

## ***As creditors***

*(I wrote these truths and posted them on My website on 22 November 2022.)*

Could you remember before 2000, there was a world-famous news ““The world will be in the end in 2000” said by Nostradamus”, and “Many famous fortune-tellers predicted “There will be a nu-clear war in 2000.””? But why has our world still rotated until today?

I told you “The God sent Me, Prince William, some gods, and some goddesses to “change the story” from a certain future to be another certain future”.

I told you “The God can send Me, Prince William, some gods, and some goddesses to “change the story” because all good foreigners and all foreigners who can reform themselves do not have any karmas which they must pay for pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people, or our world”.

Whereas, I did not point you to see “Our world has been still rotated until today by a large number of merits of Mine and Prince William, and merits of some gods, some goddesses, all good foreigners, and all foreigners who can reform themselves also”.

Could you remember which year The God started opening My mind?  
***2000 AD***, right?

And an important truth is that because I came and The God opened My mind, so The God can condition pimp king Bhumibol, the satanic Chakri dynasty, and all wicked foreign leaders ***“If somebody uses any nu-clears or any weapons of world destruction in any wars, I will forthwith take pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people including all wicked foreign leaders down to be brutally tormented in merciless states forever!”***

Could you figure out ***why*** our world would not be in the end in 2000? And could you figure out ***who else*** have saved the world since then?

Pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people including many wicked foreign leaders such as Bill Clinton, George W. Bush, Barack Obama, Donald J. Trump, Joe Biden, Xi-Jinping, Emmanuel Macron, and Jacinda Ardern have many chances to continually run the devil's dirty plan because our world has been still rotated. And colossal new generations were born after 2000.

So, did you understand what pronunciations ***“How far do you expect to go if we do not have a chance?”*** that I heard from the song “Stop” sung by Blue mean?

I would like to stress it again. Since 2000, our world has been still rotated by a huge number of the merits of Mine and Prince William, and the merits of some gods, some goddesses, all good foreigners, and all foreigners who can reform themselves also.

As a result, ***pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people including many wicked foreign leaders have relied on our merits to continually run the devil's dirty plan to hurt us!***

Did everyone who has basic knowledge of “karma” and “merit” understand that pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people ***have spent our merits to hurt us which are their new bad karmas?***

Therefore, because one of the reasons why The God sent Me and Prince William to be born is to help everyone to see “Bearing of fruit ***in this life***” or Buddha called “Karma ***in this life***”, so I would like all good foreigners and foreigners who can reform themselves especially every wounded person to prepare your answer for The God “What would you love to see pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people pay for us as the creditors of the merits to make them still alive? ...

***... As the creditors of the merits to make them still alive, but they have spent our merits to hurt us, so what should they be sentenced?”***

Last, have you ever listened to the song **“Stop”** from the new album **“Heart & Soul”** by **Blue**? 😊😊
