

*My letter to somebody* 😊😊

*(I posted this letter on My website on 3 March 2022) ...*

**Dear all good FBI,  
all good Scotland Yard,  
all good foreign police officers,  
all good Apple officers,  
and  
all good Microsoft officers,**

**Although  
I felt demented  
that  
some files in My MacBook Pro  
were disappeared,  
I do not mind  
if you link all files in My MacBook Pro  
to your computer systems  
to read before.**

**But  
you need to buy My book  
at least  
one person one book,**

**OKay?**
