

***My letter to all Japanese especially all good Japanese who have lived in Thailand and all good Japanese who moved yourselves out of Japan***

***(I wrote these truths from 6 June 2022 to 10 June 2022, and posted them on My website on 10 June 2022) ...***

Dear all Japanese especially all good Japanese who have lived in Thailand and all good Japanese who moved yourselves out of Japan,

I told you “The God told Me “Because I (The God) sent You to be born, so Japan **will not definitely** be disappeared from the world. The only one country which will be disappeared from the world is “Thailand”” And now, I knew one of the dirty plans of pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai.

Because after all good Muslims and all Muslims who can reform themselves will have figured out what the truths are, they will not surrender violent torments which happen from the end of November 1999 to the day when Prince William and I arrive The Holy Home. They will think “Our severe torments must have responsible people!”

Hence, pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai who have worked with all evil foreign people all over the world to detain Me in Thailand so as to torment Me, My parents, and almost all foreigners including almost all Muslims, must have the best alibi.

I figured their plan out in that I went online to search for “Japanese Beauty Salon” in Bangkok. And I found that:

1) Atricka Hair and Make Up where belongs to a Japanese has “private rooms”, located at Thong Lor “6”, and the salon’s name is started by the alphabet “A”.

2) Balcony Thong Lor where belongs to a Japanese is started by the alphabet “B”.

3) BELL otonagami salon where belongs to a Japanese has “personal rooms”, located at “6/13”, and the salon’s name is started by the alphabet “B” and “o” and has the words “BELL” “to” “na” and “ga”.

4) BIHATSU where belongs to a Japanese is started by the alphabet “B”. By the way, pimp king Bhumibol and the satanic Chakri dynasty ordered the God to fool Me ““BIHATSU” ordered The God to tell formula of “BIHATSU Intensive Hair Mask” too.”

5) EDDY 1 BEAUTY COMPLEX where belongs to a Japanese has the word “Ed” and “1 (one)” in the salon’s name.

6) Hair Atelier ADOR where belongs to a Japanese has the alphabet “A” in the salon’s name.

7) Hair Salon SO where belongs to a Japanese has the alphabets “S” and “O” in the salon’s name.

8) Hair Studio Bam Boo where belongs to a Japanese has the alphabet “B” in the salon’s name.

9) JOYN where belongs to a Japanese is started by the alphabet “J” and has the word “JOY” in the salon’s name. And

10) URU SALON where belongs to a Japanese has “private rooms”, and has the alphabet “U” in the salon’s name.

The truths are that it was written in The New Testament “666 are the number of devils”. “13” is the number of people in “The Last Supper”. The ninth king of the satanic Chakri dynasty of Thailand is “**B**humibol **A**dulyadej”. The queen is “**S**irikit”. Their eldest daughter is “**U**bolratana Rajakanya”. Thai people call the tenth king of the satanic Chakri dynasty “**o**”. And many singers pronounce “B” “A” “S” “U” “O” “J” “Bell” “To” “Na” “Ga” “Ed” “One” and “Joy” in many English songs.

Thus, to succeed in their plans to alibi, since 2000 they have let some scientists tell everyone “Japan will be disappeared from the world soon” to see countless Japanese move themselves from their beloved motherland to live in other countries all parts of our world.

Japanese love to eat “fishes” and well-known of “drunk after work” but because I came, so all people in the new wonderful world will be “vegetarians” and do not drink alcohol. By the way, Japan is famous for “Yakuza” too. So, although pimp king Bhumibol and the satanic Chakri dynasty have sent scores of Thai people to all parts of the world to work the devil’s dirty plan with Thai people in Thailand and all evil foreign people together, pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai will blacken numerous Japanese who move themselves to live in Thailand and other countries “Japanese who have lived in Thailand have cooperated with Japanese all over the world, and all Yakuza gangs that have connections with foreign mafia gangs all around the world including the gangs of Ad-harn family to order and control pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai. ...

... All good foreign creative people were fooled into strong believing “B” and “A” in some English songs such as “Wind of Change” sung by Scorpions and “Smooth” sung by Santana means “king Bhumibol Adulyadej”. “S” in some English songs such as “Listen To Your Heart” sung by Roxette means “queen Sirikit” and many members of the Chakri dynasty. “U” in some English songs such as “Born This Way” sung by Lady Gaga means “princess Ubolratana Rajakanya”. In reality, “B” and “A” in some English songs means . . . . “S” means . . . . “U” means . . . . And “o” means . . . . .

... A truth is that some Japanese Beauty Salon that have cooperated with the devil’s dirty plan have prepared “private rooms” for Kay in that they have known the future. They have known that after Prince William will have called Kay, Kay will look for a Japanese Beauty Salon where has a private room to dress Her hair. You knew that Japanese love to eat fishes, and has been famous for “drunk after work” and “Yakuza”, right? Some singers pronounce “Na”, right? The name “Naruhito” started by the word “Na”, right? Some singers pronounce “J”, right? The name “Japan” and the word “Japanese” started by the alphabet “J”, right? We never did. Japanese all around the world did!”

If you know who took “Blue Diamond” which is a diamond of Saudi Arabian Monarchy that was lost in Thailand in 1989 AD, and if you know who tried to assassinate Sondhi Limthongkul who is a senior Thai journalist in 2009 AD, you will know that pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty have much dirty power to command Thai police officers to do illegal up to their orders including make fake evidences to send innocent people into prison!

Have you ever heard that Thai police officers “hit” and “torment” “innocent people” to force them to lie “I myself committed the crime” And because the innocent people cannot bear the torments, so though they never commit any crimes, they become “criminals”?

If you think “Thai people and Thailand are our friends”, I would like you all to think over;

1) Could you remember what happened between Japan and Thailand after “Pacific War” had been in the end? Why do you think Thai people who can do anything even the dirtiest tricks to manage to survive including abandoned Japanese who were their own companions, are your friends?

2) If pimp king Bhumibol and the satanic Chakri dynasty let Me go out of Thailand, tsunamis and disasters will not take place to your country. So, if they wished you the best, why they do not let Me go out of Thailand? And

3) If pimp king Bhumibol and the satanic Chakri dynasty let Me go out of Thailand, the world will know “Japan will not definitely be disappeared from the world. The only one country where will be disappeared from the world is “Thailand””. So, if they wished you the best, why they do not let Me go out of Thailand, but let some scientists tell everyone “Japan will be disappeared from the world soon”? Because of that, many Japanese move themselves from your beloved motherland to live in other countries, right? So, is their dirty plan I told you earlier the truth?

☺☺ Love ☺☺,

☺☺ Kay ☺☺
