

## ***My emergency message to His Holiness Dalai Lama (20 October 2023)***

I would like to send My message in this video clip to His Holiness Dalai Lama.

His Holiness Dalai Lama, sir. I believed that you knew that who I am, why I was sent to be born, and you were sent to be born to be one of My VIP to help Me to save the world.

His Holiness, sir. I cannot bear the war between Israel and Palestine anymore in that the war makes our children lose their dad and/or their mom and/or their family. And not only many of our children must eat grass instead of human's food, and many women were rape in the war but numerous people were also killed in the war too.

So, His Holiness, sir. I sent an email to you by My email: nhaphatkamon@gmail.com at the midnight of 20 October 2023. His Holiness, sir. What have happened to our children were attached to the email.

His Holiness, sir. Because of your book which was translated in the Thai language, so I knew that one of the targets of your life is one of My Missions too. So that, His Holiness, sir. We could work together to help our world to be the better world.

His Holiness, sir. I never went abroad alone and I have no money, so I need a visa to go to India, an airplane ticket to go to India, a host to come to get Me at an airport of India to bring Me to your office, a room to stay, and food. And although I will come to Gaza alone, I really would like you to bring Me to Israel. His Holiness, sir. Could you please help Me?

His Holiness, sir. Please read My email and please help Me.

His Holiness, sir. I am waiting for calling from you to stop million heartaches from the lost in the war.

His Holiness, sir. I am waiting.

Thank you very much, sir.
