(7 April 2022)***

***(I wrote this letter from 5 April 2022 to 7 April 2022, and posted it on My website on 7 April 2022) ...***

Dear All righteous foreign police officers especially all righteous Scotland Yards and all righteous FBI,

Could you remember many of you had a childhood dream?

Could you remember when you were a kid, what was your dream?

Many of you dreamed of being a police officer, right?

Could you remember what your answer was when an adult asked you why you want to be a police officer?

Many of you confidently answered “I’ll arrest criminals to keep our country peaceful”, right?

Today, your dream came true. ... So, why you forgot your reason of your dream? ... Why many of you “drop and down the role”? And why many of you yourselves became “criminals”?

I love to see action movies from “Hollywood”. Movies are a mirror of your society’s reality. And how awesome of ideal foreign police officers are!

Therefore, today, I am dreaming of you who are authorized by the law of your country raid the office of the president or the prime minister, and the parliament to arrest them and declare “the rights of the defendants” such as ...

... “You are under arrest. You have the right to remain silent. Anything you say can and will be used against you in a court of law. You have a right to an attorney present during questioning. If you cannot afford an attorney, one will be appointed for you. Do you understand these rights?”

Now, your childhood dream came true. So, could you please help My dream to come true? 😊😊

😊😊 Respectfully ... still 😊😊
