I would like to tell the truths to help you to figure out what habits of almost all Thai and Thailand are.

I told you “Although they themselves exactly knew if I or Will die, they and all humans who are not devils, sinners, or wicked people, but they joined the devil’s dirty plan will be in the end the same as the death of Devadatta monk who tried to kill Buddha, they enticed many foreign humans to join the devil’s dirty plan by fooling those foreign humans “If Kay succeeds in suicide or dies, we’ll accomplish the devil’s dirty plan and triumph over the God together””

The latest truths that I just found out are;

They strongly want to run away from “Bearing of fruits”, so;

1) They do not want all good foreign mass communications to come into Thailand *to find the truths of almost all Thai and Thailand out to expose to the world.*

2) They do not want me to be acclaimed as a princess. *They cannot bear to see me have my own bodyguards, my own personal assistants and my own servants.*

*(They cannot bear to see good people live happily and get good things in their lives. Have you ever noticed what kind of woman whom they accepted to be their friends to order the God to be queens and princesses? They also cannot bear to see all people who work legally and morally receive much money because more than 75 percentages of Thai are drug sellers. Therefore, they ordered Google not to transfer my income from selling my first e-book to my account. If my money is in my account, and they mess with my money, my parents and I will be disappeared from Thailand to appear at Will).*

3) They do not want Will to easily come to get me at Thailand.  
And

4) They do not want to spend their time outside their houses.

*They genuinely knew if these 4 situations happen, what will happen to them.*

So, though they themselves really knew what will happen if I die, they let me write my first e-book “Is Jesus Christ coming?”, and convinced the US. Government to have full of confidence “If Kay dies, we’ll accomplish the devil’s dirty plan and triumph over the God together” to trick the US. Government into launching coronavirus. After that, the US. Government whom *almost all Thai let them know only* when the God will release Will and all foreigners who have been controlled released coronavirus.

The God told me “Some American authorities questioned K9 and doctor Dang “Why will the God release Will and all foreigners who have been controlled?” And K9 and doctor Dang fool them “It will be the time to release. Everything has been determined.” K9 and doctor Dang didn’t tell them “It’s because Kay will know if Kay or Will dies, the Satans, all evils and all humans who aren’t devils, sinners, or wicked people, but they joined the devil’s dirty plan will be in the end the same as the death of Devadatta monk!”” The God also told me “After you told the truths what will happen if you die, the rest of all humans who joined the devil’s dirty plan to control Will and almost all foreigners will be not more than 5 percentages. Last, I’ll release Will and all foreigners who have been controlled from control to think”

I would like to spotlight it again. Almost all Thai have 4 main purposes of tricking the US. Government into releasing coronavirus;

1) To obstruct all good foreign mass communications so as not to come into Thailand to find the truths of almost all Thai and Thailand out to expose to the world.

2) To extend the time to acclaim me as a princess.

3) To extend the time to allow Will to come to get me at Thailand.

And

4) Foreigners will not doubt why they spend their time in their houses only.

(Will and you will know I told you the truths after 19 April 2020 at 19 minutes past midnight (Thailand time) will have passed not many days.)

I would like to stress it again. The God told me many times ***“If I let you start your new life in America after you had already graduated bachelor degree in 1997, at the end of the story, K9, K9’s demonic wife, K9’s satanic family, the Thai Government and almost all Thai would lie to everyone “We were enticed to joined the devil’s dirty plan by the US. Government and almost all Americans. Thailand is a small and developing country, how can the US. Government and almost all Americans be enticed by us?””***

Could the truths that I told you earlier help you to know what K9, doctor Dang and almost all Thai ***lie to*** other foreign governments and foreign merchants? And ***could you figure out what habits of almost all Thai and Thailand are?***
