

Dear The Fuckest Queen Elizabeth, all fuck members of The Fuckest British Monarchy, all fuck members of The Fuck Monarchies in Europe, and all fuck members of Fuck Imperial House of Japan.

Let Me explain to you again why I call “king Bhumibol” “pimp king Bhumibol”. Why I call “queen Sirikit” “prostitute queen Sirikit”. Why I call “king mha Vajiralongkorn” “pimp king mha Vajiralongkorn”. Why I call “queen Suthida” “prostitute queen Suthida”. Why I call all princes of the satanic Chakri dynasty “pimp”. And why I call all princesses of the satanic Chakri dynasty “prostitute”.

Not only Thailand has prostitutes but almost all countries in our world also have “prostitutes”. The UK has prostitutes. The US has prostitutes. Denmark has prostitutes. Netherlands has prostitutes. Spain has prostitutes. Japan has prostitutes. China has prostitutes. And Dubai has prostitutes. But The God let all foreigners call only Thailand “the prostitute country”.

King Bhumibol is the ninth king of the Thai dynasty. King mha Vajiralongkorn is the tenth king of The Thai dynasty. The Thai dynasty is the dynasty of Thailand. Thailand is “the prostitute country”, so what the kings of “the prostitute country” are? “Pimps”, right?

Queen Sirikit is the queen of pimp king Bhumibol of the Thai dynasty. Queen Suthida is the queen of pimp king mha Vajiralongkorn of the Thai dynasty. The Thai dynasty is the dynasty of Thailand. Thailand is “the prostitute country”, so what the queens of “the prostitute country” are? “Prostitutes”, right?

In the same way, what princes of “the prostitute country” are? “Pimps”, right? And what princesses of “the prostitute country” are? “Prostitutes”, right?

And what natures of “pimps” and “prostitutes” are?

Could you all figure out why I call them “pimp” and “prostitute”?

And could the truths that I told you all earlier remind you of *what king Herod did to Baby Jesus?* ... Have you ever read The Bible? ...Do you know *king* Herod?

How many times you all talked to the pimp king and the prostitute queen of “the prostitute country” face to face? How are you sure that the fame of “the pimp king” is his real mind? Why do you believe their *images* more than the truths from Me who *never lie to* anyone?

Once again: I am The Daughter of The God and the soulmate of Prince William. Why did The God send Me to be born as a *Buddhist* in *Thailand*? Why did not The God send Me to be born as a *Christian* in *the UK*?

Because you all are idiotic, so I am telling you three of the reasons why The God send Me to be born as a ***Buddhist in Thailand:***

1) As a Buddhist who grew up in Thailand, I have known the essential truths that all good Christians and all good Muslims have never known since I was ***a little girl.***

2) Because I was born and grew up in Thailand, so ***I have known all real Thai and Thailand*** since I was a teenager. As the eldest daughter of a middle-class family who have been violently tormented by the Thai police drug-selling gang since I was just 14 years old, and on 19 April 2022, I will be 46 years old, why do not I know all real Thai and Thailand? And

3) Because I have been detained in Thailand, so Prince William will set the best example of how a gentleman should treat his own soulmate, and effort brings miracle by helping Me ***to go out of Thailand*** ... Why should an Angel who is The Daughter of The God spend her life in “the prostitute country”, right?

Last, I would like you all to know that I have thought “I shouldn’t have fallen from heaven. ***I should let you all be overthrown!***”

Remark: I strongly intended to make you all feel very moody and very demented, so I wrote “Dear The Fuckest Queen Elizabeth, all fuck members of The Fuckest British Monarchy, all fuck members of The Fuck Monarchies in Europe, and all fuck members of Fuck Imperial House of Japan”. I really hope that because I wrote that, so you all will understand how I have felt about being ***in a bad mood*** for ***most of the days since 2000!***
