

## ***Did you see?*** ***(20 January 2024)***

Did you see that all Thai people lead by pimp king Bhumibol and the satanic Chakri dynasty could use “**religious beliefs**” of other religions for fooling all good disciples of the other religions into waiting for something is not real **for around 24 years**?

Could you notice that they all know **how to** lie to their all targets to trick the targets into believing their lies?

Did you see that **their all targets are trapped by their lies** even the targets are The Daughter and The Son of The Father Almighty, gods and goddesses whom The Father Almighty sent to do The Missions, The Pope of Catholic, all ethical members of royal families, people who have skills to catch up the lies of other people such as judges, state attorneys, attorneys, and lawyers, people who have high-education such as professors and doctors, righteous authorities who have high-skills in their work and work “in teams” such as police officers, detectives, and soldiers, and western people who are famous for “process of science” and “reasoning”? I mean that their all targets who are in **every group** are fooled by their lies successfully!

Dangerous truths are that **they have reasons which seem to be appropriate to support their lies, their all targets believe the reasons which seem to be appropriate, their techniques to lie make their all targets cannot figure out what the truth is, and their all targets make up their minds to do or not to do according to their lies. I mean that their lies can direct their all targets to do or not to do as they want!**

Another dangerous truth is that their all targets decide not to believe Me who **never** lie to anyone but decide to believe their lies **instead!** ... I mean that **their lies seem to have more appropriate reasons than the truths!**

And **did you see their plans to alibi and blacken innocent people?**

**Even the king of Thailand and the dynasty of Thailand are like these. How about ordinary Thai people?**

So, will it be your time to believe My words “All Thai people naturally are heretics as Satans, devils, and sinners in that they declare themselves “Thailand is the land of Buddhism” but all Thai people do everything **opposite to** the teachings of Buddha”?

If you know *the first five basic precepts to help Buddhists to be humans completely* and if you know *how daily life of all Thai people are*, you will know that I tell you the truths!

As a result, how do you think if The Father Almighty tells you “If I did not send Kay to be born in this world, all Thai people whose appearances and behaviors *seem to be* kind, nice, sincere, and friendly will use *their natures such as excellence in deception and tricky* for *changing* all foreign people especially Christians and Muslims to be *the same as* them and for *changing* the world to be *“the world of drugs, sins, and mortal sins”* so as *to bring foreign people to die in merciless torments with them forever as countless as they can?* ...

*... Could “their works” and “this evil era” help you to know that they can do very easily? ...*

***... Did you see? ...***
