

## **Goodbye**

**(21 May 2023)**

In this video clip, I would like to declare that I am stopping sending My mind in that nobody listens to and helps Me. Even Prince William of The British Monarchy who was My older brother in heaven and was sent to be My backup has let Me spend My life in very hot weather and have hard life in Thailand. However, if I have something to tell you, I will post it on My website.

Anyway, The Father Almighty told Me “A huge number of humans who can reform themselves are “the white””.

Before I am finishing sending My mind in this video clip, I have something to talk to Prince William;

Prince William, sir. You do not need to worry if you do not want to talk to Me. Because I do not want to talk to you too. So, after you firstly call Me, we will send emails to talk to each other about our missions only. And I will not definitely mass with your money and treasures, or money and treasures of The British Monarchy. I just really need your help to dun Google for My all money which I have gotten from selling My first e-book on Google Play, and your help to support My latest book to be published because I need much money to spend for electricity cost, cure diseases of My parents and Me, and My daily life.

Prince William, sir. Because your deeds help Me to know that I will not definitely be happy if I marry you. So, you do not need to worry about Me and My parents. After I and you will have arrived The Holy Home, our relationship will be in the end. If you force Me to marry you, I will divorce. And after I will have finished My missions at The Holy Home, I and My parents will go back to The Land of Daddy Almighty as fast as possible. So, in the end, you will be free. So that, you can spend your life with other women whom you want.

Prince William, sir. If other men could bring Me fly to The Holy Home, I would not definitely wait for only you. But only you and The British Monarchy can help My missions to succeed, so I need to wait for calling from you even though I really want to request other men to help Me.

Prince William, sir. I am waiting for calling from you because I need to wait for.

Prince William, sir. I am waiting.

Goodbye.
