

## **Goodbye (2)**

**(17 June 2023)**

In this video clip, I would like to say “I apologize so very much” because I told you “This week, I am telling you what else pimp king Bhumibol, the satanic Chakri dynasty, and David Cameron assigned consultants of King Charles to do to blacken and overthrow Queen Elizabeth, King Charles, Prince William, Prince Harry, and The British Monarchy to manage to survive”. However, I cannot record any video clips anymore because;

1. I am the only one person in the world who have not slept enough every day since 2000 in that pimp king Bhumibol, the satanic Chakri dynasty especially อีหอยหลวม prostitute princess Ubolratana Rajakanya, อีหอยแหก Ploypailin, and อีหอยแหก Sirikitiya, all Thai people, and all evil foreign people have ordered The Father Almighty to wake Me up every time I start to deeply sleep. Examples are that from 7 June 2023 at around 9:30 pm to 8 June 2023 at dawn, I was woken up every 2 hours, and total 5 times at that night, and as of lately, pimp king Bhumibol and the satanic Chakri dynasty have let Me go to bed at around 1:00 am and 3:00 am, and I have been woken up around 1 – 3 times a night.

2. I have not slept enough, so I have usually felt pain at My eyes.

3. I have gotten Lupus since 2018, so I have been weak.

4. I have gotten symptoms of Menopause, so I have been weak.

5. I have been busy and have felt so tried as My mom has not been at My home and Prince William still has not sent any of his trustworthy British people to Thailand to help Me to do housework and to look after My dad. And

6. I still have not gotten any money from selling My first e-book from Larry Page, Sergey Brin, and Google Play. I mean that they all cheat Me. Therefore, I have no money to hire any maids and any nurses to help Me to do housework and to look after My dad.

I mean that I am busy, very weak, and too tired to record any video clips. When I read a script, I feel so tried. As a result, 25 June 2023 will be the last day I am sending My mind. However, if I have something to tell you, I will post it on My website.

I apologize so very much again.

Goodbye.
