

**Did you know?**  
**(21 January 2024)**

I told you many times “I am The Youngest Daughter of The Father Almighty or another name is Allah. The Father Almighty or another name is Allah sent Me to be The Only One Latest Prophet of The Current Millennium, and sent The Son, some gods, and some goddesses to help Me to complete My Missions. **My Main Missions are to help, to redeem, and to teach.**”

Refer to the truths I told you in the topic “Did you see? (20 January 2024)”, could you notice that **“the specific techniques in lying” of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people tempt foreign people not into believing Words and Solutions of The Prophet. Even The Son, gods, and goddesses sent by The Father Almighty or another name is Allah to help Me to complete My Missions do not believe My words and My solution to help the world to be better too.**

**If foreign people especially The Son, gods, and goddesses who were sent to help The Prophet to save the world, do not believe Words and Solutions of The Prophet, how can The Prophet save the world? How can The Prophet help the world to be better? And how can The Prophet complete Wills of The Father Almighty or another name is Allah?**

The Father Almighty or another name is Allah **does not want** anyone to let pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people offend crimes, felonies, sins, and mortal sins before, I mean that **just believe His Words** that tell you after I, The Son, My Parents, and My Group are at the safest place “Who the Satans, devils, and sinners are” “What they planned to do” “What they have done” and “What they would do if they had a chance to live in the new world”. But because of **“the specific techniques in lying” of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people, so they can tempt foreign people into letting them and all evil foreign people make the world to be opposite to the world must be as Wills of The Father Almighty or another name is Allah.**

Because of these and because if The Father Almighty or another name is Allah did not send Me to be born in this world to stop pimp king Bhumibol and the satanic Chakri dynasty who have run the devil's dirty plan since Thailand was in the reign of pimp king Bhumibol, all Thai people and all evil foreign people led by pimp king Bhumibol and the satanic Chakri dynasty will change foreign people especially Christians and Muslims to be the same as them and will change our world to be "the world of drugs, sins, and mortal sins" to bring the foreign people to die in hell and the eternal flame with them forever as countless as they can, so ***did you know why The Father Almighty will not definitely let pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people live in the new better world but will take them all to their real habitat which is called hell and the eternal flame forever and will make Thailand sink into the sea? ...***
