

***I would like all banks and all financial institutes to know ...
(I wrote these truths and posted them on My website on 4 June 2022.) ...***

I would like all banks and all financial institutes to know;

Pimp king Bhumibol, the satanic Chakri dynasty, the Thai governments, and almost all Thai people have known the future since the end of November 1999. They have known “After Prince William and Kay will have been at The Holy Home not many months, we will be ***disappeared from this world*** to die in merciless torments where are call “hell” and “the eternal flame” forever”. Thus, the Thai governments have borrowed your money with intents of: 1) I ***will not*** get full amount of damages. And 2) Pimp king Bhumibol, the satanic Chakri dynasty, the Thai governments, and almost all Thai people have wanted Me ***to repay the loan they have borrowed YOU instead of Thailand*** ☹☹.

As a result, I would like to warn you all. I have told foreigners what Thailand is since ***2005***. So, ***do not think to get the loan Thailand has borrowed you from Me***. I and My parents are not Thai people but ***English people. I am very strong possessive of My treasures***. And pimp king Bhumibol, the satanic Chakri dynasty, the Thai governments, and almost all Thai people have worked with all evil foreign people all over the world ***to violently torment Me and My parents to pass on for around 23 years***. Why do you think I should repay the loan the Thai governments have borrowed you instead of Thailand?

The God told Me “I (The God) will request judges in every court to order ***loan approval people*** to repay the loan by themselves. I (The God) know who else have cooperated with the devil’s dirty plan. ***The loan approval people must be responsible for the debt of Thailand!***”
