

## ***Many religious beliefs are not the truths***

***(I wrote these truths from 9 March 2022 to 13 March 2022, and posted them on My website on 13 March 2022) ...***

On 8 March 2022, My dad still admitted in Chulabhorn Hospital. He sent a message from his mobile phone to My mom and Me “Beliefs give us a pleasant mind, but do not help my body to recover.”

Although I still do not know what the words The God told My dad, after I had thought of the words My dad had hinted Me, I figured out that The God strongly wants to warn Me “Many religious beliefs of all religions including Buddhism aren’t the truths. This’s one of the main reasons why I sent You to be born.”

I told you “One of My religious beliefs is “merit” will help Me to succeed in My wish” (I define the word “merit” (or Adam Bradshaw called “positive karma”, or it is called in Thai language “Boon”) “personal and auspicious worth”). And a truth is one of the religious beliefs of few good Thai monks is “Karma is natural. You do not need to do anything. Just wait and see. Last, we will see “Law of Karma”.” The God told Me “Many good foreign creative people have been tricked by these wrong beliefs too”.

Let Me explain about these beliefs;

I told you once “Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and almost all Thai “have lived in an ***auspicious*** place for them””

Why I told you “Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and almost all Thai “have lived in an ***auspicious*** place for them””?

It is because “They have lived in an ***appropriate*** location for their lives””

Why I told you “They have lived in an ***appropriate*** location for their lives””?

It is because they have lived in “***Thailand***” where is ***the worst country*** that The God let all foreigners call “***The prostitute country***”.

Why I told you “Thailand is the worst country””?

The reasons are Buddhism is the national religion of Thailand, and Buddha teaches Buddhists “Taking drugs and selling drugs are mortal sins which cause one who did to die in hell and the eternal flame forever” and “3 hearts of Buddhism are (1) Do goodness (2) Do not do badness And (3) Purify your mind”, but;

1) Pimp king Bhumibol is the big boss of the Thai soldier drug-selling gang. He is the male Satan and the leader of “the devil’s dirty plan”. He has run the plan since before 1960. The devil’s dirty plan is the plan to overthrow all ethical royal families to tempt foreigners to be “slave of drugs” to die in hell and the eternal flame with the Thai dynasty and almost all Thai forever.

2) Prostitute queen Sirikit and all members of the satanic Chakri dynasty are devils. They have been ready to do all mortal sins to support pimp king Bhumibol.

3) Ratchaneewan Ad-harn who is the third from the top of the Thai police drug-selling gang is the female Satan. Almost all Thai polices and scores of Thai are in her gang.

4) Ad-harn family are devils. They have been ready to do all mortal sins to support Ratchaneewan Ad-harn.

5) Almost all Thai who are drug addicts and drug sellers are devils, sinners, and wicked people. They have been ready to do all mortal sins to support their leaders.

6) Both the Thai soldiers and the Thai polices have **“mafia gangs”** and **“killing teams”**

7) The God told Me “The Blue Diamond, a diamond of Saudi Arabian Monarchy which was lost in Thailand in 1989 AD, has been in possession of prostitute queen Sirikit and the satanic Chakri dynasty” It shows the truth “Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty **can order** almost all Thai polices **to do illegal as their minds**”.

8) In Thailand, only **3,000 THB** (Around **75 GBP**, or **100 USD**) could be wage for an ordinary Thai to kill an eminent Australian businessman. (The felony occurred when I was a teenager. At that time, I heard “Australia lowered the flag to half mast to mourn the eminent Australian businessman”)

9) In Thailand, **money and position** can change “wrong” to be “right”, and “illegal” to be “legal”. And

10) Two of the natures of almost all Thai are **“Envy”** and “It isn’t enough to be demonic alone, **we must change good people to be satanic the same as us!**”

I am The Only One Latest Prophet of the current millennium. Because I came, so all good foreigners and all foreigners who can reform themselves will not definitely be drug addicts and drug sellers, and will reform themselves. And I came to “unmask” pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai too. Thus, they will *lose* their large profits from selling drugs, illegal businesses, and immoral businesses, and will *“lose the respect and their faces”*. Hence, after Ratchaneewan Ad-harn and pimp king Bhumibol had known the truths of Me, Prince William, and why we came, they and almost all Thai *agreed to work altogether* to *detain* Me in Thailand to *torment* Me to be *hurtfully death*.

Because at the end of November 1999, I still lived My life *in Thailand*, so pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai have been *ready to kill* Me and My parents if The God *is not* under their orders since then.

And because The God actually wants *to teach* everyone to try to do the right his best *to solve his problem to see “bearing of fruits in this life (before in life after death)”* or Buddha called “Law of Karma”, so pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai *can order* The God since the end of November 1999.

Pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai have lived in an *auspicious* place for them. But I and My parents have lived in an *inauspicious* place for us. How can several *“white sheep”* live happy lives among a large number of *“black sheep”*? Have you ever read *Matthew 9:16-17* that is about *“cloth and garment”* and *“wine and wineskins”*?

“Living in an *appropriate* location for your life” is the fourth of the thirty-eighth conditions for an auspicious life. Therefore, “Living in an appropriate location for your life” is *a type of “merit”* in that “merit” is a “personal and auspicious worth”.

So, this type of their “merit (personal and auspicious worth)” has helped them can join together to *order The God and us*, to *commit crimes and felonies*, and *to do sins and mortal sins* since the end of November 1999.

One of the main reasons why The God sent Me to be born is The God truly wants *to teach* everyone to try to do the right his best *to solve his problem* before Pray to The God to request The God to help him. Although one of the teachings of Buddha is *“Self-reliant”*, pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil foreign people have tormented *not only* Me and My parents *but also* almost all foreign people, so this is *not*

**only** My own problem **but also** the problem of almost all foreign people who have been tormented. Another reason why I need foreign help is I and My parents need “**visas**” to run away out of Thailand to a safer country.

If a girl is detained in a country where almost all citizens have been ready to kill her, and you want to save her life, the right solution is taking her out of the country to live in a safe country, right? It is the same as the way that The British Government helped Malala Yousafzai. Malala and her parents have joined the devil’s dirty plan but numerous foreign people especially The British Government helped her. Nonetheless, I, The Daughter of The God and The Only One Latest Prophet of the current millennium, came to save the world and the lives of almost all foreigners, but ... ☺☺!

Did you understand why pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai have participated in detain Me in Thailand, and allowed Me to go to New Zealand **only 7 days** in 2013 **when I still did not know what will happen if I die**? And why before I and My dad had gotten visas to go to New Zealand, Dny, a Thai officer of New Zealand Embassy, Bangkok, ordered Me “If You want to go to New Zealand for a **short** vacation, I **will** let You go. But if You want to go to New Zealand for a **long-term** vacation or for **studying**, I **will not** let You go!”?

The God told Me the reasons;

1) “Almost all Thai were afraid “If Kay spent Her life abroad for a long time, Kay would know **what all good Christians are waiting for**. So, we cannot let Her spend long-term time abroad because **She has known when Jesus will come!**”

2) “They let You go to New Zealand only 7 days when You still did not know what will happen if You die because Your money in Your bank account would be **empty quickly.**” And

3) “Because You still did not know what will happen if You die, so many New Zealanders whom almost all Thai had tempted to join the devil’s dirty plan **still did not quit**. And because New Zealand is a safe country but many New Zealanders (especially New Zealanders who are **the new generation**) still did not quit, so almost all Thai could order You to slept not enough every day while You were in New Zealand. Because of that, pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai **could continue to fool** all moral Christians **“This’s a test!”**”

I explained to you “Living in an *appropriate* location for your life is *a type of merit*” “Why Thailand is an *auspicious* country of pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai, but is an *inauspicious* country for Me and My parents” “The God strongly wants *to teach* everyone to try to do the right his best *to solve his problem* before pray to The God to request The God to help him.” And “To go to a safer country, I and My parents need *“visas”*”. Therefore, *because pimp king Bhumibol and the satanic Chakri dynasty have sat and paid their concentrated attention to control Prince William, all good members of The British Monarchy, and all eminent people whom they have planned to throw their guilts on (and maybe all ethical royal families who have been their targets to overthrow too) all the time the targets are in their daily lives, so if all good people all over the world still follow “the orders” that prohibit everyone from helping Me, how can merit help Me to succeed in My wish?*

Another explanation which I am explaining to everyone especially few good Thai monks is about one of the beliefs of Buddhism “Karma is natural. You do not need to do anything. Just wait and see. Last, we will see “Law of Karma”.”

Let Me explain;

Secular people live their lives *differently* from monks, so Buddha teaches secular people and monks *differently* such as; for secular people: A couple should have equal precepts, but for monks: Monks must not marry. For secular people: Secular people can earn money, and can keep their assets, but for monks: Monks must not receive money, and should not have their assets etc. A significant truth that helps us to know “Buddha teaches secular people *differently* from monks is about “precepts”: 5 precepts for secular people, 8 precepts for nuns, and 10 precepts for novices, but 227 precepts for monks and 311 precepts for female monks. As a result, “Law and rules” of secular people and “Law and rules” of monks are *different*. So, Thai monks separate *“worldly”* and *“religious”* from each other. And all strict disciples who are secular people know that there are *“worldly works”* and *“religious works”*.

Because “Law and rules” of secular people and “Law and rules” of monks are *different*, so every country has *“worldly laws”* to keep their country to be *peaceful*. By the way, the intuition of few good Thai monks told themselves “At the end of the story, bad karmas will rebound the Satans and all evil people. They’ll kill one another inevitably.” However, the Thai monks still have not figured out but Ajahn Maha Bua, Phra Thep Wittayakom, Phra Dharmasinghaburajarn, and Me figured out “Pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil foreign people will kill one

another, and the satanic Chakri dynasty will be overthrown *because they'll be sued by the other countries!*"

Why "Pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil foreign people will kill one another, and the satanic Chakri dynasty will be overthrown because they'll be sued by the other countries"?

It is because after they will have become "unofficially defendants", they will strongly want to *get rid of* one another who can *help* foreign police officers to *link* "evidences" to them.

They will become "unofficially defendants" after Prince William, I, and My parents will have been *at The Holy Home* where is the safest place for us. I mean that it will happen *after* I will have been gone out of Thailand to the safest place.

Did you understand why the intuition of few good Thai monks fooled themselves "You *do not* need to do anything. Just wait and see. Last, we will see "Law of Karma"."? It is because if everyone just waits and sees, *no good person* will help one another to try to move Me and My parents *to the safest place*. So, "Bad karmas" *will not definitely rebound* pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil foreign people, and they *have had much more time* to violently torment Me and My parents to pass on!

I told you more than 100 times "One of the reasons why The God has followed orders of the Satans and all evil people is everyone will see "Law of Karma *in this life (before in life after death)*" (Or it is called "Bearing of fruits *in this life (before in life after death)*")" And I told you "Buddha teaches secular people and monks *differently*" (Buddha separated "*worldly*" and "*religious*" from each other)

Therefore, to help you to more understand why "*Worldly karma cannot be shown by doing nothing*", please let Me show a simply example again: If good people want to see a satanic murderer bears his fruit *in this life (before in life after death)* (or another word is "If good people want to see "Law of Karma" rebound the satanic murderer *in this life (before in life after death)*"), but *no* one reports the felony to police officer, *no* police officer investigates, and *no* one is witness, *how can* a state attorney work? And *how can* a judge sentence the murderer? So, *how can* good people see the murderer bears his fruits *in this life*? Do you have knowledge of "*precluded by prescription*"?"

Besides the explanation above, I have many important truths to help you to see;

1) The God opened My mind in 2000 when was the time *after* pimp king Bhumibol, the satanic Chakri dynasty, and their gangs had started running the devil's dirty plan *more than 40 years*, and after Ratchaneewan Ad-harn and Ad-harn family had started to severely torment Me *around 10* years. Why I need to be continually tormented for so long?

If you believe "The time it takes to plant each tree is different" and "Pimp king Bhumibol and the satanic Chakri dynasty have "merit" and "prestige" *much more than Kay*", you knew *who I am*, but what pimp king Bhumibol and the satanic Chakri dynasty are. One of the beliefs of Buddhism is "Merit makes the owner lives *in morality* until he succeeds in "nirvana"". Pimp king Bhumibol, the satanic Chakri dynasty, and all evil people *behave badly*. So, *why* do you believe "Pimp king Bhumibol, the satanic Chakri dynasty, and all evil people have "merit" and "prestige" *much more than Me and good people*?"

A crucial truth that I would like you to know is since the end of November 1999, their few merit that has still remained is "*Thailand*". In that Thailand is an *auspicious* country of them but is an *inauspicious* country for Me and My parents. I explained above why Thailand is an auspicious country of them but is an inauspicious country for Me and My parents. So, did you understand that your intuition *fooled* you "The time it takes to plant each tree is different" and "Pimp king Bhumibol and the satanic Chakri dynasty have "merit" and "prestige" much more than Kay"?

2) If you believe "To see "Law of Karma", we must wait until pimp king Bhumibol *himself* makes a mistake in controlling Prince William", let Me explain *in detail* why pimp king Bhumibol will make a mistake in controlling Prince William:

Because pimp king Bhumibol has sat and paid his much concentrated attention to control Prince William *all the time* Prince William is in his daily life so, if people who know the truths *frequently* speak out, and/or write, and/or show the truths they have known to Prince William, Prince Charles, Prince Harry, and/or the public, Prince William, Prince Charles, Prince Harry, and/or all moral Christians will *more frequently* think of My words and theirs.

I told you “After My birthday 2021 passed, people who are ***out of the thoughts*** of pimp king Bhumibol, the satanic Chakri dynasty, and all evil people will be ***out of their control***” And “Pimp king Bhumibol, the satanic Chakri dynasty, and all evil people ***cannot*** control almost all foreigners all over the world ***in every minute***”. So, if people who know the truths ***frequently*** speak out, and/or write, and/or show the truths they have known to Prince William, Prince Charles, Prince Harry, and/or the public, it will be ***difficult*** for pimp king Bhumibol, the satanic Chakri dynasty, and all evil people to control all moral Christians. Because of that, ***soon, numerous*** moral Christians ***will understand themselves***.

After that, all moral Christians who understood themselves will talk about “what happened to us” and “why we did not believe Kay”. The more the day passes, the more the amount of moral Christians who understood themselves. ***Soon***, these topics will be ***“talk of the town”***.

***Because of that***, pimp king Bhumibol and the satanic Chakri dynasty who have worked together to control Prince William, all good members of The British Monarchy, and all eminent people whom they have planned to throw their guilts on will have ***high chances of making mistakes*** in controlling Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy in that ***the real minds*** of Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy will ***usually doubt*** My words and the words of many Christians. So, ***the real minds*** of Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy ***will think of*** My words and the words of many Christians ***more frequently***.

For that reason, pimp king Bhumibol ***will need to “sit and pay much concentrated attention” to “control”*** Prince William, with the result that the mind of pimp king Bhumibol ***will be so tired***, so that he ***will be easy to fall asleep that is the big mistake in controlling Prince William!***

I would like to underline it again. Pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai have planned to blacken Queen Elizabeth, Prince William, The British Monarchy, the UK, and the US (and maybe the monarchs that have been their targets to overthrow). So, pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil foreign people have worked together to control their targets whom they have planned to blacken ***all the time*** the targets are in their daily lives. So that, if no good person who knows the truths speak out and/or write and/or show the truths to Prince William, Prince Charles, Prince Harry and/or the public, how will pimp king Bhumibol ***fast*** make a mistake in controlling Prince William?

3) Pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil foreign people have threatened all people who want to help Me by “torments” and “death”, so how should you do?

Have you ever noticed you have *periodically* been suffered because you cannot sleep since 2000? And since coronavirus were launched, a huge number of people *were passed away* because of the virus. They are the Satans and all evil people, so they are demonic. *How can you be certainly sure* “If I follow all orders of the Satans and all evil people, the Satans and all evil people will not definitely kill Me and My loves?” I mean that if you let the Satans and all evil people continually torment Me and My parents, *what can be guaranteed* that they will not certainly kill you and your loves?

And a very consequential truth is “Everyone who is not evil person but is passes over by “the orders” *will come back to life* after Prince William and I will have been at The Holy Home.”

4) Buddhist monks have taught Buddhists about “spirits” “heaven” “hell” and “the eternal flame”. Two of the beliefs of Buddhism are “Spirits are in *another dimension*” and “Bad karmas will be shown after the bad karmas *will have been ripened*” (Or bad fruits will be borne after the bad fruits *will have been ripened*.)

So, why do not you believe Me “Pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil people will bear their bad fruits after there are *enough*” spirits too. As spirits who are not evil people but are passed on when *is not* their time to die *will wait for* the time to revenge “the killers” *to come back to lives* to spend their time with their soulmate and family again. So, the spirits will be *an important part* to make pimp king Bhumibol make a mistake in controlling Prince William”

I would like to stress it again “Everyone who is not evil person but is passes over by “the orders” *will come back to life* after Prince William and I will have been at The Holy Home.”

5) Some good Thai monks were fooled “Kay has innumerable karmas which she must be paid back”

The truth is The God told Me “You were *firstly* sent to be born. Before You were sent to be born, You had spent Your time *only* in heaven to help good people in the world who suffered. So, *You have no karma in any past life!*”

6) If you interpret “One of 38 conditions for an auspicious life is “asceticism””, and you believe both “One has to have a hard life before he will have a comfortable life” and “Kay must be severely tormented to succeed in intuition”, I would like you to consider *the biography of Buddha*.

Buddha was born *as a prince*. His father *excellently cared* Him all His worldly life. But His comfortable and luxury life made Him felt bored, and tried to find the way to vanquish suffering, right?

Another truth is “Buddha torment Himself to succeed in nirvana for a moment. After that, Buddha found “Torment Myself *couldn't* help Me to succeed in nirvana”, then Buddha *abandoned* “torments” but used “*middle way*” to succeed in nirvana. *Finally, Buddha intuited.*”

So, why do you believe “Kay will be intuited by severe torments”?

And

7) Have you ever wondered Thailand has more than 300,000 monks and novices, *why only some* monks have a chance to spend their lives *abroad* especially in *the UK, Europe*, and *the US*? And why their words are *different* from My words? Have you ever doubted?

I would like to emphasize it again:

- 1) Buddha separated “*worldly*” and “*religious*” from each other.
- 2) Every country has “*worldly laws*” to keep their country to be *peaceful*.
- 3) Pimp king Bhumibol, the satanic Chakri dynasty, almost all Thai, and all evil people will kill one another (or another word is “Bad karmas will rebound them) *because they will be sued by the other countries*. And
- 4) They will be sued by the other countries *after* Prince William, I, and My parents will have been at The Holy Home!

If you have your dream and you do not want the dream to be only “day dream” (Or another word is you want the dream to come true), what do you have to do? ...

... *Just do it*, right? ☺☺

**Remark:** Bearing of fruits *in this life (before in life after death)* or Buddha called “Law of Karma (*in this life*)” is *if you try to hurt, hurt, try to kill, or kill “living things”, you will be hurt or will be killed in this life* (it is called in the English language “What goes around comes around (*in this life*)”, or can be said to simply understand “Everything I do comes back to Me”).

Pimp king Bhumibol and the satanic Chakri dynasty have strongly wanted all ethical royal families to be overthrown, so they have secretly run their plan to overthrow all ethical royal families enjoyably since before 1960. Accordingly, *after our problem will have been solved by the right solution*, pimp king Bhumibol and the satanic Chakri dynasty will be overthrown *inevitably!*

.....
