

***My letter to all good foreign creative people***  
(3 March 2022) ...

Dear all good foreign creative people,

The God told Me on 3 March 2022 in the morning “Kay, Will **will not** call You on Your birthday 2022. So, all good foreign creative people will know “We were fooled (again)””. I think it is possible in that you all will know how excellent of deception almost all Thai are, and you will learn to listen to Me.

The voice told Me 2 stories in the end:

1) While pimp king Bhumibol will be sleeping, **the spirits** will wake Prince William up to think about My words and **yours**, and **the spirits** will “spell” pimp king Bhumibol to continue to sleep. At that time, Prince William will be out of control of pimp king Bhumibol. Therefore, Prince William will figure out “Kay told Me the truths” because of My words and **yours**. Or

2) Pimp king Bhumibol is around 95 years old and does not trust anyone but himself. So, he will “control” Prince William by himself. Because he is very old and has needed to “sit and pay concentrated attention” to “control” Prince William by himself all the time Prince William is in his daily life, so one day, pimp king Bhumibol will be dozing off. While pimp king Bhumibol will be falling asleep, Prince William, Prince Charles, and Prince Harry will be their own themselves. And they will think of My words and **yours**. After that, Prince William, Prince Charles, and Prince Harry will figure out “Kay told us the truths” because of My words and **yours**.

I would like to underline it again;

1) You have let **only** Me speak the truths out since 2005, so My words **do not have enough weight** to help Prince William, Prince Charles, and Prince Harry to believe.

2) If you all **frequently** speak out, and/or write, and/or show the truths you have known to Prince William, Prince Charles, Prince Harry, and/or all moral Christians, they will **more frequently** think of My words and yours. So, it will be **difficult** for pimp king Bhumibol, the satanic Chakri dynasty, and all evil people to control Prince William, Prince Charles, Prince Harry, all good members of The British Monarchy, and all moral Christians. Because of that, all moral Christians will gradually understand themselves. And **because of that**, pimp king Bhumibol and the satanic Chakri dynasty will have **high chances of making mistakes** in controlling Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy. For that reason,

pimp king Bhumibol *will need to “sit and pay much concentrated attention” to “control”* Prince William, so he *will be so tired*, and then he *will be easy to fall asleep*.

3) *All* people who are not evil people but they are passed over because they want to help Me or help Me will *come back to lives* after Prince William and I will have been *at* The Holy Home. And

4) I strongly believe that *after* Prince William, Prince Harry, I, and My parents will have been *on a reliable royal plane in the sky to fly from Bangkok to London*, The God will spend 13 hours from Bangkok to London to directly tell each foreigner around the world the truths “You can reform yourself or you can’t reform yourself” to give *the last 13 hours that will be “the last chance”* to each foreigner especially all foreigners in the UK to make up his mind “Will I continually participate in the devil’s dirty plan?”.

And because I and My parents will be *at one of the safest places*, so each foreigner will be out of control of pimp king Bhumibol, the satanic Chakri dynasty, and all evil people, and will make up his mind *by being his own himself*. The God usually told Me “*Countless* foreigners *can* reform themselves” and “Other countries have good people *more than* Thailand”. So, I actually believe that almost all foreigners in the UK who participate in the devil’s dirty plan *can* reform themselves, and they will decide to *quit*.

This is an important reason why The God usually told Me “Appearances of You, Prince William, Prince Harry, and all people whom the Satans and all evil people ordered The God to change *will return to be real after* Prince William, Prince Harry, You, and Your parents will have been on a reliable royal plane in the sky to fly to London” ☺☺ ...

... Have you ever listened to the song “I Will” sung by Dia Frampton Feat. Blake Shelton? ... “*We* really need your help”... So that, why can you wait to *save Us and the world?* ...

Kind regards,

Kay

**Remark:** “We” and “Us” include all foreigners who can reform themselves but they participate in the devil’s dirty plan. I believe that many foreign creative people such as P!nk and Lady A have known “Why untold foreigners including our new generation decided to join the devil’s dirty plan” ☺☺.
