

Black Magics

(I wrote these truths and posted them on My website on 13 April 2023.)

Around 2 months ago, I started noticing that the bottom of a bowl in My kitchen had sticky and dark brown latex seeping out. At first, I neatly washed it and brought it to steam again. However, after it had been steamed, there was still sticky and dark brown latex seeping out, and the latex dirtied other dishes and bowls. At that time, I still could not figure the truths out, so I brought the bowl to neatly wash and steam again, but result was still the same.

On 8 April 2023, My dad told Me “I have still gotten so much pain at both 2 legs, and today, I started to feel that my left leg has no power to walk!”

Before the bowl would have sticky and dark brown latex seeping out, some plants in My home died by no reasons. And Gift told Me “My plants withered even I water the plants everyday. My mom told Me “Somebody prayed and spelled black magic to you” Then, my mom sprinkled holy water on them. After that, my plants recovered.”

As a result, the conditions of My dad which My dad told Me on 8 April 2023 made Me start to know “Somebody prays and spells black magics on Me and My parents!”

Later on, at 3rd round of neat washing and steaming the bowl and result was still the same, The Father Almighty told Me “Some Thai monks who know black magics prayed and spelled black magics on You and Your parents!”

So, on 10 April 2023, after I had made merit in the morning, I made a wish “May My all merits and My all goodness which I have made since I was created in the universe make black magics turn back to people who prays and spells black magics on Me and My parents, and turn back to everyone who involve in. And may all of the people die in violent death!”

After that, on 11 April 2023, My dad could go to a hospital alone by not using any canes. The Father Almighty told Me “Some monks and high-level Thai soldiers were afraid of Your wishes. So, the monks prayed to move the black magics from You and Your parents!”

Whereas, on 12 April 2023, My dad started to feel so much pain at both 2 legs and feel that the left leg has no power to walk again. So, I threw the bowl away into the bin outside My home. But after I had thrown the bowl away, I started noticing that the bottom of a dish in My kitchen started to have sticky and dark brown latex seeping out too. And it happened with a plastic bag which My mom and I have used to cover the wire of our washing machine!

The Father Almighty told Me on 13 April 2023 in the afternoon “The Thai monks have prayed and spelled the black magics to You and Your parents again in that everyone who involves with the black magics think “If Kay’s Dad gets better, it means that we accept that we prayed and spelled the black magics on Kay and Her parents, so we cannot excuse “The conditions of Kay’s Dad happened because of his illnesses!””

The Father Almighty told Me on 13 April 2023 in the evening “The leader who has ordered the Thai monks to pray and spell black magics to You and Your parents is pimp king Bhumibol. Pimp king Bhumibol has power to appoint the monks to be on higher positions in the Thai monk circle. And because the satanic Chakri dynasty has been the richest royal family in the world from selling drugs, so pimp king Bhumibol has much dirty money to pay to the Thai monks!”

One of the reasons why I told you these truths is that I would like to point you to see what Thai monks are. After high-level Thai soldiers whom The Father Almighty told Me “They are senators leaded by pimp king Bhumibol” requested the Thai monks to pray and spell the black magics on Me and My parents, the Thai monks did not teach them to stop doing sins and mortal sins, but the Thai monks agreed to be a part of the devil’s dirty plan just because of higher positions and much money they would pay ... So, how about Thai monks who spend their lives in Buddhist temples abroad, and foreign monks who ordained as monks in Thailand and were sent to be at Buddhist temples abroad?

In Thailand, even monks have made up their minds to be a part of the devil’s dirty plan. So, could you figure out what all Thai people and Thailand are?
