

***My letter to all good foreign creative people
(30 March 2022)***

*(I wrote this letter and **urgently** posted it on My website on 30 March 2022.) ...*

Dear All good foreign creative people,

I told you that I have known how all tricky Thai people fool others.
They have many deceptive ways to fool you into waiting.

How?

Let Me explain;

Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family prepared to deceive you by pronouncing in some songs which fool you into believing “The time of torments is ***“so long”***”

Recently, I heard pronunciation “It’s ***sure birthday***” and “You hurt (heard) in ***“May”***” in the song “Iffy” sung by Christ Brown. The month of My birthday was “April”. “April” which is the fourth month is called in Thai language ***“May-Sar-Yon”***. However, “May” in the English language is the fifth month. So that, because the pronunciation, so if Prince William does not phone Me on My birthday, you will be easy to ***trick and control*** to wait for ***“a day in a May”***.

Then, because some good foreign creative people were fooled into waiting for ***“the birth-month of a kid”***, so if Prince William does not phone Me in “May”, it is not difficult to ***trick and control*** you to wait for ***“a June”***.

Next, because many good foreign creative people were tricked into waiting for ***“a day when Prince William will know “I was fooled” by himself” to see “Law of Karma” (which good foreign creative people were fooled into believing “We’ll see “Law of Karma” by doing nothing”)***, so if Prince William does not phone Me in “June”, the Satans and all evil people can ***trick and control*** you to wait for ***“a Christmas Day”***.

And ***month names, dates, and times*** are pronounced in many English songs to help the Satans and all evil people to be effortless to ***trick and control*** you to ***“wait”***.

As a result, you and your friends ***have been waited*** to see “Which story is true?”

One of the results of your waiting is the Satans and all evil people have had ***much more time*** to ***severely torment*** Me and My parents to pass on ***continually!***

Have you ever listened to the song “I Just Called to Say I Love You” sung by “Stevie Wonder”? The song begins by the pronunciation ***“No knew your day to celebrate”***, right?

And Rihanna who has been pregnant her first baby pronounces in the song “Take A Bow (Main)”;

“Don’t tell me sorry cause you’re ***nine***
Baby when I know you wrongly sorry you got ***“Coy”***”

“Coy” is the pronunciation of a Thai word which means ***“wait for”***.

... Why Rihanna “fell in love” and has been “pregnant” ***at this time?*** ...

... Why Richard Gere who is more than 70 years old and ***believes in Buddhism*** that teaches ***“Law of Karma”*** “fell in love” and has 2 toddlers ***at this time?*** ... Some significant truths are that: 1) Richard Gere and Julia Roberts are lead actors of the movie “Runaway Bride”. And 2) Some singers pronounce ***“A” “S” “Ho”*** and ***“Jigme”*** in some English songs. Alejandra ***Silva*** started by alphabets ***“A”*** and ***“S”***. The eldest son of Richard Gere and Alejandra Silva is ***“Homer James Jigme Gere”***. And the name of their youngest son started by the alphabet ***“A”*** too.)

So, if 19 April 2022 when is My 46th birthday passes but Prince William does not phone Me, please find a way ***to speak out***, and/or ***to write***, and/or ***to show the truths*** you have known to ***Prince William and/or Prince Harry, and/or the public*** ...

... I really need your help ...

Pure regards,

Kay
