

Examples of how to sentence people who love to torment other people (5 October 2023)

The truths are;

1) Pimp king Bhumibol strongly wants conflicts and wars to occur all over the world because he receives dividend from selling arms.

2) Pimp king mha Vajiralongkorn strongly wants all men in the world to be crazy about women and sex, and to be promiscuous like him.

3) All female members of the satanic Chakri dynasty strongly want good women in the world to be anguished, and really want all women in the world especially modern women to be “rhinoceros”, to be crazy about men and sexual activities, to flirt, to lose virginities when they were young, to be pregnancy before marriage, and to be promiscuous like them.

4) Pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people really want foreign people to have natures like them. And

5) Pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people feel fun, happy, and ecstatic when other people especially the good hurt, feel anguished, torment, and die.

An example of their wickedness is;

In the period of the time while coronavirus was starting spreading in Thailand, I did not go to any department stores. Calvin Klein is one of My most-loved brands. So, at that time, I bought Calvin Klein from catalogues of a saleswoman.

The first time I saw a catalogue from the saleswoman, I “was really clicked” by a black T-shirt which pattern is red roses and on sale. The status “on sale” shows that it had been sold at Calvin Klein branches before coronavirus was launched. I mean that it was in Calvin Klein branches when I still went to department stores.

Whereas, the saleswoman told Me “Your size for the T-shirt was run out”. But because I really loved the T-shirt, so I tried to ask for other sizes. But the saleswoman told Me “We have only size S”.

1 – 2 days after that, while I was thinking of the T-shirt, The Father Almighty or another name is Allah told Me ...

... “Kay. Designers of Calvin Klein designed the T-shirt for You. Officers of Central Trading that imports Calvin Klein to sell in Thailand knew this truth. So, they sent the T-shirts to sell at Calvin Klein branches where you never go. ...

... After that, the news of the T-shirt was sent to all Thai people. Then, all Thai people helped one another to torment the designer team of Calvin Klein who designed the T-shirt for you!”

After you read the truths earlier, what do you feel and think?

The Father Almighty, or another name is Allah told Me many times “There is a group of foreign people whose natures are like all Thai people but not many foreign people in the group. Some of their same natures are that they feel fun, happy, and ecstatic when other people hurt, feel anguished, torment, and die”

Examples are;

1) Camilla Parker Bowles. Camilla has tormented people all over the world especially British people who love Princess Diana and/or Me, and British people who do not like her.

2) Kate Middleton. Kate has tormented people all over the world especially British people who love Me and/or Princess Diana, and British people who do not like her. For Kate, even British toddlers are not excepted. And

3) Meghan Markle. Meghan has tormented people all over the world especially Americans and British people who want Prince Harry to meet and marry his soulmate, and American and British people who do not like her.

Because their natures are like these, so if their all money is not enough for compensating us, they must be so very much severely tormented before they will go to hell and the eternal flame.

How?

After I and Prince William will have been at The Holy Home, The Father Almighty or another name is Allah, will ask for some public areas of Christian countries, Muslim countries, and all countries where most of citizens want to see they be sentenced.

Then, The Father Almighty or another name is Allah, will move all of them into prisons which He will create in the areas. Although they will have been killed, they will be come back to lives in the prisons. The Father Almighty or another name is Allah will prison them like chicken and hens that Dhanin Chearavanont feeds for killing to sell. And they will be so very much violently tormented daily.

Examples of the torments are:

1) Cut the joint bones of their fingers and toes one by one. Start at little finger of the left hand and end at the left wrist. After that, begin at the little finger of the right hand and end at the right wrist. Later on, start again at the little toe of the left foot to the left ankle. After a while, begin again at the little toe of the right foot to the right ankle ... More than 30 joint bones a person 😊😊.

2) Use a very sharp knife deeply cuts into their skin. Let the wound open and bleed around 1 – 2 minutes. Next, pour tinge iodine and/or alcohol into the wound and “let “them” cry” for a while. Then, clean the wound by putting thick salt into the wound. Where to cut on their skins? ... All over their bodies 😊😊.

3) Inject drugs into their bloodstream by dozes which make them extremely addict the drugs in the first 3 times. Then, let them so very much need the drugs 😊😊.

4) For them who love to lie to, who teach other people to lie to, or who love to order and/or force and/or control their victims to lie to other people, The Father Almighty or another name is Allah, will use an electric drill which the drill is plenty of broken glasses and very sharp nails for drilling from their lips to below tonsils 😊😊. And

5) For them who saw My naked body or who let foreign people all over the world see My naked body, they all will be naked body in the prisons. And The Father Almighty or another name is Allah, will use an electric drill to drill into their eyes too 😊😊.

The five sentences earlier are just examples. If you have other superb sentences in your mind, after I, My Parents, and My Group arrive London, you can send a post or an email to tell Me 😊😊. Maybe your sentence will make The Father Almighty or another name is Allah, I, and Prince William love it and use it for them 😊😊.

The Father Almighty or another name is Allah told Me “Kay. Nobody on earth needs to torment them. I, Jesus, Na-bee Mohammad, all gods, and all goddesses both in heaven and hell will torment them by Ourselves. And because they order Me to control other people to be and/or to do as their minds, so when their torment times come, each of them will be controlled to surrender to be tormented unavoidable. Only their blood, their loud and painful screams, and their hurtful face and body languages will teach everyone “What else you will get if you torment other people” or “You reap what you sow”. I mean that everyone will see “Miracles of Bearing of Fruits in this life” or “Miracles of Karmas in this life”. They all will know how “hell on earth” are 😊😊.”

We believed that all Muslims especially Muslims who live in conflicts and wars such as Syrians especially Syrians who lost someone they love in “hospital-bombs” or “chemical weapons”, all countries where have “(un)natural disasters” such as China, Japan, and the US, all countries where have conflicts and wars such as Ukraine, and people all over the world who are their victims will feel pleased with Our Sentences 😊😊. ... An eye for an eye, and a tooth for a tooth are One of The Holy Principles that we must teach them who all cannot reform themselves 😊😊 ... What they all who cannot reform themselves have done to us must be paid back to them appropriately, right? 😊😊. ...

Last, thank you so very much for good wills of Calvin Klein, Ganni, Marks and Spencer, Marks and Spencer Collection, OMEGA, Rolex, and Tiffany & Co. 😊😊.

😊😊 See U all later 😊😊

...

Note: 1) I apologize to the designer team of Calvin Klein for telling your story to foreign people so late. The Father Almighty told Me “Kay. All Thai people do not strongly want You to tell the truth of the T-shirt and the designer team of Calvin Klein to foreign people. In that they all know how disgusting of their deeds were and what foreign people will feel and think with their deeds. But now, it is the right time, so I let you think about the T-shirt to tell everyone!” ... I apologize again, sir. ...

... And because I do not love to wear slim-fit or relax-fit long-sleeve shirts for men, so I really hope that you will periodically launch Calvin Klein unisex long-sleeve shirts and Calvin Klein unisex sweaters for Me after I will have received money from Prince William 😊😊. ... Thank you so very much in advance, sir 😊😊. ... See U all later 😊😊.

And

2) Could you notice 2 people who died for shooting at Siam Paragon were both foreign people? One was Chinese. And one was Burmese.
