

***My letter to all good foreign creative people who knew the truths
(I wrote this letter and posted it on My website on 21 February 2022) ...***

Dear all good foreign creative people who knew the truths,

Think twice;

Why many good foreign creative people married and had a child or children after they had talked to “the voice”?

Why Robbie Williams married in 2010, and has children with his wife? Is it because of the song “She’s The One”?

Why P!nk and her child infected coronavirus in 2020? Is it because of many of her songs especially the song “F**kin’ Perfect”?

Why Rihanna fell in love, and was pregnant in the end of 2021? Is it because of the song “Take a Bow (Main)”?

...

Everyone has his own personal life, and everyone wants his own personal happiness.

However, all good foreigners and all foreigners who can reform themselves including foreign creative people need My help to redeem their sins and mortal sins, and to survive from severe torments in hell and the eternal flame.

But when I got violent torments, nobody helps Me.

I understood that everyone has his own personal life, and everyone wants his own personal happiness.

I appreciated your all kindnesses at this time.

I wish you all the best for My violent torments all My life.

Best wishes,
Kay
