***I heard something from the song “Take a Bow (Main)”
sung by Rihanna***

Shall we see ...

Oh, **“Au”**, how about around on **“The Ploy(s)”**? (**“Ploy”** is the nickname of many Thai women including **“prostitute Ploypailin Jensen”** who is the eldest child of prostitute princess Ubolratana Rajakanya and Peter Ladd Jensen who is an American businessman. Prostitute Ploypailin married David Wheeler, and spending her life abroad. So, prostitute Ploypailin know what else have happened abroad and can tell pimp king Bhumibol, pimp king mha Vajiralongkorn whose one of his nicknames is **“Au”**, and the satanic Chakri dynasty **“Is everything abroad going on as our orders?”**. These pronunciations mean **“Members of the satanic Chakri dynasty asked prostitute ploypailin “Did foreign people in the country where you spend your life follow our orders?”**)

Yeah

Stand in no way **“Change”** (I believe that the pronunciation must be **“Change”**. It means **“All evil people including “prostitute Ploypailin Jensen” will not “reform themselves” definitely”**)

Ooh, wow

Yeah, Kay, yeah, yeah, yeah

You the so dumb right now

Standing outside my house

(It means “Pimp king Bhumibol, the satanic Chakri dynasty, the Thai government, and copious Thai people are outside abroad”)

Trying to apologize

You’re so ugly when you cry

Please

Just caught it out

(It means “The king(s) of Thailand, the satanic Chakri dynasty, the Thai government, and all Thai people will pretend to cry and apologize to run away from a huge number of their felonies. But their all victims and righteous foreign law enforcement officers will insist “Just arrest the king(s) of Thailand, the satanic Chakri dynasty and all Thai people whose names are in “The Wanted-List of The God” and send them into foreign law process””)

Don't tell me you're sorry 'cause you're **"Nine"** (**"Nine"** is **"Pimp king Bhumibol"**)

Baby when I know you're wrongly sorry you got **"coy"** (**"Coy"** is a Thai word which means "wait for". It means "Pimp king Bhumibol must not pretend to tell us "I'm sorry" because I (Kay) and many singers knew "Pimp king Bhumibol himself has controlled Prince William and all ethical members of The British Monarchy to wait for Jesus and The Judgement. And pimp king Bhumibol himself is the leader of all evil people to control all good foreigners especially all moral Christians to wait for Jesus and The Judgement too."")

But you put on cry **"the show"** (It means "Pimp king Bhumibol, the satanic Chakri dynasty, the Thai government, and all Thai people will dramatize and pretend to cry **(the show)**")

Really had me go in (It means "I (Kay) will have been detained in Thailand to see **"their show"** until the day on which The God will help Me to disappear from Thailand and appear at Prince William (because of mighty effort of Prince William) will come. And pimp king Bhumibol, the satanic Chakri dynasty, the Thai government, and all Thai people really want Me and all good foreigners to be fooled by **"the show"**")

But now it's time to go (It means "It is My time to go out of Thailand")
Curtain's falling close sin (It means "After I will have gone out of Thailand, the time of pimp king Bhumibol, the satanic Chakri dynasty, the Thai government, and all Thai people to do sins and mortal sins, and commit a huge number of their felonies will be over")

That was cry **"the show"**

Very entertain in

(It means "Pimp king Bhumibol, the satanic Chakri dynasty, the Thai government, and all Thai people will pretend to cry to fool I (Kay) and foreigners "We are innocent" that will be very entertain for all good foreigners who knew the truths especially all innocent foreign creative people")

But it's over now

(But it's over now)

God on ... take a bow, oh

(It means "Their time is up. And it is the time to "bow" The God in heaven" who is the most respected.)

Grab your closing Kay gone

(Kay gone)

(Your **badder** hurry up)

Before the spring **hers** come home (come home)

(It means "Pimp king Bhumibol and the satanic Chakri dynasty have assigned Thanathorn Juangroongruangkit, his mother, his siblings, and his friends such as Piyabutr Saengkanokkul and Pita Limcharoenrat (Your badder) to dramatize to be an opposite side of Prayuth Jun-o-cha and the satanic Chakri dynasty so as to make excuses for pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people, and so as to blacken and overthrow Prince William and The British Monarchy later. So, they all agreed to let Thanathorn and his friends start play politic in 2018 to do as their plans before I (Kay), My parents, and My group will go to England.")

Talking 'bout "Girl, I love you, you're the one"

This is **"Book"** like **"Kerry"** fun

Please

What else is on? Oh, oh

(It means "Pimp king Bhumibol, the satanic Chakri dynasty, the Thai government, and all Thai people have also enticed My cousins and some Thai people whom I am close to and/or contact them such as "Book" and "some messengers of Kerry" to join the devil's dirty plan. They will pretend to "sincerely love Me" to be their alibi when the end of "Thailand" will come." The singer wants to ask all Thai people "What else you're dramatizing next?")

And don't tell me you're sorry 'cause you're **"Nine"**

Baby when I know you're wrongly sorry you got **"Coy"**

But you put on cry **"the show"**

Really had me go in

But now it's time to go

Curtain's falling close sin

That was cry **"the show"**

Very entertain in

But it's over now

(But it's over now)

God on ... take a bow

Oh, **“Andy”** are what for **the best lie**
 Goes to you (goes to you)
 For making me believe
 That you could be
 Faithful to me
 That’s **hear** your speech out

(“Hear” is pronounced like “here”. The God told Me ““Andy” is “Prayuth Jun-o-cha”. “Andy” is a secret code of Prayuth which he used for his soldier missions to communicate with foreigners abroad to run the devil’s dirty plan”. The pronunciations mean “One of their plans is when the time of Thailand is up, it will be the time of Prayuth Jun-o-cha and his friends to lie to Kay and foreigners “King Bhumibol and the Chakri dynasty didn’t do. And all Thai people can reform themselves””. Pimp king Bhumibol and the satanic Chakri dynasty have also planned to let the Thai troop leaded by Prayuth Jun-o-cha accept their crimes and felonies instead of them, and blacken all ethical members of The British Monarchy especially Queen Elizabeth, Prince Philip, King Charles, Prince William, and Prince Harry, to show “loyal” and “faithful” to them”.)

How about around on **“The Ploy(s)”**?
 Stand in no way **“Change”**
 But you put on cry **“the show”**
 Really had me go in
 Now it’s time to go
 Curtain’s falling close sin
 That was cry **“the show”**
 Very entertain in
 But it’s over now
 (But it’s over now)
 Go on and take a bow
 But it’s over now

.....

*I heard something from the song "Possession"
song by Sarah McLachlan*

Shall we see ...

Listen us

The wind blows from **"a cross"** (**"A cross"** is "Jesus Christ")
"The Great Divide"

(It means "Jesus told many singers "Pimp king Bhumibol, the satanic Chakri dynasty, all evil politicians, and bosses of mafia gangs all over the world agreed to divide "their large profits" from "selling drugs" by "their own zones"")

Boy is trapped in your **"Nee"** *(It means "Prince William is trapped by the lies of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family, so Prince William surrenders to go out with Kate".)*

And **"rat"** trapped in time (**"Rat"** can be translated in the Thai language **"Noo"**. And My surname is **"Noo-phakdee"**. It means "Kay is trapped by the lies "Other o" are My Real Soulmate" in time".)

"The nine" is my companion (**"The nine"** is "pimp king Bhumibol". It means "pimp king Bhumibol and the satanic Chakri dynasty are companions of Ratchaneewan Ad-harn and Ad-harn family")

I saw into my guy *(It means "Natures of pimp king Bhumibol and the satanic Chakri dynasty are the same as natures of Ratchaneewan Ad-harn and Ad-harn family")*

Would I spend forever here

And not be satisfied

And I would be the one

To hold you now

Kids **is** so hard *(Prince William and I are "Kids". And we are "A Person of The God", so the pronunciations are "Kids is". It means "Our missions are so difficult")*

"I'll take your breath away" *(It means "Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all evil people planned to kill Me and Prince William")*

And after I walk away *(It means “After I (Kay) go out of Thailand”)*

“My tears”

“Just close your eyes, dear”

(It means ““All evil people” warned one another “Kay goes out of Thailand” means “our tears”. And pimp king Bhumibol and Ratchaneewan Ad-harn console all evil people “If that time comes, just close your eyes””)

Through this world I’ve stumbled

So many times betrayed

Trying to find an honest word

(It means “Singers are trying to know from “the voice”. Which are the truths. But which are the lies”)

To find the truths in **“slay”** *(It means “The singers were fooled “You’ll know the truths by letting pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all evil people “slay”*

O you speak to me in **“redder land”** *(“Redder land” means “Thailand” (Thailand is a hot country that can compare its climate to “red”.) It means “I (Kay) tell the truths which I found, in Thailand”)*

Your words keep me alive *(It means “My solution keep foreigners alive”)*

And I would be the one

To hold you now

Kids ***is*** so hard

“I’ll take your breath away”

And after I walk away

“My tears”

“Just close your eyes, dear”

Into this **“nine”** I wonder *(It means “The singers were wondered by the truths of pimp king Bhumibol and the satanic Chakri dynasty which The God told them”)*

It’s morning **“rat”** I **“dread”** *(It means “Some singers knew the truths of Mine from The God in the morning. The truths that the singers knew from The God made the singers “dread”)*

Another day,

I know wing off

(It means “After the singers had known the truths of Mine from The God, another day, the singers know “Prince William is fooled, so Kay still cannot fly”)

The path I fear **“Do trade”** (**“Do trade”** means “Selling drugs”. It means the singers know “The devil’s dirty plan is the dirtiest plan to entice foreigners to sell drugs, and to tempt foreigners to addict drugs”)

Oh, **“Andrew”** (**“Andrew”** is “Andrew Parker Bowles” who is an English and the ex-husband of Camilla.)

They see the waking dreams

I follow without pride

(It means “Andrew Parker Bowles has left his honour and prestige by working the devil’s dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, David Cameron, and all evil people together”)

Cause nothing stands between us here

And I will make **“The nine”**

(It means “Nobody is their obstacle because Prince William and all moral Christians sincerely believed “This’s a test”, so Prince William and all moral Christians themselves have let “The Satans and all evil people” complete their sins, mortal sins, and felonies. Thus, pimp king Bhumibol has spent this his value time to “order” all foreigners to be the same as him and all Thai people”.)

And I would be the one

To hold you now

Kids ***is*** so hard

“I’ll take your breath away”

And after I walk away

“My tears”

“Just close your eyes, dear”

I’ll hold you now

Kids ***is*** so hard

“I’ll take your breath away”

And after I walk away

“My tears”

“Just close your eyes”

I can pre hey

O, I want you so much

(It means “Because Prince William and all moral Christians were cheated as the beliefs of Christianity, so pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, all Thai people, and their all foreign henchmen can order The God. For that reason, they can win before I (Kay) will accomplish My Missions”)

lift stick like Kay

Then, so why choose **“Al-Asad”**

*(It means “A large number of foreigners can lift their lives to go to heaven the same as Kay will be ascended to heaven. Why pimp king Bhumibol and Ratchaneewan Ad-harn chose **“Al-Asad”** who is the president of Syria to do mortal sins”.)*

Little bit of world, you opened access to me

(It means “Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, all Thai people, and Thailand have waited for “being respectable” for a long time. They genuinely aim to tyrannize all foreigners by enticing almost all foreigners to be “their slaves” by being drug addicts and drug sellers. And they think “It’s so simple because The God opens Kay’s mind to be “their advantage””)

*I heard something from the song “Love Is Color-Blind”
sung by Sarah Connor Feat. T.Q.*

Shall we see ...

Yeah

What’s up?

It’s T.Q. and Sarah, Kay

Haaa ...

Right back at you

Love is color-blind

That’s right

This time we got a **“see Will”** situation

And we try do are **“coy(s)”** to help

“Coy” is a Thai word which means “wait for”. It means “All innocent foreign creative people “were forced” to see what Prince William “has been controlled to do”. For that reason, they are trying to help Me (Kay) and Prince William to know the truths. And they are waiting for the real time to help Me (Because many innocent foreign creative people **were tricked** by the lies “A day in the future while Kay is being detained in Thailand, The God will let you to speak the truths out”). **“Coy”** added **“(s)”** means they have waited for donkey’s years.)

But we need your help (These pronunciations mean “Although all innocent foreign creative people are trying to help Me (Kay) and Prince William to know the truths, they need help from Me (Kay) too”)

You know what I’m say (It means “I (Kay) know what the singers want to tell”)

Love is color blind

So come on

It don’t matter if you’re black

White or yellow, if you’re brown or red

Let’s get down to that

Love is color-blind

That’s right

Give it to a baby (It means “The God assigned “The Missions” to Me (Kay). One of My Missions is to help “all colours” understand and reconcile with one another.”)

I remember when

I was a child and couldn't **"Mum de stair"**

People having fun

Discriminating of the different

("Mum" is a Thai name. The pronunciations have 2 meaning: "1) Foreigners don't know how to step up "The Stair" to go to Heaven" And "2) While I was being in heaven, I still did not understand why all Thai people love to discriminate others by money and status")

Mama just used to say

When you grow up you'll maybe find the way

To make these people see

That **everything I do comes back to me**

(It means "The God who is both "My Father" and "My Mother" had told Me before I was sent to be born "My Daughter, when You grow up, You have to find the way to help everyone to see "Everything I do comes back to me", or Jesus called "Bearing of fruit (in this life)", or Buddha called "Karma", or it is called in the English language "What goes around comes around" or another proverb is "You reap what you sow")

You gotta "lift" your life

We're the same, no one's to play *(It means "No foreigner wants to "play game" with all Thai people")*

They gotta "lift" bad lives

Just play the game, a little pray

(It means "All Thai people especially pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family use the chances when The God opened My mind and The God get close humans to continue running the devil's dirty plan by ordering The God to do as their thoughts")

It don't matter if you're black

White or yellow, if you're brown or red

Let's get down to that

Love is color-blind

You're my brother, you're my friend

All the **"mes de son"** in the very end (**"Mes de son"** means "Voice of The God". And please do not forget that I am "a Person of The God" 😊😊)

Yeah, yeah,

Is to understand

Come on T.Q.

Love is color-blind

That's right

I remember as a young boy

I watched my neighborhood go up the flames

I saw the hope

Thank to teach **"Sept"** pain

(It means "Because The God opened My mind, so T.Q. saw the hope to survive and to lift his spirit to heaven, but pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family controlled Osama Bin-Laden to terrorize "911".)

And the situation's rack in my brain

I wish I could fly away and never come back a Kay

We need some love, y'all

We need some real deep help from above, y'all

I mean **the key is watch**

And I just can see it stop, I don't understand

(It means "T.Q. does not understand "If we just wait and see, how will "the evil story" stop?"")

I mean we all bleed the same blood, man *(T.Q. quickly changed the point that he talked about earlier.)*

That's right

You gotta **"lift"** your life

Better than **"Our Father is did"** (**"Our Father is did"** means "Our Father has been ordered by pimp king Bhumibol, Ratchaneewan Ad-harn, and their henchmen")

Let's make some love, **"baby has some keys"** (**"Baby has some keys"** means **"I (Kay) know the essential truths and the solution"**. And it will be better if we listen to Kay.)

They gotta **"lift"** bad lives *(It means "Pimp king Bhumibol, Ratchaneewan Ad-harn, and their henchmen never stop")*

And I don't care what color they are, or you are, or we are

It's all love, baby **"A."** (**"A."** is the first alphabet of the names of The God (Almighty and Allah). It means "The God and all Person of The God never cares what colour you are. We love all good people and all people who can reform themselves" 😊😊)

It don't matter if you're black

White or yellow, if you're brown or red

Let's get down to that

Love is color-blind

You're my brother, you're my friend

All the **"mes de son"** in the very end

Is to understand
Love is color-blind

You could have been my brother
You could have been my brother
What if you were my sister?
If you are my father

“You could have been my **“feller”**” (*It means “Pimp king Bhumibol, the satanic Chakri dynasty, and their henchmen have been enjoyable thought “Maybe in the previous life (or lives), all ethical monarchies overthrew us. Hence, in this life, we are overthrowing all ethical monarchies”*)

You could have been my teacher
What if you were my friend?
Would be so nice to meet you
You could have been my mother
You could have been my brother
What if you were my sister?
If you were my father

“I could have been your “feller””

You could have been my teacher
What if you were my friend?
Would be so nice to meet you

Take Kay out to the world

Tell every boy and every little girl

Be proud of yourself

'Cause you're as good as anybody else

Put away your prejudice

Open your mind, don't need to stick to list

Try to make this earth

“A badder place without a racial curse”

Yeah, time for some change is your

(Sarah and T.Q. are hinting what the solution is, and what My Missions are. And because pimp king Bhumibol and many evil foreign politicians have gotten dividend from selling arms, but one of My Missions is to help all foreigners to love one another without any bias, so the new harmonious world **without racial curse** will be **“a badder place”** for them.)

So come on, put your hands up
 Come on, put your hands up
 Come on, put your hands up
 It don't matter, y'all
 We're staying a color-blind
 It don't matter, y'all
 We're staying a color-blind
 It don't matter, y'all
 We're staying a color-blind, yeah
 Give it to a Baby-Girl *(It means "The God assigned "The Missions" to Me. One of My Missions is to help "all colours" to understand and reconcile with one another.")*
 Love is color-blind

It don't matter if you're black
 White or yellow, if you're brown or red
 Let's get down to that
 Love is color-blind
 You're my brother, you're my friend
 All the **"mes de son"** in the very end
 Is to understand
 Love is color-blind
 You could have been my brother
 You could have been my brother
 What if you were my sister?
 If you were my father
"You could have been my "feller""
 You could have been my teacher
 What if you were my friend?
 Would be so nice to meet ya
 You're my brother, you're my friend (My friend, my friend)
All the "mes de son" in the very end (to the very end)
Is to understand
Love is color-blind

(It means "All foreigners will hear The Voice of The God and all Person of The God in the end. And "The Voice" will help all people in the new wonderful world to understand "Love from The God and all Person of The God is "color-blind"") And The God and all Person of The God actually wants all foreigners to love one another without any bias too. This is a crucial reason why The God send Prince William and Me as "Soulmate" but "white" and "yellow"")

.....

*I heard something from the song "Fearless"
song by Taylor Swift*

Shall we see ...

*There's something bound the way ("Something "bounds" the way" means Prince William and all moral Christians have tied their minds with Jesus, The Bible, and their religious beliefs tightly. So, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, all Thai people, and their all foreign henchmen can **trick** Prince William and the Christians so as to order The God and us. So that, all good foreigners and all foreigners who can reform themselves still have not known "the way to go to heaven")*

A "sa-tree" is win just ring ("A sa-tree" is a Thai word which means "a woman". These pronunciations that I heard has 2 different meaning; 1) Kate won, but just got "a ring", not got "love". And 2) I (Kay) will win. Prince William just "rings" to talk to Me.)

There's a glow off the payment

You walk me to the car

Angel know I was asking to death right there

In "the milled-love" "the Parking Lord"

(It means "Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people have tried to separate Prince William and Me (Kay), but The God still have not helped us. And all innocent foreign creative people know if they try to help Prince William and Me (Kay), they will be afflicted by many severe afflictions")

Yeah

Who are you?

Who drop and down the role (People who drop and down the role are "The Thai police officers")

I wonder if you know

I'm trying so hard now to get car off now

(It means "All innocent foreign creative people wonder because the Thai police officers knew how hard the innocent foreign creative people have tried to stop the evil situations that "Thai criminals" have done to them. But the Thai police officers still "drop and down the role")

Show just so cool

Wonder hands

Do you hey?

Absent (“Absent” means “The God still have not helped Prince William, Me (Kay), and all good people”)

My **“Nee”** re-making me want you (**“Nee”** is a Thai name, and is a syllable of the name “Ratchaneewan”. It means “The demonic heart of “Nee” and “all evil people” make all innocent foreign creative people want The God and all Person of The God to do His Missions again”)

An angel know how it gets better (It means “I (Kay) know how everything will be better”)

Thank Miss

You seek my hand (It means “I (Kay) “seek” help”)

Jack **“Mee-Hey”** (or **“Jack Me Hey”**) (**“Mee-Hey”** is a Thai slang. It means “Joyful because a speaker believes that he is going to win in the situation surely”. These pronunciations that I heard has 2 meanings: “1) Nobody helps Me (Kay), so “Jack” is believing “I (Jack) is going to win the devil’s dirty plan surely” And 2) “Jack” and “Taylor Swift” are believing “We’re going to win the devil’s dirty plan certainly””)

But Fearless (It means “All evil people including “Jack” and “Taylor Swift” warned one another “We shouldn’t be joyful yet because “Kay is fearless””)

An angel know why **“Dek” ***wit***** you a jet (**“Dek”** is a Thai word which means “a kid”. It means ““Taylor Swift” knows why I (Kay) have requested Prince William to bring Me fly (Taylor Swift knows it is the solution)”)

In a storm in my best

Just Fearless

So, baby drop slow

Til **we run on the role**

In this one hot town

No one still right here

(It means “Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, all Thai people, and their all foreign henchmen including “Jack” and “Taylor Swift” can continue running the devil’s dirty plan because I (Kay) have been still detained in Thailand (**hot town**) and Prince William still has not come to get Me (Kay) to go out of Thailand”)

In this past

Sin **"Ja"** see (**"Ja"** is a Thai word which means "will" (Future Tense).)

You put your rhymes on me

In this moment down

"Capture it for memory"

(It means "The time at which passes will make pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, all Thai people, and their all foreign henchmen who are "bad trees" see: 1) Results of allowing many innocent foreign creative people to know the truths by pronunciations in the songs and Words from The God. And 2) Results of afflictions the innocent foreign creative people have gotten because they knew the truths by pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family". Taylor Swift enjoyable hinted righteous foreign police officers to bring them into law process by the pronunciations "In this moment down "Capture it (them) for memory")

Cause angel know how it gets better

Thank Miss

You seek my hand

Jack **"Mee-Hey"**

But fearless

An angel know why **"Dek" ****wif****** you a jet

In a storm in my best

Just fearless

Well, you stood there with me in the dog wick my head "Change"

"I'm not" "You should leave me" "Where?" "Bye"

(The God told Me many times "Taylor Swift" strongly wants to fool You and all foreigners especially Prince William into believing "Taylor Swift is nice". So, Taylor ordered Me (The God) to compose these lyrics for her to pronounce to trick You and all foreigners including Prince William into understanding "The dogs" try to tempt me (Taylor) to change, but I (Taylor) never surrender!")

You pull me in and I leave a mode *(Taylor Swift secretly confessed "I (Taylor) have joined the devil's dirty plan" The God told Me several times "One of the reasons why Taylor Swift has joined the devil's dirty plan since she was a kid is she has wanted to be a famous person and a princess")*

Brick

It's a **"Bird"** (**"Bird"** can be translated in the Thai language "nok". "Nok" is a Thai slang. Thai teenagers use the word "Nok" when one wants something (especially an opposite gender), but does not get it. It means "Taylor Swift does not get "any princess positions" except "princess of country music". The God told Me many times "Taylor Swift became a super star and has numerous fan clubs because she has ordered Me (The God)"

Kay is **"Gla"** (**"Gla"** is a Thai word. It means "Brave")

Let's really something

It's fearless.

Ohhhh...Kay

Cause angel know how it gets best

They think death

(It means "I (Kay) know how everything will be the best, but pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, all Thai people, and their all foreign henchmen genuinely want everything to continue being the worst. So that, they strongly want Me (Kay) to be death")

You seek my hand

Jack **"Mee-Hey"**

But fearless

An angel know why **"Dek" ****wit****** you a jet

In a storm in my best

Just fearless

Cause angel know how it gets better

Thank Miss

You seek my hand

Jack **"Mee-Hey"**

But fearless

An angel know why **"Dek" ****wit****** you a jet

In a storm in my best

Just fearless

...

Note: The God told Me “Taylor Swift became a super star and the princess of country music because she has ordered Me. She has joined the devil’s dirty plan since she was a kid.” “Taylor Swift seduces men who go out with her to have sex with her at the first dates.” “Taylor Swift loves to be the news “I was left by my boyfriends” to make princes (especially Prince William) pity her.” And “Taylor Swift knew the meaning of the song “Fearless”. She also knew “Kay knows the solution”. But she fooled Prince William by the lie “The God told me to wait”!”

If you really want to know “Is Taylor Swift the same as Kay told me?”, **please help Prince William to succeed in his first Missions. His first essential Mission is to help Me to go out of Thailand to fly to The Holy Home. After Prince William and I will have been at The Holy Home, The God will tell “all truths” to us including “What Taylor Swift is”.**

.....

***I heard something from the song “F**kin’ Perfect”
sung by P!nk***

Shall we see ...

May the wrong time, was a try(s) *(It means “Many innocent foreign creative people who knew the truths and so extremely try to tell the truths have thought “Maybe I have tried to tell the truths at the wrong time”)*

Dog my way

“Out”

Blood ... I’m fine

(It means ““Dogs” have ordered and controlled the innocent foreign creative people along with have tormented them. One of the orders is “Don’t speak the truths out”. Some innocent foreign creative people who try to “out” of the orders by planning in their thoughts to speak the truths out are passed on. However, even though many innocent foreign creative people have been tortured, they console themselves “I’m fine””)

Bad decisions, that’s alright

Welcome to my silly life *(It means “The innocent foreign creative people consoled themselves “Although our decision not to help Kay at the start is our bad decision, and pull us into “silly life” but “it is alright””)*

Miss “Sa-tree” did *(“Sa-tree” is a Thai word which means “a woman” or “women”. In these pronunciations, “Miss Sa-tree” means “All female members of the satanic Chakri dynasty, Ratchaneewan Ad-harn, Nattha Ad-harn, “June” who is the daughter-in-law of Ratchaneewan, and Nee and Kumsai who are maids of Ad-harn family are the leaders of all female evil people, such as Camilla, Kate, and Meghan, to commit the devil’s dirty plan”)*

Please “dee” Son understood Miss *(“Dee” is a Thai word which means “good”. It means “The innocent foreign creative people request Prince William to understand Me (Kay), My hurt, and My solution”)*

“No way, it’s so good” *(It means “Pimp king Bhumibol, Ratchaneewan Ad-harn, and their henchmen replied the innocent foreign creative people “No way to help “dee Son (Prince William) understood Miss (Kay)” because we’re ordering The God to control Prince William and all ethical members of The British Monarchy not to listen to Kay. And that’s so good (because we can continue running the devil’s dirty plan.)”)*

“It “dee” is so me down?” *(“Dee” is a Thai word which means “good”. It means “The innocent foreign creative people questioned themselves “I am so down” means good?””)*

Miss **“Sa-tree”**, Kay, always say *(It means “Kay have always told the truths and have always underlined the solution”)*

Can Kay sit under rest that may **“Dee”** *(It means “Prince William and all moral Christians were cheated into strong believing “This’s a test”, so they want Me (Kay) to “sit under rest”. They were fooled “It’s good (Dee) to do nothing and let the Satans and all evil people be tested before”)*

Look! **“Karma”** is still around

(It has 2 meanings: “1) It means “But the innocent foreign creative people and Me (Kay) point Prince William and all moral Christians to see “Did you see what have happened to us and our world because you truly believe “This’s a test”” And 2) I (Kay) came to do the Missions. One of My Missions is to help everyone to see “karma in this life” or Jesus called “bearing of fruit in this life”. As a result, P!nk points Prince William and all moral Christians to see ““karma” is still around because of orders of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and their henchmen. So, why do you think “let Kay sit under rest” and “do nothing” may be “good”?)

Pretty, pretty, please, don’t you ever, ever feel like your last day
Fuck Kay perfect

Pretty, pretty, please, if you ever, ever feel like your love thing
You’re Fuck Kay ... perfect to me!

(It means “P!nk asked Me (Kay) and all good foreigners (by using the word “pretty”) that “Have you ever feel like today is your last day?” to hint us to know what we have to do in the last day of our lives. P!nk also hinted Prince William and all moral Christians “Kay is the best to be our best example of how humans should be, and Kay knew the solution” by using the phrase “Fuck Kay perfect to me” (“Perfect” includes “smart”)

There’re so **“Mhing”**, when you tall (when you tall), dog yourself you were wrong *(“Mhing” is a Thai nickname. “Mhing” is the nickname of “Arinmas Boonkrongsupya” who is Miss Thailand Universe 2003. Her old name was “Chalisa Boonkrongsupya” The God told Me many times “Mhing could be Miss Thailand Universe 2003 because she ordered Me (The God).)*

***Change the voices (change the voices) in your hand
(in your hand), make them like you **instead***** (It means

“Because I (Kay) was born in Thailand and have been still detained in Thailand since the end of November 1999, so pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people can order The God to do many things as their minds including changing The God’s Wills and controlling all good foreigners especially all moral Christians and foreign people in the developed countries to have behaviours and habits like all Thai people”)

So complicated

Look out! we or “Meghan”

Feel we so much “hatrick”, such a tired game

It’s enough!

I don’t know I can think of

Chase down on my deem it

See you do the same

(It means “Prince William is The Son of The God. The God sent him, his father, and his buddy brother to help Me to save the world. But pimp king Bhumibol, the satanic Chakri dynasty, and their all foreign henchmen (such as Kate, Meghan, and Camilla) could make 3 goals (hatrick); 1) Success in controlling his father to marry Camilla. 2) Success in ordering him to marry Kate. And 3) Success in ordering his buddy brother to marry Meghan. Pimp king Bhumibol, the satanic Chakri dynasty, and their all foreign henchmen are laughing, looking down on, and mocking at Prince William and all ethical members of his family. In that Prince William, his father, and his buddy brother still have not known that they all can carefully consider, and then “fire Kate, Camilla, and Meghan down from the present positions and their palaces”. The God told Me many times ““See you do the same” is the words that Prince William will talk to his buddy brother and his monarchical friends after he will have fired Kate down out of his palace”)

Oh, oh

Pretty, pretty, please, don’t you ever, ever feel like your last day

Fuck Kay perfect

Pretty, pretty, please, if you ever, ever feel like your love day

You’re fuck Kay ... perfect to me

The whole world scare, so I swallow the fear
 The only thing I should be drinking is an ice cold beer *(It means “All businessmen whose their business is about beers and liquors led by Charoen Sirivadhanabhakdi ordered a large number of foreigners including Prince William and Prince Harry to drink alcohol”)*

So cool in line (lie) and we try, try, try
 But we try too hard so waste my time

(It means “Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family ordered The God to send their thoughts to lie to Prince William, all ethical members of The British Monarchy, and all moral Christians. And all innocent foreign creative people who knew the truths have queued up to tell the truths to Prince William, all ethical members of The British Monarchy, and all moral Christians by pronunciations in their songs, but still have not succeeded. Because of that, many of the innocent foreign creative people have thought “To try to tell the truths is “waste my time”””)

Don't look for the critics 'cause they're everywhere
 They don't like my jeans, they don't get my hair

Strange yourselves and we do that all the time

Why do we do that, why do I do that?

Why do I do that?

(It means “All foreigners who have been ordered and controlled to have behaviours and habits like all Thai people have spent their lives in “Thai style” but they still have not known themselves”)

Yeah

Oh, pretty, pretty, please
 Pretty, pretty, please, don't you ever, ever feel like your last day
 Fuck Kay perfect
 Pretty, pretty, please, if you ever, ever feel like your love day
 You're Fuck Kay ... perfect to me
 (You're perfect, you're perfect)
 Pretty, pretty, please, if you ever, ever feel like your love day
 You're Fuck Kay ... perfect to me

.....
