

Prince William, sir.

Pimp king Bhumibol who is the male Satan, prostitute queen Sirikit, the satanic Chakri dynasty, Ad-han family, and all evil people including Kate really want much more time to **continue** violent tormenting My parents and Me to pass on. Thus, they ordered the God to make Kate conceive the fourth child of you and her to fool you and all good Christians into **continue** waiting for The Judgement of Jesus that will occur in **4457 AD**. They strongly believe “After Kate conceive the fourth child of Will and her, it will be easy for us to **control** Will and all good Christians **to think** “We must wait **until** the fourth child will be born””.

(Prince William, sir. You and all good Christians have been controlled since the start the same as Me and My parents. Prince William, sir, I told you many times “**Since the end of November 1999**, pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, Ad-han family, and almost all Thai have conditioned The God “If You don’t want Kay to be death, everything in the world must be **as our thoughts**” and “If You aren’t under our orders, we’ll **kill** Kay”. ...

... Prince William, sir. Have you ever noticed the differences of My appearance and behaviors between at the beginning and today? Why do you think they can control only Me but cannot **control** you and all good Christians? Prince William, sir. Humans who are controlled by the thoughts of the Satans and all evil people **do not understand themselves**. They think “I have **my own** best reason to not follow Kay, and to do or to not do.” But in reality, they are following the thoughts of the Satans and all evil people! ... Prince William, sir. Could you remember pronunciation in the song “F**kin’ Perfect” sung by P!nk “**Strange** yourselves and we do that **all the time**, Why do we do that?, Why do I do that?, Why do I do that?”)

Prince William, sir. Have you ever thought while I still have been detained **in Thailand, the worst country where the monarch and almost all citizens have worked together to kill Me**, I have heard thoughts of **the Satans and devils by The God’s voice**, but you have heard voices of The God and Jesus? Prince William, sir. Now, I still am being detained **in Thailand, the worst country where the monarch and almost all citizens have worked together to kill Me**, so the Satans and all evil people can order The God to do almost everything in the world to be up to their thoughts. So that, is your thoughts “The God and Jesus have talked to me while Kay still has been detained **in Thailand**” reasonable? Prince William, sir. Think twice: Whom you have heard, The real God and real Jesus, or the Satans and the devils **have pretended to be** The God and Jesus **by using the God’s voice**?

Prince William, sir. I call the Satans and almost all Thai “*dogs*” because there are 2 Thai idioms that show 2 kinds of bad dogs. Prince William, sir. Have you ever noticed the words “*God*” and “*dog*”? Just *switch* the alphabet “G” and “d”, then “dog” becomes “God” and “God” becomes “dog”.

Prince William, sir. I told you “People who are targets of the Satans and all evil people are fooled *systematically*” and “They are the Satans and all evil people. Why do you truly believe they can fool only Me but cannot fool you and all good Christians?” Why could not you figure out?

Prince William, sir. Jesus will come to judge the living and the dead in *4457 AD*. Prince William, sir. My parents have been *severely* tormented for *22 years fully* (Now, My dad is nearly 76 years old and My mom is nearly 73 years old). And for Me, I have been violently tormented for *almost 32 years fully* (I have been severely tormented since I was *14 years old*. Now, I am nearly *46 years old*.) Prince William, sir. Today, I wait for only you because you are *the only one* man in the world who *can* bring Me fly to The Holy Home. And I have felt familiar to spend My life *alone*. So, Prince William, sir. Do not worry about Me. After you and I will have been at The Holy Home, our relationship will be *in the end*. ...

... Therefore, could you and your real family please *stop* waiting for Jesus?

Best regard,
Kay
