

***My letter to all good foreign creative people
(I wrote this letter from 12 December 2021 to 19 December 2021, and
posted it on My website on 19 December 2021) ...***

Dear all good foreign creative people,

The God told Me “Pimp king Bhumibol and Ratchaneewan Ad-harn (who are the Satans) lied to many good foreign creative people “The God will let you speak the truths out after 21 years will have passed”. For that reason, the good foreign creative people do not do anything, and look forward to the day when I will let them speak the truths out.”

The God also told Me “All good foreign creative people who knew the truths and have intended to help You have been controlled to wait for the day when I will let them speak the truths out the same as You were controlled to wait for “other o” 12 years and Will, Harry, all good members of The British Monarchy, and all good Christians have been controlled to not listen to You and to wait for Jesus and The Judgement up until now.”

I told you more than one hundred times ***“The Satans and all evil people can order The God and us to do many things up to their minds because I have still been detained in Thailand, the worst country where The God let all foreigners call “the prostitute country”.”***

And I told you “After My birthday 2021 had passed, The God gave the most precious 45th birthday present for Me and My mighty effort by not controlling Prince William and all foreigners all over the world all the time the same as before My birthday 2021. From that time, if they want to control someone, they need to sit and pay their concentrated attention on him.” I mean that ***because I have still been detained in Thailand, and after My birthday 2021 passed, so people who are out of their thoughts will be out of their control. I also questioned you “They all knew they all cannot control foreigners all over the world in every minute, and they planned to blacken Prince William, Queen Elizabeth, the UK, some foreign creative people, and many ordinary Americans, so do you think whom they have sat and paid their concentrated attention on to control all the time?”***

The God recently told Me “After Christmas Day 2021 will have passed, all good foreign creative people who have aimed to help You will hear order of the Satans “Don’t help Kay”. And the Satans and their henchmen will sit and pay their concentrated attention to control the good foreign creative people who are in their zones so as not to speak the truths out (including control the mouths of the good foreign creative people to speak out as their thoughts) too. Therefore, the good foreign creative people will immediately know “I have been fooled into waiting for 21 years.””

After Christmas Day 2021 will have passed, ***besides the Satans will work with all evil people together to sit and pay their concentrated attention on the good foreign creative people in their zones to control the good foreign creative people so as not to speak the truths out (including control the mouths of the good foreign creative people to speak out as their thoughts too), 3 of their plans are;***

1) The Satans will order foreign creative people ***who are their henchmen to tell the lies*** to Prince William and all good Christians.

2) The Satans will let foreign creative people ***who were fooled but sincerely believed that the lies are the truths to tell the lies*** (that they strongly believed that “They’re the truths”) to Prince William and all good Christians. And

3) Because pimp king Bhumibol and the satanic Chakri dynasty planned to blacken Prince William, Queen Elizabeth, and all good members of The British Monarchy at the end, so pimp king Bhumibol and the satanic Chakri dynasty ***may let some good foreign creative people who knew the truths tell the truths*** to Prince William and/or Prince Harry. However, pimp king Bhumibol and the satanic Chakri dynasty will ***sit and pay their concentrated attention to control Prince William, Prince Harry, Queen Elizabeth, and all good members of The British Monarchy to not believe the truths that the good foreign creative people tell them***, and pimp king Bhumibol and the satanic Chakri dynasty ***will severely torment the good foreign creative people too.***

Could you figure out why pimp king Bhumibol has pretended to die, and where prostitute queen Sirikit has been?

I bet you though Christmas Day 2021 will have passed, if I am still detained in Thailand, the worse country where The God let all foreigners call “the prostitute country”, the Satans and all evil people will not let any good foreign creative people who knew the truths and have intended to help Me speak the truths out by themselves, and The God will still follow orders of the Satans and all evil people including control all people whom they sit and pay their concentrated attention on!

I underlined the truths many times “**3 of the reasons why The God has followed orders of the Satans and all evil people are: 1) The God truly does not want I to live My life in Thailand**, the worst country where The God let all foreigners call “the prostitute country. **The God really wants Prince William to help Me to go out of Thailand.** 2) The God actually wants **to teach everyone to try to do the right his best to solve his problem before praying to The God to request The God to help him.** And 3) The God strongly wants **to teach everyone “Effort to do the right brings miracle”**”

I requested you in the previous letters and the previous messages “You all have let only Me speak the truths out since 2005. So, My words do not have enough weight for Prince William, Prince Charles, and Prince Harry to believe. So that, **please frequently tell and/or write and/or show the truths to Prince William, Prince Charles, Prince Harry, and all good Christians.** If you frequently tell and/or write and/or show the truths to Prince William, Prince Charles, Prince Harry, and all good Christians, they will more frequently think of My words and yours. And because pimp king Bhumibol, the satanic Chakri dynasty, and all evil people cannot control all foreigners all over the world in every minute, so foreigners who are out of their thoughts will gradually figure the truths out, and will become an important part to help Prince William, Prince Charles, and Prince Harry to frequently think of My words, yours, and theirs. **Eventually**, while pimp king Bhumibol will be falling asleep, Prince William, Prince Charles, and Prince Harry will **quickly** figure out what the truths are.

I also spotlighted the truths “If you and your love are not evil people, and you and/or your love pass on because of orders of the Satans and all evil people, **after Prince William and I will have been at The Holy Home, you and your love will come back to lives**” And “Spirits of people and animals who pass over **when is not their time to pass on** will be **the most important power** to help Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy to figure the truths out while pimp king Bhumibol will be dozing off. In that the spirits want to come back to lives to continue spending their time with their love and their family”.

If good foreign creative people do not help Me, My parents and I must be severely tormented *again and again continually for so long*.

So, *could you please take cross to serve The God?*

Pure Regards
Kay
