

***Did Unilever (Parent company) know these truths?***  
*(I wrote these truths and posted them on My website on 8 September 2022)*

I have known that “Unilever” is a joint venture of English people and Dutch people. So, I would like to ask “Unilever (Parent company)” “Did you know these truths?”

What?

Let Me tell you;

Both “Rexona Dry Serum” and “Dove Dry Serum” are products of Unilever (Thailand).

The first time and the second time I bought deodorant cream, I both “Kiehl’s” that has no fragrance. The third time and the fourth time I bought deodorant cream, I bought “Dove” but I “do not” “click” their fragrances (Present Simple Tense). So, after “Rexona” had launched “Rexona Dry Serum Fresh Rose” and “Rexona Dry Serum Fresh Sakura”, I decided to try using them. And because I “clicked” their fragrances, so I have used only them since they were launched.

Around 1 – 2 years ago, I planned to try using “Rexona Dry Serum Sexy Bouquet”. After that, I cannot find “Rexona Dry Serum Sexy Bouquet” from any shops or any places.

On 27 August 2022, I went to Tops Super Market at Central Lad Prao. I found that there were not “Rexona Dry Serum Fresh Rose” and “Rexona Dry Serum Fresh Sakura” at Tops. There was only another formula of “Rexona” that has the word “Stain” on its tubes, and there were only 2 – 3 tubes on the shelf. But I do not use this formula.

After I had come back home, I tried searching “Rexona Dry Serum Fresh Rose” and “Rexona Dry Serum Fresh Sakura” on applications “Watsons” and “Konvy”. But there were not both of them too.

On 3 September 2022, After I had bought some product from the application “Lazada”, I tried finding “Rexona Dry Serum” on the app too. And I found that there were “Rexona Dry Serum Fresh Rose” “Rexona Dry Serum Fresh Sakura” and “Rexona Dry Serum Sexy Bouquet”. Whereas, before 3 September 2022, the most expensive price which I had bought “Rexona Dry Serum” had been 119 THB a tube. But on 3 September 2022, I found that the prices of “Rexona Dry Serum Fresh Rose” “Rexona Dry Serum Fresh Sakura”

and “Rexona Dry Serum Sexy Bouquet” on the app were not less than 230 THB a tube. Some shops sold at 294 THB a tube!

The God told Me “Thai people who are owners of the shops on “Lazada” have agreed with the sale department of Unilever (Thailand) to hoard the products to sell foreigners especially Chinese.” And because I know natures of all Thai people, so I know that because I have used “Rexona Dry Serum Fresh Rose” and “Rexona Dry Serum Fresh Sakura”, so they have become “best seller”. But “Dove” does not sell well. Therefore, Unilever (Thailand) has planned to sell “Rexona Dry Serum Fresh Rose” “Rexona Dry Serum Fresh Sakura” and “Rexona Dry Serum Sexy Bouquet” for the shops on “Lazada” to sell foreigners and Chinese at very expensive price. If I cannot find “Rexona Dry serum” to use, I will buy “Dove Dry serum” to use instead. Then, “Dove Dry Serum” will sell well the same as “Rexona Dry Serum”!

Did Unilever (Parent company) know these truths?

You can observe what I love to use but what I do not use in that The God has opened My mind since 2000. As a result, *if you want Me to use your product, why do not you develop your product to please Me? Why do you indirectly force Me to use your product?* My wage is so much expensive, so if The God tells judges “Kay told you the truths”, *you have to pay a huge amount of your money to be My compensation and interest!*

The warning in the previous paragraph is for not only “Unilever” but also “Amway” “Aviance” “Beyonda” “Carrier” “Coke” “Eucerin” “Kao” “L’Oreal” and “Nivea” too. ...

*... I told you “What the desires and the emotions of all Thai people are”, and “10 Principles almost all Christians use to lead their lives” ... Why cannot you figure out what your real behaviours and real habits are? ...*

*... Because all companies above are “foreign companies” and all people in the world knew how I feel with foreigners, so I would like to question you “If a person whom you think he is your good friend has kept staring on only how to take advantages from you, how will you feel?” ...*

... Did Unilever (Parent company) know these truths?

Anyway, another suspect for this case is “Malissa Kiss” (Product of Thailand). Let Me explain why?

While I could not find “Rexona Dry Serum Fresh Rose” “Rexona Dry Serum Fresh Sakura” and “Rexona Dry Serum Sexy Bouquet” at reasonable price from any shops, I found “Malissa Kiss Underarm Whitening Cream (30 ml.)” on some apps. They were on sale from 250 THB a tube to 125 THB a tube. And I felt *“interested suddenly”* because since 2000 My underarms have been blacker but “Rexona” both “Dry Serum Fresh Rose” and “Dry Serum Fresh Sakura” have not help them whiter.

However, I still have not bought “Malissa Kiss Underarm Whitening Cream (30 ml.)” because I am an SLE patient. I am chemical allergy. And “Malissa Kiss Underarm Whitening Cream (30 ml.)” is expensive (“Rexona Dry Serum (50 ml.)” are only 119 THB a tube, but “Malissa Kiss Underarm Whitening Cream (30 ml.)” are 250 THB a tube or on sale 125 THB a tube.) So, if I buy “Malissa Kiss Underarm Whitening Cream (30 ml.)” and I get chemical allergy, I will miss My money.

Last, I would like you all to know that if I cannot find “Rexona Dry Serum Fresh Rose” “Rexona Dry Serum Fresh Sakura” or “Rexona Dry Serum Sexy Bouquet” at reasonable price from any shops, I will buy the product of “Kiehl’s”!
