

My apology

(I wrote My feelings from 4 June 2022 to 5 June 2022, and posted them on My website on 5 June 2022.) ...

I would like to say “I am heartily sorry” to The Black Eyed Peas, Blue, Britney Spears, Dane Sitruk, D12, Jennifer Rush, Justin Bieber, Maroon 5, Phil Collins, Robbie Williams, Sarah Cornor, Simon Cowell, Toni Braxton, and T.Q. because I cut your names out of My document “If I take paracetamol overdose, ...”

I have just gotten “paranoid condition” periodically since “Yhing” (Savanya) whom I used to think she is My best friend betrayed Me. I fully trusted “Yhing” because our moms have been close friends, our dads have known each other, her dad was an ambassador, she graduated from medical faculty, we have known each other since before we went to kindergarten school, and she presented that her habits are like western people. However, she has cooperated with the devil’s dirty plan since the start. But I just knew the truths on 24 May 2022.

On the same day, I just knew the truths of “***Hope***” and “***Aunt Neet***” who are ***My own close cousins***. I used to really think they are nice, but in reality, they are cheat, insincere, and two-faced. ... ***They have been two-faced with Me too.***

Since 1990, I have had many experiences in ***insincere, two-faced, fake, tricky, and betrayal*** from numerous Thai people. And since 2000, I have had many experiences in “***two-faced***” and “***betrayal***” from people ***whom I used to sincerely believe that they are “trustworthy”*** such as “Nok”, “My bosses”, “My colleagues”, “My neighbours”, “My own cousins”, and “My own friends”.

Some truths are that: 1) My bosses and My colleagues pretended to be friendly and nice with Me, but in reality, they participate in the devil’s dirty plan. 2) Prayuth Jun-o-cha and some high-level Thai soldiers pretended to like Me, but in reality, they strongly want to kill Me. 3) Pimp king Bhumibol and the satanic Chakri dynasty could fool Me into believing that they are “the best” and want to help Me until the middle of 2013. And 4) A female Thai taxi driver whose name is “Puttiwan” had made friend with Me before she ordered a foreign man to accept her as his wife. After that, she went to live abroad to order and control foreigners in that country to have behaviours and habits ***the***
