

Before I am jockeying songs of today (14 October 2023)

Before I am jockeying songs of today to help My all Muslims to understand yourselves, I would like Prince Mateen of Brunei Darussalam to listen to the first song of today.

The first song of today is “Midnight Train to Georgia” sung by Gladys Knight & The Pips.

In the song, a female singer says hi to Me by pronouncing “Kay” And male singers want to tell the truth to audiences by pronouncing not only the name “Meghan” but also the name **“Isa”**.

Prince Mateen, sir. What is **the full name** of your fiancée? And Prince Mateen, sir. If the name **“Isa”** in the song means “Jesus”, why there is also the name “Meghan” in the song?

Shall we listen to the songs of today:

- 1) Midnight Train to Georgia sung by Gladys Knight & The Pips
- 2) Dance Again sung by Jennifer Lopez Feat. Pitbull
- 3) Born This Way sung by Lady Gaga
- 4) Goodbye sung by Air Supply
- 5) F**kin’ Perfect sung by P!nk, and
- 6) Fly sung by Hilary Duff
