

Iraqi and Swedish (21 July 2023)

I went online IKEA website on 21 July 2023 in the morning. While I was surfing IKEA website, I heard the voice of prostitute princess Ubolratana Rajakanya “It is because You do not buy products which made in Thailand!”

Later on, I saw the news “Iraqi fired Swedish ambassador out of Iraq because Swedish fired Qur’an in Stockholm” on 21 July 2023 in the afternoon.

After I had seen the news, I thought “People who ordered Swedish to fire Qur’an in Stockholm must be pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people certainly because they love to set people by the ears and pimp king Bhumibol and the satanic Chakri dynasty have gotten dividend from selling arms!”

While I was having a shower on 21 July 2023 at night and was thinking of the news again, I heard the voice of prostitute princess Ubolratana Rajakanya “I ordered”. Then, The Father Almighty, or another name is “Allah”, told Me “People who ordered Swedish to fire Qur’an in Stockholm are the pimp kings of Thailand and the satanic Chakri dynasty!”

However, they let Me see the news on 21 July 2023 because they planned to blacken Prince William and The British Monarchy “Prince William and The British Monarchy ordered Swedish to fire Qur’an in Stockholm” as the day when I saw the news was “21”!

By the way, pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have used the way they use to “set people by the ears” with many foreign companies that produce products which I use.

Examples are “Lux” and “Shokubutsu”. Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have ordered The Father Almighty to change some fragrances of Shokubutsu and Lux and to send their thoughts to lie to Shokubutsu and Lux to make Shokubutsu think “Lux changed our fragrance” but to make Lux think “Shokubutsu changed our fragrance”.

Other examples are deodorant creams of “Kiehl’s” “Rexona” “Vaseline” and “Dove”.

Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people really believed “This way will make foreigners quarrel with each other!”

Last, The Father Almighty, or another name is "Allah", told Me "Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have helped one another to think to order Me to make conflicts and wars occur all over the world including in the Muslim world!
