

## ***Intuit, Middle Way, and Merits***

*(I wrote these topics on 2 November 2022, then, corrected, and posted them on My website on 3 November 2022.)*

The God told Me “Pimp king Bhumibol and the satanic Chakri dynasty have used My Voice to cheat colossal foreign Buddhists “Kay has to intuit before she will teach” “Kay has to be under severe torments, then She will intuit” And “Kay will be survived by Her “merits””.

So, this topic has 3 points

- 1) I have to intuit before I will teach.
- 2) I have to be under cruel torments, then I will intuit. And
- 3) I will be survived by My “merits”.

### **1) I have to intuit before I will teach**

The truths that The God told Me are “You were sent to be born to teach “secular people” (I mean that not “monks” and “priests”) to up to heaven” and “How can monks or priests teach “secular people” to love, and to live as a couple in their marriage life?”

Let Me explain;

A daily life of “monks and priests” is exactly different from a daily life of “secular people”. Have you ever noticed the differences of precepts of Buddhism for “monks”, for “novices”, for “nuns”, and for “secular people”? I mean that Buddha teaches Buddhists by separating “religious” and “secular” from each other.

Buddhists knew that Buddhist monks have “religious works” but secular people have “secular works”. Buddha teaches Buddhist monks not to “receive” money but secular people need to have money to spend for their daily lives. Buddha prohibits Buddhist monks from having sex but secular people can morally have sex.

Buddha was “The **Prophet** in His Era”. And I am “The Only One Latest **Prophet** of The Current Millennium”.

The meaning of the word ***“Prophet”*** in Longman Dictionary of Contemporary English International Student Edition Reprinted 1984 is “A man who is directed by The God to make known and explain The God’s Will and/or to lead or teach a (new) religion”. And I told everyone “The God sent “His ***Babygirl*** whose soul is a ***toddler***” to be The Only One Latest ***“Prophet”*** of The Current Millennium in that The God concerns about ***everyone*** in this generation and in the next generations” especially “all ***children***” and “all ***women***” too. ...

... Have you ever heard story of “Jeremiah” (or “Jeremy”)? ... In Christianity history, Jeremiah was ***a boy*** but he was ***A Prophet who WAS spoken “The Christ Religion” out by “The Holy Spirit”***. ...

... So, why do I need to intuit before I will teach? And because My ***“Soul”*** is ***a toddler’s soul***, so why do I need to “grow up” before I will teach? Do you understand the word ***“soul”***? ☺☺

## **2) I have to be under cruel torments, then I will intuit**

The truths are that all Buddhists knew that Buddha had tried to intuit by many torturous ways, but “unsuccess”. After a while, Buddha used ***“Middle Way”*** to intuit, and finally, “accomplished”.

Although I am The Only One Latest Prophet, I am The ***Babygirl*** of The God. My Soul is ***a toddler’s soul***. And before The God started opening My mind, I had been under brutal torments for around 10 years until I knew what all Thai people and Thailand are (This is a main reason why after I had graduated bachelor degree, I requested My angel who can contact The God to start My new life abroad).

Even Buddha who was a strong ***man*** used ***“Middle Way”*** to intuit. Therefore, why all foreign Buddhists think “Violent torments will help Kay who is The ***Babygirl*** of The God to intuit”?

### 3) I will be survived by My “merits”

I believe that pimp king Bhumibol and the satanic Chakri dynasty tricked foreign Buddhists not only “Kay will be survived by Her “merits”” but also “The Satans and all evil people will be paid for their bad karmas when their merits will have been “empty””

Before I go into details of this topic, I would like to ask you again “I am not only A Little Buddha of all Buddhists, but I am also The Daughter of The God of all Christians and Allah’s Messenger of all Muslims. Why did The God choose to send Me to be born *as a Buddhist in Thailand*?”

Refer to a religious belief of Thai Buddhists “Merits will help one to live in a *moral* way”, so that as The Only One Latest Prophet, I have much merits *more than* the Satans and all evil people. And as all good foreigners and all foreigners who can reform themselves, you have much merits *more than* the Satans and all evil people too. I mean that “we” have much merits *more than* the Satans and all evil people.

I also told you many times. Pimp king Bhumibol has done many mortal sins *since he was a teenager*. One of his mortal sins was that he shot his own only one older brother to be crowned as the king of Thailand. Pimp king Bhumibol, the satanic Chakri dynasty, and their gang have done many sins and many mortal sins *since before 1960*. Ratchaneewan Ad-harn, Ad-harn family, and their gang have done many sins and many mortal sins *since before 1976*. Buddha teaches Buddhists “Taking drugs and selling drugs are mortal sins” But Thailand has been “The Land of Drugs” *since 1990*. And you knew that *since the end of November 1999*, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, their gangs, and all Thai people have done *a huge number* of sins and mortal sins. So, the questions are “They have done many sins and many mortal sins *since before 1960*. Why their merits seem to be “immense”? When will their merits be “empty”?”

I would like to underline it again. Refer to the religious belief of Thai Buddhists “Merits will help one to live in a *moral* way”, so I have much merits *more than* the Satans and all evil people. And all good foreigners and all foreigners who can reform themselves have much merits *more than* the Satans and all evil people too. I mean that “we” have much merits *more than* the Satans and all evil people. ...

... Have you ever noticed My daily life? I hardly do any sins and any mortal sins, and I always do “goodness” that is a kind of “merits”, right? A truth that The God told Me is “Kay, Your merits are **more than** merits of all population in this world **combine altogether!**”

So, the questions are “If My merits are much more than them, why have not I survived yet?” And “If our merits are much more than them, why have not we survived yet?”

The answer is ...

... As foreign Buddhists, have you ever known “**38 Conditions for an auspicious life**” that Buddha teaches?

4<sup>th</sup> Condition of “38 Conditions for an auspicious life” is “**Living in an appropriate location**”

I told you **what all Thai people and Thailand are**. So, could you figure out why My merits **seem** to be “lack”, and why our merits **seem** to be “not much”, but their merits **seem** to be “immense”? And could you figure out their merits will be “empty” and “we” will be survived **after “what will have been”**?

Finished the truths of “Intuit” “Middle Way” and “Merits”  
which I would like to tell you.

...

Did you know how **excellent in deception**  
of  
pimp king Bhumibol, the satanic Chakri dynasty,  
and  
all Thai people  
are?
