

## How many years have they run the devil's dirty plan?

(Rewrite of "How many years they ran the devil's dirty plan"  
which was emailed Prince William on 23 January 2019)

Note: **I wrote this script while I was being deceived** "Will is trying his best to help You. He ordered his authorities to secretly investigate to find the truths out".

I would like to throw light on it again. **In early 2019, I was being still tricked** "Investigation is a way to solve the problems. So, Will will order his trustworthy authorities to investigate to prepare himself for declaring the truths."

**The truths are that** if I am still detained in Thailand, pimp king Bhumibol and the satanic Chakri dynasty can order The God to do many things as their minds including controlling the mouths of all innocent foreign creative people and many witnesses to speak out as their thoughts.

Therefore, the time when trustworthy authorities of Prince William **can** find the truths out will be:

- 1) Around 13 – 14 hours when a reliable royal flight will have flown out of the territory of Thailand until the flight will depart at London. And
- 2) After I, My parents, Prince William, and Prince Harry will be at The Holy Home.

**In early 2019, I was being still deceived** "Will and his family are trying their best to help You" too. And I sincerely believed the lies because I told them many important truths that I knew, and I strongly believed "Will and his family aren't idiotic!"

By the way, I plus this script in this book because this script will tell you how we **can** manage our advantages to see "Bearing of fruits **in this life**", or it is called in the English language "What goes around comes around" ("You reap what you sow" or another sentence is "Everything I do comes back to me"). Why must we wait for "The end of the test" which is **unreal**, and "The Judgement of Jesus" which **will not definitely take place in the current millennium?**

Shall we see what this document tells you ...

Will, I would like to question you again. *How many years have David Cameron, Kate, Camilla, Meghan, and their friends run the devil's dirty plan? If you want much evidence to prove their offenses in courts of law, but your authorities are not able to fast investigate and find much evidence after David, Kate, Camilla, Meghan, and their friends ran the devil's dirty plan 19 years, and you and all ethical monarchies do the right, is their ability enough for being your authorities? Why does your government need to waste state budget of your country to hire them?*

Will, could you remember I told you in the video clips which I call "Synthesize Later" "A male BBC reporter questioned pimp king Bhumibol "Do you have any plans?" and "What is your plan?" Will, the male BBC reporter questioned him by these significant questions when pimp king Bhumibol was around 34 – 45 years old (Around 1961 – 1972 AD). Will, *before 2000 many years, even the male BBC reporter knew what pimp king Bhumibol was doing. If you order your authorities to quickly investigate and find much evidence in early 2019 when is the time at which David, Kate, Camilla, Meghan and their friends have continued running the devil's dirty plan for around 19 years, why do you and your family believe from 1960 – 2019 cannot help your authorities to fast find much evidence to prove their felonies in courts of law?*

Will, once around 2000 – 2003, I heard Ratchaneewan Ad-harn's voice "O's home is recruiting new workers". So, Will, I need to straight talk to you. Our Father told Me many times "Will's law team and many people who work for Will's palace have joined the devil's dirty plan. Many people who got job in Will's palace got the job because they decided to participate in the devil's dirty plan. They believe "David Cameron will be a king, and will appoint me to be high position in my country, and then will give me much profit". Hence, they promised David "I will be loyal and honest for you forever". David himself taught lawyers in Will's law department who were fresh and decided to join the devil's dirty plan "How to step up on higher chairs". And low-level lawyers must follow high-level lawyers because they don't want to lose their job".

Will, Our Father also told Me "David and Will's authorities made up their minds to work the devil's dirty plan with pimp king Bhumibol, prostitute queen Sirikit, and their satanic family together as pimp king Bhumibol promised them "I will give you much profit from selling drugs and corruption". Will, *could you remember I told you a long time ago "Your country is our real motherland, so they must change your country to be the same as Thailand, first"? Will, I believe you knew. One of My habits is if I do not have full of confidence, I will not speak out.*

Will, Our Father requested Me by the voice of a man who nearly die, on 3 December 2018 in the morning *“Kay, please help Will”*. Will, *how can I help you? Because when I request you to turn right but you always turn left. You listen to everyone but Me.* Will, Our Father told Me *“I always appeared in almost of Your all video clips since You recorded video clips which You call “Synthesize Later” in that I strongly want Will and all good foreigners to know “It’s my time to believe and follow Kay’s words””*. Will, Our Father told Me *“Kay, tell Will. Soulmate must listen to each other”*.

Will, one of the reasons why your mother could not live her life with your father is your mother did not want your father to go to Bowles’ house but your father never listened to your mother, right? Will, *listening to each other shows that soulmate still care each other.* Will, *have you ever thought why Our Father created you and Me to be Soulmate, and sent Me and you as Soulmate to save the world?* Will, I would like you to know one of My thoughts. You and your family never listen to, and honour Me. *Will, are your actions the actions of English gentlemen do for his soulmate?*

Will, Our Father told Me as well *“Will trusts his authorities because Will thinks “If nobody helps us, who will help us?””*. Will, *why do you think you cannot declare the truths of your teenage life and marriage of you and Kate by telling the truths “I was fooled “This’s a test”” and explaining the voices which ordered you to do many evil things since 2000 to all good foreign mass communications? Will, you also have many video clips that you talked to your mother and/or your family about your Soulmate whose name is “Kay”.* As a result, now, you *should* spend your time for; *1) Recalling your memory about the truths 2) Listing many orders that have forced you to do many evil things since you were a teenager And 3) Gathering many video clips that you talked to your mother and/or your family about your Soulmate whose name is “Kay”, instead of spending your time for following many orders that the Satans and the devils order you, and playing with your children.*

Will, maybe *you forgot that My heart and feelings told everyone who My Real Soulmate is.* And *after we will have been at The Holy Home, Our Father will give “The Wanted-List from Our Father” to support your words that you explain to all good foreign mass communications.* Will, *when that time comes, all good foreigners and all foreigners who can reform themselves including Christian judges and Christian state attorneys will also see purgatory, hell, and the eternal flame.* Will, you knew what I mean. So, Will, *more quickly is much better.*

Will, if your law team threaten you “You and your family will be sued for Defamation Law.”, you must question them back “What will I do wrong? I’ll just **honestly** tell the truths **by My pure intention** to; 1) **Save lives of The Daughter of The God, The Son of The God, all good members of all ethical monarchies, all good English people, and all innocent people all around our world** 2) **Save the world** And 3) **Help everyone to see** “Bearing of fruits **in this life**” or it is called in the English language “What goes around comes around” which is **one of The God’s Wills.**”

Will, you must question your law team “**Why** do you think all good Christian judges won’t listen to “The Wanted-List from Our Father”?” Will, please tell your law team too “**Kay actually wants to know how English judges are. If I honestly** tell the truths **by My pure intention** for the reasons earlier, **how will courts of law of England judge me? All good English people will also know. Can they rely on** courts of law of England?”

Will, another significant point which I would like you to consider is **who you are**. All good monarchies have been revolted. Do not you have any good monarchs as your friends? **Does not England have criminal law to punish “Rebel” “Revolutionary” and “Everyone who assassinates, mayhems on body, and/or confines freedom of King, Queen, or heirs apparent”?** Criminal law of Thailand where is **underdeveloped country** has, Will, the criminal law of Thailand where is **underdeveloped country** has. **Just tried to overthrow monarch (by overthrowing legislative power, administrative power, and judicial power and/or being separatists (rebels) to separate all country or apart of country),** Will, **“just tried to”, a rebel will get sentence of death. Will, “just tried to” assassinate King, Queen or heirs apparent”, a rebel will get sentence of death. And “just tried to” mayhem on body, or confine freedom of King, Queen or heirs apparent, an offender will be prisoned all his life.** Will, do you understand the words “Just tried to”? Will, **do not England and the countries of all innocent monarchs where are developed and civilized have criminal law like these?**

Will, I would like to question you again. **How many years had David Cameron, Kate, Camilla, Meghan, and their friends continued running the devil’s dirty plan before you ordered your authorities to investigate? Will, while they were running the devil’s dirty plan, they always broke My heart down with the purpose that they strongly wanted to see Me suicide or die. And you knew what will happen to you, your family, and your country if I die. Consequently, why do you believe “It isn’t in the meaning of “tried to overthrow monarch” and “Being separatists (rebels)””?**

Will, **why** do you think “All good English people including all honourable English authorities **have to** follow their orders aren’t in the meaning of “**Trying to revolt** the legislative power, the administrative power, and the judicial power, or **being separatists (rebels)** to separate all country or apart of country”?

Will, *since 2000-2019, David, Kate, Camilla, Meghan, and their friends also **did many actions** that are in the meaning of “**Tried to assassinate Queen or heirs apparent**”, and “**Mayhem on body of Queen, or heirs apparent**” in that they ordered Our Father to make Queen Elizabeth and heirs apparent could not sleep 19 years. (Medical science founded “People who have been restless for a long time, highly tend to be “diabetes” and many diseases”) **They did many actions that are in the meaning of “Confined freedom of Queen and heirs apparent” too** because they ordered Queen Elizabeth and heirs apparent to do many things.*

Will, Our Father told Me many times “**Kate has ordered Will to do many things**”. Will, *although an offender who succeeded in confine freedom of King, Queen or heirs apparent, will be prison all his life only, Kate is an **old offender** who **succeeded** in confine freedom of **you who are an heir apparent, many times a day, and continue confining freedom of you 19 years, what should English judges judge her?** Will, your lawyers are lawyers of “monarch”. Why do not they know how to run law process to an offender who offended Queen Elizabeth and heirs apparent?*

Will, *if David, Kate, Camilla, Meghan, and their friends **alibi** “Will and his family themselves **complied** with the orders”, you **can** fight against them “Please think twice. “**This isn’t a test**” and “**The Judgement of Jesus**” will take place in 4457 AD. If we ourselves complied with their orders, **why had they used our religious belief to **deceive** us “This’s a test” and “If the end of the test comes, Jesus will come to judge the living and the dead” **before** ordered us to do many things?”***

Will, *although “Laws” are not the major component to help us to see “What goes around comes around” (“Everything I do comes back to me”), process of laws will make them scare “Our felonies will be exposed”.* Will, *the Satans and all evil people knew one another because they had successfully made appointments with one another, and had completely assigned their responsibilities before the Satans allowed Our Father to open My mind.* Therefore, *could you imagine what will happen?* 😊😊

Will, nobody can kill you. And if Queen Elizabeth, ethical members of The British Monarchy and good members of all innocent monarchies were passed away, they will come back to lives. Will, *did you understand why you were born as an heir apparent of The United Kingdom?* Will, *if you do not love Kate, why do not you start to do the right?* Will, what are in your brain?

Will, *they can order Our Father to do “many things” not “everything”.* Will, *“many things” not “everything”.* However, you never seriously find the answer why Our Father *still has not opened* your mind, but why Our Father *has opened* My mind since 2000. *Try thinking,* Will, *try thinking.*

Will, some of your big mistakes are that you believe “Everyone has much knowledge more than Kay”. You forgot “*Kay is The Daughter of Our Father whom Our Father sent as The Only One Latest Prophet of The Current Millennium in order to help, to redeem, and to teach*”. Will, *Our Father desired Me to study in faculty of law, with the result that though 2 big drug-selling gangs started to very severely torment Me while I was sophomore of Thammasat University, I got bachelor degree from faculty of law, Thammasat University within 4 years, and got 90 from 100 scores for criminal law. At that time, Thammasat University was the number one of faculty of law in Thailand.*

Will, I warned you all. If you make up your mind to continue following their orders, you and your family will lose in courts of law.

Last, Will, I really love slogan of **NIKE**  
**“Just Do It”**
