

## ***All New Karmas***

*(I wrote these truths from 13 October 2022 to 14 October 2022, and corrected them and posted them on My website on 15 October 2022.)*

This topic is for foreigners who have basic knowledge of “karma” especially Richard Gere, foreign Buddhist monks, and foreign Buddhists.

I am writing many sentences repeatedly. Not because I feel dizzy. But because I would like to underline the truths to help readers to ponder over.

I told everyone ***the truths*** long time ago “2 things that The God ***“cannot”*** do are: 1) If a man always does good karmas and never does any venial sins, any sins, and any mortal sins all his life, The God cannot send him to “purgatory” “hell” and “the eternal flame” certainly. And 2) If a man always does sins and mortal sins but never does any “good karmas” all his life, The God cannot send him to “heaven” definitely”

I mean that ***the truths*** are;

- 1) ***“Although The God’s Power is over everything, The God “cannot” manage karmas of each person”***
- 2) ***“Everyone has “karmas” of his own himself”***
- 3) ***“You reap what you sow”*** And
- 4) ***“One must pay for his karmas”***

Buddha teaches Buddhists ***“Nothing happens by “a chance”. Everything happens by “karmas”.***” As a result, Buddhists knew “One meets each other not because of by chance, but because of “karmas””.

However, everything that happens to each person in his life not because of only “old karmas in the previous life (or lives)”. As there are ***“old karmas”*** and ***“new karmas”***

“Old karma” happened in the previous life (or lives), but “new karma” happened in the present life.

Buddhists knew ***“If one has his own old karmas, he must pay for his own old karmas in the present life and/or in the next life (or lives)”***

Consequently, pimp king Bhumibol, the satanic Chakri dynasty, and all Thai Buddhists have used knowledge of “karmic law” to **fool** numerous foreign Buddhists all around the world “Everything that has happened to Kay and Prince William has happened because of “their old karmas”” “The situations which have happened to people all over the world have happened because people all over the world have “old karmas” which they must pay for” And “Karmas of our world are resulting to our world!”

**The truths** are that;

The God verified that ***I and Prince William were sent to be born for the first time, so we have no old karmas in any previous lives*** (This is a main reason why we are “pure”). And I believe that you knew “Because The God sent Kay and Prince William to “**change** the story” or “**change** the sinful future to be the ethical future”, so at the end of the story, The God will turn back the time to 1990 (or maybe 1987). After that time will have come, all Thai people will be taken down to hell and the eternal flame, and Thailand will be sunk into the sea”.

I told you “The God sent Me and Prince William to “**change** the story” or “**change** the sinful future to be the ethical future”” in that pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have meant to make our world be the evil world of influentially demonic people and drugs, and to make foreigners be “slaves” of them which is the sinful future.

Refer to the beliefs of Buddhists ***“Nobody CAN manage karmas of mine”*** “Everyone has karmas of his own himself” “You reap what you sow” And “One must pay for his karmas”, so have you ever thought **why** The God **“can”** turn back the time to **1990** (or maybe **1987**) to be **“a chance”** for all good foreigners and all foreigners who can reform themselves to ***“begin again” to “change the story” or “change the sinful future to be the ethical future”?***

Please carefully consider: Refer to the beliefs of Buddhists earlier, so if all good foreigners, all foreigners who can reform themselves, and our world have “our karmas” which we **must pay for** by “being in the chaotically evil world”, how **can** The God send Me and Prince William to “**change** the story”? I mean that because ***“Nobody CAN manage karmas of mine”***, so if “our karmas” **were ready to naturally result** our world to be “the chaotically evil world” and **were ready to naturally result** us to be “slaves of influentially

demonic people and drugs”, *how “can” The God turn back the time to 1990 (or maybe 1987) to “change the story” or “change the sinful future to be the ethical future”*”?

Think over: If all disasters which have happened in our world since pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people started to order The God at the end of November 1999, including covid-19, are “our karmas” which we must pay for, *why will not The God let us continue living our lives continuously?* And *Why will The God turn back the time to 1990 (or maybe 1987) and will delete “the sinful future” from our memory?*

I mean that all good foreigners, all foreigners who can reform themselves, and our world *do not have* “karmas of the world” that we have been paid for since the end of November 1999. So, The God “*can*” turn back the time to *1990* (or maybe *1987*) in order to be “*a chance*” for the foreigners to “*begin again*” to “*change*” the sinful future to be the ethical future. Or I can conditionally say: If the foreigners and our world *have* “karmas of the world” that we must pay for, The God “*cannot*” turn back the time in order to be “*a chance*” for us to “*start again*” at *1990* (or maybe *1987*) to “*change*” the sinful future to be the ethical future certainly.

In consequence, the verifiable truths are that all disasters which have happened in our world since pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people started to order The God at the end of November 1999, including covid-19, are “*all new karmas*” of *pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people which they must pay for us!*

Anyway, refer to the beliefs of Buddhists “*Nobody **CAN** manage karmas of mine*” “*Everyone has karmas of his own himself*” And “*Karmas determine one’s life*” So, have you ever thought if it was the real time of foreigners who passed away to pass away, and they were passed away by “their own karmas”, how “*can*” The God help them to come back to lives?

The God ***“can”*** help them to come back to lives as they were passed on when ***is not*** their real time to die, and the death of them ***are not by*** “their own karmas”. The death of them are ***“all new karmas” of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people which pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people must pay for them!***

So, I would like to emphasize the verifiable truths again: Refer to the beliefs of Buddhists ***“Nobody CAN manage karmas of mine”***, so if all good foreigners, all foreigners who can reform themselves, and our world have “our karmas” which ***were ready to naturally result us by “being in the chaotically evil world” and “dying in many massive groups”***, The God ***“cannot”*** turn back the time in order to be ***“a chance”*** for the foreigners to ***“begin again” at 1990 (or maybe 1987) to “change”*** the sinful future to be the ethical future, and ***“cannot”*** help any lives to come back to lives ***definitely***.

The next question is that I have no karma in any previous lives, but why was I an epileptic patient when I studied in grade 3 to grade 6? Why am not I a healthy girl?

The God told Me many times “Kay, everyone in heaven knows “The Father Almighty would open the mind of Kay in 2000”. Therefore, I created You to have a problem of Your Hypothalamus to have epileptic conditions when You are in hot weather. As I would like everyone to know that Your brain and body ***cannot*** bear hot weather. ***Thailand is not Your motherland. England is Your motherland.*** So, ***the right solution is that taking You “Home”***. I also actually want all foreigners to know ***what pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people have done to You after they knew “When Kay was a girl, Kay was an epileptic patient”!***”

The next question is that why am not I sure when The God will turn back the time to? 1990 or 1987?

It is because Ratchaneewan Ad-harn and Ad-harn family had started to “softly” torment Me in 1987 when I was 11 years old. Then, they started to “brutally” torment Me in 1990 when I was 14 years old. Though they started to “softly” torment Me in 1987 when I was 11 years old, the period of the time from I was 11 years old to 13 years old were “the happiest moment” in My life.

Refer to a truth that The God verified “Kay, You have no karmas in any previous lives”, so I sometimes think “Maybe The God will turn back the time to 1987” to confirm the truth “Kay has no old karmas in any previous lives to pay for anyone and/or anything”. But because 11 years old is too young to teach The God’s Words, so I sometimes think “Or maybe we will begin again altogether in 1990 (when I was 14 years old)”.

Before I am finishing telling the truths in this document, I would like you to contemplate it again: Refer to the beliefs of Buddhists which are *the truths*: “**Nobody CAN manage karmas of mine**” “Everyone has karmas of his own himself” “You reap what you sow” And “One must pay for his karmas”, so if all good foreigners, all foreigners who can reform themselves, and our world have “our karmas” which we must pay for, *how “can”* The God turn back the time to **1990** (or maybe **1987**) in order to be “*a chance*” for the foreigners to “*begin again*” to “*change*” the sinful future to be the ethical future?

And refer to the beliefs earlier, could you figure out *why* The God “*can*” take all Thai people down to hell and the eternal flame *at the same time*, and “*can*” make Thailand sink into the sea?

The last question:

*I am not only The Little Buddha of all Buddhists  
but also The Daughter of The God of all Christians  
and Allah’s Messenger of all Muslims.*

*Why The God  
chooses*

*Me, The Only One Latest Prophet of The Current Millennium,  
to be born  
as “a Buddhist”?*

**Remarks:** 1) The God told Me “All Thai people do not care “They are old karmas or new karmas” because “We will continue doing!””

2) The songs that The God pronounces “jury” and “sue” are not only “All Rise” sung by Blue, “I’m Your Angel” sung by Celine Dion and R. Kelly, and “Beautiful Love (Free Fire)” sung by Justin Bieber, but also “Better In Time” sung by Leona Lewis 😊😊.
