

Coronavirus (2)

In this video clip, I have 2 truths to tell you;

1. The God told me “Barack ordered scientists to genetically modify gene of Coronavirus. And then, Trump released Coronavirus”. And
2. To fight against Coronavirus which the US. Government released by orders of K9 and K9’s family, I request you all to;
 1. Stay home
 2. Work from home
 3. Although you strongly believe “I don’t get Coronavirus”, you must wear a mask when you are outside your home.
 4. Social distancing
 5. Wash your hands more frequently
 6. Gargle your mouth with saline
 7. Do not wear your clothes more than 2 times (1 time is the best)
 8. Pray to the God to request the God to help idiot brains of Will and Will’s family to know;
 - a. Why a woman disappeared from an airport
 - b. Why the God clearly appeared in many of my video clips

All innocent lives who pass on because of the devil’s dirty plan will come back to lives. However, if you do not try to prevent yourself from Coronavirus, the God will not group you into “All innocent lives”.
