

My letter to Jill Dougherty and her friend who is an Iranian (Persian) – American man (1 November 2022)

Dear Jill Dougherty and your friend who is an Iranian (Persian) – American man,

Hi, My friends 😊😊.

On 30 October 2022, I saw your post on Facebook. The post was a photo of a tattoo on the arm of your friend (who is our friend as your friend was My friend too 😊😊.) and a message.

The message was written “A tattoo on the arm of a good Iranian (Persian) – American friend supporting the revolution led by women and supported by some men in Iran today. It has symbols for “Women, Life, Freedom.””.

After I had seen your post, I believed that you and our friend want to declare to the world “Kay told us the truths and the solution” to help Prince William, King Charles, Prince Harry, and all ethical monarchies to help Me, My parents, and My dog to go out of Thailand 😊😊.

Although I will not definitely tattoo (because it hurts My body 😊😊), many thanks for your actions 😊😊. I forthwith felt glad after I had understood your intent 😊😊. Your intent has lighted a warm light in My heart ... I mean that both of you have warmed My heart by a cozy light 😊😊. Both of you have let Me know that not only all innocent foreign creative people but there also are foreign people who do not let Me fight against pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people alone 😊😊. ...

... “Thanks a lot ... My friends ... We are friends completely” ... 😊😊.

Love,
Kay

Note: I did not write this letter and post it on My website on 31 October 2022 as 31 October is “Halloween Day” 😊😊.
