

Another reason (17 January 2024)

Apart from;

1) If Ratchaneewan Ad-harn and Ad-harn family are killed, foreign people who participate in the devil's dirty plan but can reform themselves will see "bearing of fruits in this life" or another word is "karmas in this life", so numerous of the foreign people will quit the plan.

And

2) Pimp king Bhumibol, the satanic Chakri dynasty, and Thai high-level soldiers have still kept the lives of Ratchaneewan Ad-harn and Ad-harn family because they assigned Ratchaneewan and her family to lie to foreign people including judges and juries in every court of law so as to alibi and blacken Queen Elizabeth, The British Monarchy, British people, and many foreign people. After Ratchaneewan and her family will have laid the lies, pimp king Bhumibol, the satanic Chakri dynasty, and Thai high-level soldiers will order their henchmen to kill Ratchaneewan and her family so as to alibi and blacken Queen Elizabeth, The British Monarchy, British people, and many foreign people "Queen Elizabeth and The British Monarchy commanded their henchmen in Thailand to kill Ratchaneewan Ad-harn and Ad-harn family in that Ratchaneewan and her family had exposed the felonies and the crimes of Queen Elizabeth, The British Monarchy, British people, and their henchmen to everyone!"

Another reason why pimp king Bhumibol, the satanic Chakri dynasty, and Thai high-level soldiers still have not instigated their henchmen to kill Ratchaneewan Ad-harn and Ad-harn family is that pimp king Bhumibol and the satanic Chakri dynasty planned to lead all Thai people to lie to foreign people including judges and juries in every court of law ...

... "***We were controlled by Ratchaneewan Ad-harn, Ad-harn family, and their gangs.*** We were controlled to continue selling drugs and running the devil's dirty plan. ***We were not ourselves.*** We offended the felonies and the crimes unconsciously. ***Could you notice they controlled us not to kill them?***"

And/or

“We were not ourselves. We were controlled by Ratchaneewan Ad-harn, Ad-harn family, and their gangs. They controlled us not to proceed any cases against them. And we were controlled not to let Kay, Her Parents, and Her Group go out of Thailand!”
