortured, his sub-conscious will gather his thoughts, or his feelings together as his good feeling collection. Then, someday in this life and/or in the next life, when the fittest factors come, his sub-conscious is attracting these bad situations into his life because his sub-conscious thinks “My master loves terrible things!”*”

An example is a man who saw a car crashed a teenager. That man felt pleased and ecstatic when he saw the teenager suffered and was tortured before he died. The sub-conscious of the man will keep the torment as a part of his excellent feeling collection. Then, someday in this life and/or in the next life, when the fittest factors come, his sub-conscious is attracting that car crash, making him suffer and be tortured before he dies, the same as the teenager suffered and was tortured before the teenager died. There are the same scientific principles in the books “The Secret” and “The Power”, which were written by Rhonda Byrne.

What do you think about “Doctor Dang” and “K9”? They are the leaders of the devil’s dirty plan. One of their characteristics is loving to see me, the Daughter, and Will, the Son, suffer and be tormented. Doctor Dang and K9 knew the truths at the beginning “Kay is the Daughter of the God, and Will is the Son of the God”. But Doctor Dang and K9 love to see me and Will suffer and be tormented, and intend to make us suffer and be tormented until we die. An important point is that Doctor Dang has the son, nickname “To”, the daughter, nickname “Tom”, and the nephew, nickname “Louis”. And K9 has a son, daughters, nephews, and nieces. The God told me many times “Doctor Dang truly loves her children more than her life”. Do not you want to see bad karmas rebound Doctor Dang and K9? **They maintain all very bad, very brutal, and very cruel situations which they have done to a huge number of foreigners all around our world, especially many Muslims and me, in their sub-conscious as their excellent feeling collections. Do not you want to see what will happen to Doctor Dang and K9 when their sub-conscious attracts all terrible situations into their lives?**

Jesus teaches Christians, “Every good tree bears good fruit but a bad tree bears bad fruit. A good tree cannot bear bad fruit nor can a bad tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Therefore, by their fruits, you will know them.” However, Jesus had his time to teach around only 3 years. As a consequence, Jesus did not explain about humans’ sub-conscious and “Bearing of fruits **in this life**”. Do not you want to find out? Buddha teaches Buddhists “If you want to live a long life, you must not kill others.” The God sent me to go into detail, so I would like to give two examples to you. If you want to live a happy life, your real heart must feel satisfied when you see other people live happy lives. And if you want to see your children live happy lives, your genuine heart must feel satisfied when you see other people’s children live happy lives too.

I would like to underline it again. *Help everyone to see “Bearing of fruits in this life”, or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”), or Buddha called “Karma” as a natural result of, and a natural reaction to by humans’ sub-conscious is one of the God’s Wills that the God sent me and Will to ultimately accomplish. And “the right solution” and “an appropriate location” are two of the fittest factors that will help us to see.*
